AMEND BOARD REPORT 10-0428-PR4
AMEND BOARD REPORT 10-0224-PR3

APPROVE THE PRE-QUALIFICATION STATUS OF AND ENTERING INTO AGREEMENTS WITH ARCHITECTURAL/ENGINEERING TO PROVIDE SERVICES

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Approve the pre-qualification status of and entering into agreements with contractors to provide Architectural and Engineering services at a cost not to exceed ~~\$51,000,000~~ \$68,000,000 in the aggregate and approve entering into a written master agreement with each contractor. Contractors were selected on a competitive basis pursuant to a duly advertised Request for Qualifications (Specification No. 09-250074). Written master agreements for contractors are currently being negotiated. No services shall be provided by and no payment shall be made to any contractor prior to the execution of their written master agreement. The pre-qualification status approved herein for each contractor shall automatically rescind in the event such contractor fails to execute the Board's master agreement within 120 days of the date of this Board Report. Information pertinent to these master agreements is stated below.

This April 2010 amendment is necessary to: (i) add a new contractor, Wilkinson Blender Architecture (#93) and (ii) to correct the vendor name and number of Gensler, Architecture, Design and Planning, PC (previously listed as #26, now listed as #92). A written master agreement for the new contractor is currently being negotiated. No services shall be provided by and no payment shall be made to any contractor prior to the execution of their written master agreement. The pre-qualification status approved herein for each contractor shall automatically rescind in the event such contractor fails to execute the Board's master agreement within 120 days of the date of this amended Board Report.

This November 2011 amendment is necessary to increase the Architects/Engineers of Record (A/EOR) base contract period spending authorization limit by \$15,000,000. This increase is the result of an expansion in the number and size of CIP projects as well as the AORs involvement in developing a new bi-annual assessment tool, expedited design cost for late school actions and design of Asset management projects. This amendment is also to reflect that the contract with Nakawatase Wyns and Associates (#56) is terminated. In addition, the following contractors will be deleted from the pre-qualification status: A. Epstein and Sons International, Inc. (#1), AECOM Services (#2), Fanning/Howey Associates, Inc. (#19), Muller and Muller P.C. Ltd. (#55), O'Donnell, Wicklund, Pigozzi & Peterson Architects (#58), Skidmore Owings Merrill (#70) and Gensler Architecture, Design & Planning, Inc. (#26) and (#92). No amendments to the agreements are required.

This December 2012 amendment is necessary to increase the not to exceed amount for the Architects/Engineers of Record (A/EOR) vendor pool by \$17,000,000.00 to support the FY13 Capital budget and anticipated future projects. No written amendments to the agreements are required.

In addition, each firm may also perform any or all of the following services: scheduling, budgeting, site analysis, coordinating CPS construction schedules with the applicable city agencies and solicitation and coordination of specialty consultants, such as geo-technical consultants, as they relate to individually assigned projects. These pre-qualified firms have experience and expertise in performing the required Architectural and Engineering services and the ability to meet the aggressive schedule found in the Capital Improvement Program. The services of these firms are needed to ensure that CPS capital spending for Capital Planning will best serve the needs of the Chicago Public School children and their surrounding communities.

COMPENSATION:

The sum of payments to all pre-qualified contractors for the pre-qualification term shall not exceed the aggregate amount of ~~\$51,000,000~~ \$68,000,000. The sum of payments for FY2013 capital budget and anticipated future projects shall not exceed \$17M.

The Department of Facilities is authorized to receive services from the pre-qualified pool as follows: Contractors are assigned work based upon the contractors experience with the requirements of the jobs.

AUTHORIZATION:

Authorize the General Counsel to included other relevant terms and conditions in the written master agreements. Authorize the President and Secretary to execute the master agreements. Authorize the Chief Operating Officer to execute all ancillary documents required to administer or effectuate the master agreements.

AFFIRMATIVE ACTION:

Pursuant to the Remedial Program for Minority and Women Business Enterprise Participation in Goods and Services Contracts (M/WBE Program), the Per Contract and Category Goals method for M/WBE participation will be utilized. The goals for this pool are 35% MBE and 15% WBE thus, contracts for vendors in the pool will be subject to compliance reviews on a contract-by-contract basis. Aggregated compliance of the vendors in the pool will be reported on a quarterly basis.
