Vendors were selected on a competitive basis pursuant to a request for proposal (Specification #10-250035).

OPTION PERIOD:

The term of each agreement is being extended for 1 year commencing August 1, 2011 and ending July 31, 2012.

OPTION PERIODS REMAINING:

There are no option periods remaining.

SCOPE OF SERVICES:

The Board has conducted a thorough assessment of the violence-related risks posed to CPS high school students both inside and outside the school. In response to data-based research and community discussions, the Board is executing a safety and security strategy designed to focus resources on two ultimate goals:

1. Reduce the likelihood that high-risk Chicago Public School students will become victims of violent incidents; and
2. Create a safe, secure, and supportive school environment to increase student attendance and improve academic performance.

To achieve these goals, the Board has outlined the following three initiatives:

1. Mentorship and advocacy for high school students at risk of engaging in or becoming victims of aggressive behavior, truancy, suspension, and expulsion;

2. Development of a safe school environment that contributes to a student excelling academically; and
3. Creation of safe passages to provide safe arrival and dismissal times.

I. Community Watchers: Vendors will deploy community watch staff (Community Watchers or Watchers) throughout Board-designated safety routes to supervise students traveling to and from school grounds. Such supervision will occur during school arrival and dismissal. Such supervision will vary depending on the individual school's arrival and dismissal times.

II. Outreach Management Services: At the direction of the Board, vendors shall provide outreach services for students with five (5) or more unexcused absences. The outreach services will include administering assessments to discover the circumstances that led to the students' absences and communicating such assessments to the appropriate bodies.

DELIVERABLES:

Community Watchers duties shall consist of 1) Reporting to daily assigned post(s) to assist students in traveling to and from school grounds; 2) Monitoring designated hot spots for suspicious behavior and potential conflicts; 3) Collaborating with the CPD and CPS and reporting any known or potential conflicts to the CPD and CPS; 4) Submitting a daily electronic incident report as well as a weekly electronic report which will include the number; and description; of incidents, responses to incidents, a list and description of troubled building, and an explanation of potential conflicts the Community Watchers suspect will occur in the near future; and 5) Wearing a uniform and/or having official identification that clearly identifies their status as Community Watchers.

OUTCOMES:

Vendors' services will result in 1) increased attendance, 2) decreased violent incidents involving CPS students, and 3) increase student perception of safety traveling to and from school.

COMPENSATION:

Vendors shall be paid as specified in their agreement; total compensation to all vendors shall not exceed \$3,446,685.00 in the aggregate.

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written option documents. Authorize the President and Secretary to execute the option documents. Authorize; Chief Executive Officer or the School Safety and Security Officer; to execute all ancillary documents required to administer or effectuate the option agreements.

AFFIRMATIVE ACTION:

The goals for this agreement are 40% total MBE and 10% WBE participation. Thus, pursuant to the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, for subsequent vendors from the pool created by this agreement will be subjected to aggregated compliance reviews and monitored on a monthly basis.
