**ORIGINAL AGREEMENT:** The original Charter School Agreement (authorized by Board Report 98-0429-EX12) is for a term commencing July 1, 1998 and ending June 30, 2003. The agreement authorizes the operation of single facility Charter School located at 7823 S. Ellis with current enrollment not to exceed 300 students in grades K through 8. The Agreement incorporates an accountability plan whereby the school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

**CHARTER RENEWAL PROPOSAL:** Betty Shabazz Charter School submitted a renewal proposal on December 16, 2002 to continue the operation of the school under the same mission and educational programs at the same location. The proposal requests no increase in the maximum student enrollment.

**CHARTER EVALUATION:** The Charter School's Office Review Committee ("Committee") has reviewed and evaluated Shabazz's renewal proposal as well as the school's past academic, financial and operational performance. During the last school year, Betty Shabazz satisfied its academic accountability requirements in all areas. In reading, 51% of Shabazz students are at national norms and in math 47% of students are at national norms. In both subjects, Shabazz students achieved slightly more than a year of growth (1.03 and 1.02 respectively) in 2001-02. On the 2002 ISAT, 44% of students met or exceeded state standards, an increase 9.6% over the prior year. The school has a low mobility rate and is well managed. The charter school performed better than CPS neighborhood schools on 5 of the 7 student performance measures reviewed. The committee recommends, based on these accountability measures and results, that Betty Shabazz be authorized to continue operating as a charter school.

**RENEWAL TERM:** The term of Betty Shabazz's charter status is being extended for five (5) years commencing July 1, 2003 and ending June 30, 2008.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions in the written Charter School Agreement which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment,

Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement. Authorize the Director of Charter Schools to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification. Authorize the General Counsel to further negotiate, and execute any amendments to the Agreement required by the Illinois State Board of Education.

**LSC REVIEW:** Approval of Local School Councils is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the 2003-2004 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY03 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.
