AMEND BOARD REPORT 04-0526-PR52
AMEND BOARD REPORT 01-0328-PR41
**APPROVE THE PRE-QUALIFICATION STATUS OF LEAST RESTRICTIVE
 ENVIRONMENT CONSULTANTS TO PROVIDE CONSULTING SERVICES**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Approve the pre-qualification status of consultants to provide least restrictive environment consulting services. Pursuant to the court supervised settlement agreements in the Corey H. case, consultants were selected through *Education Connection* request for qualifications or were selected by the Illinois State Board of Education. A written master agreement for each consultant is currently being negotiated. No services shall be provided by any consultant and no payment shall be made to any of them prior to the execution of their written master agreement. The pre-qualification status approved herein for each consultant shall automatically rescind in the event such consultant fails to execute the Board's master agreement within 120 days of the date of this Board Report. Information pertinent to this master agreement is stated below.

SPECIFICATION NO.: 01-250046

This amended Board Report is necessary to add twenty-nine newly selected consultants to the pre-qualified pool. A written master agreement for each newly added consultant is currently being negotiated. The pre-qualified status of these newly added consultants shall automatically rescind as to each consultant in the event such consultant fails to execute the Board's master agreement within 120 days of the date of this amended Board Report.

This amended Board Report also reflects the deletion of those consultants who failed to execute the Board's master agreement (rescinded pursuant to Board Report 02-0724-AR02) and the deletion of those consultants who have voluntarily withdrawn from the pre-qualified pool and/or have been terminated for cause.

This second amended Board Report is necessary to extend the term of this pre-qualification pool and each master agreement because the Northern District of Illinois has extended the Illinois State Board of Education's settlement agreement in the Corey H. case through June 30, 2010 and the schools will be required to continue using the services of the LRE consultants through that date. Written amendments to the master agreements are required. The authority granted herein shall automatically rescind as to each consultant in the event their written amendment is not executed within 90 days of this amended Board Report.

This second amended Board Report is also necessary to add ~~sixteen~~ ^{fifteen} newly selected consultants to the pre-qualified pool. A written master agreement for each newly added consultant is currently being negotiated. The pre-qualified status of these newly added consultants shall automatically rescind as to each consultant in the event such consultant fails to execute the Board's master agreement within 120 days of the date of this amended Board Report.

This second amended Board Report also reflects the deletion of those consultants who failed to execute the Board's master agreement (rescinded pursuant to Board Report 02-0724-AR02) and the deletion of those consultants who have voluntarily withdrawn from the pre-qualified pool and/or have been terminated for cause.

This third amended Board Report is necessary to i) specify the start date of the new master agreements; and ii) to authorize the execution of the amendments; and iii) to add a new consultant to the pre-qualified pool.

NAMES OF CONSULTANTS: See attached Exhibit A. Additional consultants may be added pursuant to the terms of the Corey H. settlement agreements upon further approval by the Board.

TERM: The term of this pre-qualification pool and each master agreement shall be effective from April 1, 2001 to June 30, 2010, which term is concurrent with the projected compliance date with the Corey H. settlement agreements. The term of the master agreement for each of the new consultants shall commence upon the date of execution. Additionally, consultants may be added or deleted during the prequalification period based on performance evaluations and concurrence of the Corey H. Monitor. This pre-qualification period may be extended by the Board for such length of time as required by Court order.

SCOPE OF SERVICES: Consultants shall provide various educational services based on a scope of services developed on a case by case basis as outlined in each consultant's Master Agreement consistent with the description contained in this Board Report. The Master Agreement for each consultant will generally describe the scope of services and associated costs. These consultants shall provide technical support to staff and school community members in various areas relating to Least Restrictive Environment and will provide services that address the educational needs for CPS schools.

COMPENSATION: The projected sum of payments to each pre-qualified consultant for the pre-qualification term shall not exceed \$54,000.00 per school per year. Additionally, no consultant shall be paid in excess of \$450.00 per day per school. The projected cost for this program during the entire term of the pre-qualification status is \$40,000,000.00. The costs associated herewith shall be reported to the Board on a quarterly basis pursuant to Board Rule.

USE OF THE POOL: The Office of Specialized Services and individual schools may engage a consultant for the services for which they are pre-qualified herein but must receive approval from the Corey H. Monitor prior to engaging such consultant. After receiving approval, the school or the Office of Specialized Services will evidence such selection by a purchase order, which purchase order shall reflect the dollar amount for the services selected and will be sent from the Office of Specialized Services to the selected consultant. The school principals or the Office of Specialized Services will use a statement of work to outline the specific services to be provided for each project.

EXISTING CONTRACTS: 20 of the original 55 consultants listed on Exhibit A were previously rendering like services to the Board pursuant to Board Reports 00-0726-PR29 and 00-0223-PR5. These consultants are identified on the attached list by an asterisk. Upon signing this Master Agreement, such consultant's existing agreement automatically terminated.

AUTHORIZATION: Authorize the General Counsel to include other relevant terms and conditions in the written master agreements and amendments. Authorize the President and Secretary to execute the master agreements and amendments. Authorize the Chief of Specialized Services to execute all ancillary documents required to administer or effectuate the master agreements and amendments.

AFFIRMATIVE ACTION: Pursuant to Section 6.2 of the Revised Remedial Plan for Minority and Women Business Enterprise Contract Participation (M/WBE Plan), the Per Contract and Category Goals method for M/WBE participation will be utilized. Aggregated compliance of the vendors in the pool will be reported on a quarterly basis.

The Chief Purchasing Officer shall prepare a directory or other such type of listing to be distributed to all User Groups which specifies the types of services for which each vendor has been pre-qualified.

Any request to exceed any imposed financial limitations shall require additional Board approval.

The Chief Purchasing Officer shall develop guidelines regarding the imposition of financial limitations on newly pre-qualified vendors or previous vendors of the Board who are now being pre-qualified to perform new or different services, with a corresponding periodic evaluation of such vendor's performance to allow for an increase in such vendor's financial limitation due to satisfactory performance ratings.

GENERAL CONDITIONS:
