NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

1. *Incorporation of Preambles.* The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.

2. *Issuance of Bonds.* (a) There shall be authorized the borrowing on the credit of and for and on behalf of the Board the aggregate principal amount of not to exceed \$300,000,000 for the purpose of paying (i) all or a portion of the costs of refunding certain obligations of or issued on behalf of the Board, (ii) capitalized interest on the Bonds (but only as and to the extent permitted by applicable law), and (iii) costs of issuance of the Bonds, including the cost of bond insurance or other credit enhancement, and the Bonds may be issued from time to time, in one or more Series, in said aggregate principal amount, or such lesser aggregate principal amounts, as may be determined by either the President of the School Board or the Chief Financial Officer (each, a "**Designated Official**"). The Bonds of each Series shall be designated "*Unlimited Tax General Obligation Refunding Bonds (Dedicated Revenues), Series 2011_*," with such additions, modifications or revisions as shall be determined to be necessary by either of the Designated Officials at the time of the sale of such Bonds to reflect the year in which such Bonds are issued, the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds, or Variable Rate Bonds (each as defined herein) and any other authorized features of such Bonds determined by either of the Designated Officials as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Designated Officials are each hereby authorized to appoint a Trustee for each Series of the Bonds so issued; provided, that such Trustee shall be a bank, trust company or national banking association doing business and having a corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly owned subsidiary of such an entity. The Bonds of each Series shall be issued and secured pursuant to the terms of an Indenture (i) authorizing Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds (a "**Fixed Rate Indenture**") or (ii) authorizing Variable Rate Bonds (a "**Variable Rate Indenture**"). Each of the Designated Officials is hereby authorized to execute

and deliver, and the Secretary is hereby authorized to attest, each Fixed Rate Indenture or Variable Rate Indenture on behalf of the Board, each such Indenture to be in substantially the respective form executed and delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues of Alternate Bonds secured by some or all of the Pledged Revenues, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the respective forms of Fixed Rate Indenture and Variable Rate Indenture authorized hereby.

The details of the sale of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to **Section 4(e)** hereof and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in each Indenture executed and delivered by a Designated Official as described herein.

Either of the Designated Officials is hereby authorized to select the particular Prior Bonds to be refunded, to select the particular Prior Bonds to be redeemed, and to determine the redemption date of each Prior Bond to be redeemed, provided that the Designated Official shall act in a manner consistent with the debt policy of the Board in force at the time of any such refunding.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each Series of the Bonds, the Board hereby pledges the Pledged Revenues to the payment thereof, and the Board covenants and agrees to provide for, collect and apply such Pledged Revenues, together with investment earnings thereon and moneys held in the funds and accounts pursuant to each Indenture, to the payment of the Bonds and the Prior 2009 Authorization Bonds and the provision of an additional .10 times annual debt service, in the case of Bonds to be paid from a governmental revenue source or an additional .25 times annual debt service in the case of Bonds to be paid from rental income derived from Board property or from certain grants and other payments to be paid to the Board by the United States of America or any department, agency or instrumentality thereof that do not constitute a governmental revenue source. The determination of the sufficiency of the Pledged Revenues and estimated investment earnings pursuant to this paragraph (b) is

supported by the Audit or the Feasibility Report, as applicable, and acceptance of the Audit by the Board and of the Feasibility Report by the Chief Financial Officer, on behalf of the Board, shall constitute conclusive evidence that the conditions of Section 15 of the Act have been met. Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Revenues to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of each Series of the Bonds and the Indenture pursuant to which such Series of Bonds is issued and the notification of sale of such Series of the Bonds delivered by the Designated Officials pursuant to Section 4(e) hereof shall identify the specific Pledged Revenues allocated to such Series. Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the Pledged Revenues and investment earnings as described herein, from the levy of the Pledged Taxes as provided in the Act and as set forth below.

(c) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "**Capital Appreciation Bonds**"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "**Maturity Amount**") of \$5,000 or any integral multiple thereof. As used herein, the "**Compound Accreted Value**" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond.

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the "**Current Interest Bonds**"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form, shall be in denominations of \$5,000 each and any integral multiple thereof, and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "**Convertible Bonds**") at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Fixed Rate Indenture executed and delivered by a Designated Official at the time of sale of such Convertible Bonds.

All or any portion of the Bonds may be issued as bonds bearing interest at variable rates adjustable and payable from time to time, including, but not limited to, bonds bearing interest at variable rates that are adjusted and reset from time to time (i) as may be necessary to cause such Bonds to be remarketable from time to time at a price equal to their principal amount, (ii) by means of an auction process or (iii) in accordance with an objective index (collectively, the "**Variable Rate Bonds**"). The Variable Rate Bonds shall be dated such date as shall be agreed upon by a Designated Official and shall be numbered as determined by the applicable Trustee. All references herein to the payment of principal of any Variable Rate Bonds shall also include the payment of tender or purchase price of such Bonds as shall be specified in the Variable Rate Indenture executed and delivered by a Designated Official pursuant to which such Variable Rate Bonds are issued.

The Bonds shall be dated as of a date not earlier than December 1, 2011, as determined by a Designated Official at the time of sale thereof. The principal of the Bonds shall become due and payable on any date not earlier than December 1, 2012, and not later than December 1, 2032.

Any Bonds issued as Current Interest Bonds, Capital Appreciation Bonds or Convertible Bonds shall either bear interest (computed upon the basis of a 360-day year of twelve 30-day months) payable semiannually on each June 1 and December 1, commencing on or after June 1, 2012, or bear interest payable only at the maturity thereof, at a rate or rates not to exceed nine percent (9%) per annum, all as shall be determined by a Designated Official at the time of sale of such Bonds.

The Variable Rate Bonds shall bear interest from time to time at such rates determined (i) by such remarketing or other indexing agent as shall be selected by a Designated Official for that purpose, (ii) pursuant to such index or indices as shall be selected by a Designated Official for that purpose, which interest rate or rates shall not exceed the maximum permitted by law for obligations of the Board, but in no event more than fifteen percent (15%) per annum, subject to the provisions of **Section 4(d)** hereof. The method of determining the interest rate to be borne from time to time by the Variable Rate Bonds of any Series shall be specified in the applicable Variable Rate Indenture. Each Variable Rate Bond shall bear interest at such rates payable on such dates as shall be determined by a Designated Official at the time of sale of such Bonds and specified in the applicable Variable Rate Indenture.

(d) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may be made subject to extraordinary redemption prior to maturity, in whole or in part on any date, at such times and at such redemption prices and upon the occurrence of such conditions, all as shall be determined by a Designated Official at the time of the sale thereof. Redemption prices are to be expressed as a percentage of the principal amount of such Bonds being redeemed, plus accrued interest to the date of redemption. The Bonds of each Series may be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; provided, that such Bonds shall reach final maturity not later than the date set forth in Section 2(c) hereof.

Any Variable Rate Bonds may be made subject to optional or mandatory tender for purchase by the owners thereof at such times and at such prices (to be expressed as a percentage of the principal amount of such Bonds being tendered for purchase) as shall be determined by a Designated Official at the time of sale of such Variable Rate Bonds and specified in the applicable Variable Rate Indenture. In connection with the remarketing of any Variable Rate Bonds so tendered for purchase under the terms and conditions specified in the applicable Variable Rate Indenture, each of the Designated Officials is hereby authorized to execute on behalf of the Board one or more remarketing agreements with such national banking associations, banks, trust companies, investment bankers or other financial institutions

as shall be selected by a Designated Official reflecting the terms and provisions of the Variable Rate Bonds and containing such provisions as the Designated Official executing the same shall determine are necessary or desirable in connection with the sale of some or all of the Bonds as Variable Rate Bonds.

(e) The Bonds of each Series shall initially be issued in book-entry only form as provided in the applicable Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President of the School Board and attested by the Secretary of the Board by the manual or duly authorized facsimile signature of the Secretary of the Board and prepared in the respective forms as provided in the applicable Indenture.

(f) For any Prior Bonds refunded pursuant to and in accordance with Section 15 of the Act, the determination that the term of such refunding bonds is not longer than the term of the Prior Bonds so refunded and that the debt service payable in any year on the refunding bonds does not exceed the debt service payable in such year on the Prior Bonds so refunded shall be made by either of the Designated Officials, who shall also execute a certification attesting to said determination. In the event that a refunding of any or all Prior Bonds is undertaken by this paragraph (f), either Designated Official is hereby authorized to pledge as payment for said refunding bonds any revenue sources identified in the 2009 Authorization, provided that any such pledge shall be consistent with existing bond covenants and restrictions and Board policies.

3. *Tax Levy; Pledged Taxes.* (a) For the purpose of providing funds in addition to the Pledged Revenues to pay the principal of and interest on the Bonds, there is hereby levied upon all of the taxable property within the School District, in the years for which any of the Bonds are outstanding, a direct annual tax for each of the years while the Bonds are outstanding, in amounts sufficient for that purpose, and there be and there hereby is levied upon all of the taxable property in the School District the following direct annual taxes:

Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the Chief Financial Officer, such approval to be evidenced by such Chief Financial Officer's execution thereof, and the Chief Financial Officer is also authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. Each of the Designated Officials is hereby further authorized to appoint one or

more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "**Credit Provider**") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "**Credit Agreement**") providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a "**Bank Bond**") and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed **[three]** percent (3%) of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the "**Credit Provider Rate**"), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than fifteen percent (15%) per annum (the "**Maximum Credit Provider Rate**"). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of twenty-five percent (25%) per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; provided, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

Any Credit Facility obtained as provided herein shall cause the Bonds secured thereby to bear an investment grade rating from at least two nationally recognized rating services.

paragraph (j) of this Section, and a copy of such agreement shall be attached to said notification of sale, and (xv) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in **Section 3(a)** hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in **Section 3(a)** hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. In the case of Variable Rate Bonds, such amounts to be abated from taxes levied may be determined by reference to any projections of debt service on such Variable Rate Bonds provided to the Board at the time of sale of such Bonds. No such reduction in the amounts levied in **Section 3(a)** hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until either or both of the Designated Officials have determined that any amount so levied in **Section 3(a)** hereof will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to **Section 3(a)** hereof, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks. Each of the Designated Officials is also authorized to file in the respective offices of the County Clerks certificates of tax abatement that reflect the refunding of any obligations of the Board.

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum or Notice of Public Sale relating to each Series of the Bonds (the "**Disclosure Document**") in substantially the respective forms delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "*deemed final*" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities

Exchange Act of 1934 ("**Rule 15c2-12**"), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document, as appropriate, on behalf of the Board.

In connection with the sale of any Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Private Purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Private Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to the payment of (i) all or a portion of the costs of refunding obligations of or issued on behalf of the Board, (ii) such interest to become due, either on such Series of Bonds or on another Series of Bonds issued pursuant to this Resolution, for such period not to exceed 2 years as shall be determined by the Chief Financial Officer and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers, Credit Providers or remarketing, auction or other agents retained in connection with the issuance of Variable Rate Bonds, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed ten percent (10%) of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) The Chief Financial Officer of the Board is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the

investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

(i) Either of the Designated Officials is hereby authorized to execute and deliver from time to time one or more agreements with counterparties selected by either of the Designated Officials, the purpose of which is to provide to the Board an interest rate basis, cash flow basis or other basis from that provided in the Bonds for the payment of interest. The stated aggregate notional amount under all such agreements authorized hereunder shall not exceed the principal amount of the Bonds issued hereunder (net of offsetting transactions entered into by the Board). For purposes of the immediately preceding sentence, "offsetting transactions" shall include any transaction which is intended to hedge, modify or otherwise affect another outstanding transaction or its economic results. The offsetting transaction need not be based on the same index or rate option as the related Bonds or the transaction being offset and need not be with the same counterparty as the transaction being offset. Examples of offsetting transactions include, without limitation, a floating-to-fixed rate interest rate swap being offset by a fixed-to-floating rate interest rate swap, and a fixed-to-floating rate interest rate swap being offset by a floating-to-fixed rate interest rate swap or an interest rate cap or floor or a floating-to-floating interest rate swap.

Any such agreement to the extent practicable shall be in substantially the form of either the Local Currency-Single Jurisdiction version or the Multicurrency-Cross Border version of the current ISDA Master Agreement accompanied by the U.S. Municipal Counterparty Schedule published by the International Swap Dealers Association (the "ISDA") or any successor form published by the ISDA, and in the appropriate confirmations of transactions governed by that agreement, with such insertions, completions and modifications thereof as shall be approved by the appropriate Designated Official executing the same, such execution to constitute conclusive evidence of Board's approval of such insertions, completions and modifications thereof. Amounts payable by the Board under any such agreement shall (i) be payable solely and only from the sources actually pledged to the payment of the Bonds as described in Section 2(b) of this Resolution, or (ii) constitute operating expenses of the Board payable from any moneys, revenues, receipts, income, assets or funds of the Board available for such purpose, as shall be determined by the Designated Official executing the same. Nothing contained in this

Section 4(i) shall limit or restrict the authority of any officer of the Board to enter into such agreements pursuant to prior or subsequent authorization of the Board. Each of the Designated Officials is hereby authorized to take all actions necessary to terminate, amend or modify all or a portion of any interest rate hedge agreements relating to any Outstanding Bonds to be refunded upon a determination that such termination, amendment or modification is in the best financial interest of the Board. Any resultant termination payment due from the Board may be paid from the proceeds of the sale of the Bonds or any other lawfully available funds of the Board.

(j) Either of the Designated Officials is hereby authorized to determine which obligations of or issued on behalf of the Board are to be refunded, in whole or in part on any date, at such times and at such prices as shall be determined by a Designated Official as being in the best financial interests of the Board. For the purpose of providing for the refunding of certain obligations of or issued on behalf of the Board, each of the Designated Officials is hereby authorized to execute and deliver one or more refunding escrow agreements (each, a "**Refunding Escrow Agreement**") on behalf of the Board, attested by the Secretary of the Board, such Refunding Escrow Agreement to be in substantially the form executed and delivered in connection with previous refundings of obligations issued by or on behalf of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Refunding Escrow Agreement. Each of the Designated Officials is hereby authorized to designate a bank or trust company to act as Refunding Escrow Agent under the Refunding Escrow Agreement.

5. *Escrow of Pledged Revenues.* If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreement with a bank, trust company or national banking association having the same qualifications as those set forth in **Section 2(a)** for a Trustee, reflecting the issuance of the Bonds and such segregation of Pledged Revenues and Pledged Taxes as the Designated Official executing such agreement shall deem appropriate.

6. *Pledged Taxes Escrow Direction.* Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code of the State of Illinois, as amended, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), (i) to deposit the collections of the Pledged Taxes as and when extended for collection directly with such escrow agent designated pursuant to **Section 5** in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Taxes. The Designated Officials are directed to file a certified copy of this Resolution with each of the County Collectors within ten (10) days of the passage hereof.

7. *Tax-Exemption and Non-Arbitrage.* Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for Federal income tax purposes, to assure that the Bonds do not constitute "*arbitrage bonds*" or "*private activity bonds*" under the Code, and to effectuate the issuance and delivery of the Bonds, including but not limited to the execution and delivery of a Tax Agreement.

8. *Continuing Disclosure Undertaking.* Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a "**Continuing Disclosure Undertaking**") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution or any Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under the applicable Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

9. *Further Acts.* Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

The President of the School Board is hereby authorized to approve the selection of legal counsel and financial or other professional services providers to be engaged by the Board in connection with the issuance and sale of the Bonds.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

10. *Severability.* The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

11. *Repealer and Effective Date.* All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.
