CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Betty Shabazz's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the three campuses in which teaching and learning, leadership and governance, and the learning communities were assessed. A public hearing was conducted on May 12, 2008 to receive public comment on the application to renew the Charter School Agreement with Betty Shabazz International Charter School for an additional five years. In addition, the Office of New Schools evaluated the school's student performance. From 2003-2004 to 2006-2007, Shabazz received 20 out of 45 high ratings and 21 out of 45 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. Since 2003-2004, the charter schools attendance rate has averaged 93%. From 2003-2004 to 2006-2007, the percentage of students meeting/exceeding state standards on the ISAT Composite has increased by 32.8 percentage points. The charter school also met Adequate Yearly Progress in 2005-2006 and 2006-2007.
