ATHLETIC ASSOCIATION CONSTITUTION**

**ARTICLE I – NAME:**

This Association shall be known as the Chicago Public High Schools Athletic Association (“Association”).

**ARTICLE II - STATEMENT OF PURPOSE:**

The fundamental purpose of the Chicago Public High Schools Athletic Association shall be to promote and regulate interscholastic athletics for students in Chicago public high schools and participating Chicago charter schools so that participants will enjoy the benefits of physical fitness, teamwork and discipline that involvement in athletics can bring. The Association recognizes high school athletics as an extracurricular activity and asserts that participation in high school athletics is a privilege and not a right for those student-athletes who take part in the variety of sports offered by Chicago’s public high schools. The Association dedicates itself to establishing and maintaining the highest standards of good sportsmanship, fair play and citizenship so that students’ participation in athletic programs enriches their educational experience. The Association also commits itself to a principle of equal access to its interscholastic programs for all Chicago public school students that takes into consideration factors that affect the ability of students to safely participate in Association sponsored athletic events.

To further its fundamental purpose, the Association herein shall fully execute the requirements of its Constitution and Bylaws and promote compliance by all student-athletes, coaches, athletic directors, principals and other school officials. In addition, the Association may from time to time issue regulations which further define and interpret provisions of the Association’s Constitution and Bylaws. While many of the rules set forth therein are consistent with the standards promulgated by the Illinois High School Association (“IHSA”), in those instances where the Association’s rule imposes a stricter standard, the rules of the Association shall govern. In those instances where the Association’s rule imposes a standard consistent with IHSA rules, the Director may use IHSA rule interpretations to guide application of the Association’s rule.
