**ORIGINAL AGREEMENT:** The original Charter School Agreement (authorized by Board Report 99-1215-EX2) is for a term commencing July 1, 2000, and ending June 30, 2005. The agreement authorizes the operation of single facility charter school with enrollment not to exceed 525 students in grades 6 through 12. The Agreement incorporates an accountability plan whereby the school is evaluated by the Board each year based on numerous factors related to its academic, financial, and operational performance.

**CHARTER RENEWAL PROPOSAL:** Young Women's Leadership Charter School submitted a renewal proposal on December 13, 2004, to continue the operation of the school under the same mission and educational programs. The school is currently located at 2641 South Calumet and serves 325 students in grades 7 through 12. The proposal requests no increase in maximum student enrollment.

On April 4, 2006, the Young Women's Leadership Charter School submitted a material modification to increase the enrollment capacity of the Charter School from 325 students to 400 students for the remainder of its charter renewal. In Fall 2006, the Charter School will enroll approximately 360 students and increase enrollment to 400 students in subsequent years. For the 2006-2007 school year, the cost of 35 additional students will be approximately \$218,750 based on revised per pupil funding amounts released August 31, 2005.

**CHARTER EVALUATION:** The Renewal Evaluation Committee ("Committee") has reviewed and evaluated Young Women's renewal proposal as well as the school's past academic, financial, and operational performance. The committee also conducted a site visit of the charter school. During the last school year, Young Women's satisfied its academic accountability requirements in five of the nine areas reviewed. Young Women's has a high graduation rate (85.3%) and attendance rate (92.0%), and the school has extensive internship and mentoring programs. The committee recommends that Young Women's be authorized to continue operating as a charter school.

**RENEWAL TERM:** The term of Young Women's Leadership charter status is being extended for five (5) years commencing July 1, 2005, and ending June 30, 2010.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement. Authorize the Director of Charter Schools to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

**LSC REVIEW:** Approval of Local School Councils is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the 2005-2006 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY05 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. ~~Noble Street plans to maintain a stable enrollment of 325 (100 middle school and 225 high school) students throughout its renewal term. The cost of this enrollment will be approximately \$2,056,375 in 2005-2006. These budget figures are based on the revised per pupil funding amounts released on November 10, 2004.~~
