The original Agreement was awarded on a non-competitive basis due to the consultant's qualifications and expertise in providing high-quality professional development in arts integration strategies in core academic areas. The Vendor was written into the original grant proposal submitted to the Department of Education.

OPTION PERIOD:

The term of this agreement is being renewed for one year commencing December 20, 2012, and ending December 19, 2013.

OPTION PERIODS REMAINING:

There are no options to renew remaining.

SCOPE OF SERVICES:

CAPE shall continue to provide professional development, external partnerships, and materials to further build the fine arts and academic programs at six International Baccalaureate schools. CAPE will continue to develop effective partnerships among designated schools with teaching artists, and enhance structures to bring about systemic change in teaching and student achievement. Each school will continue to work with a collaborative team of representative school staff and partner experts. These teams will further develop plans and implement the integrated curriculum and aligned artist residencies for their classrooms. A comprehensive professional development program, directed by CPS and CAPE, will further prepare team members, classroom teachers, and teaching artists for their roles. CAPE will continue to provide a documentation, assessment, and research component that will help the schools and, ultimately, the larger educational community. The work in the six treatment schools will then be held in juxtaposition to three control group schools to evaluate the evidence of the impact of the arts on learning.

DELIVERABLES:

CAPE will continue to design provide professional development for teachers on developing arts-integrated curriculum, including assessment and documentation, working to improve the educational community within schools, and supporting and encouraging school leadership in arts planning. IB-TAP will continue to make significant contributions to the field of arts-integrated education and school reform by developing: (1) high quality, collaboratively developed, arts-integrated curricula that directly impact student learning, (2) structures that effectively support collaboration in schools to improve school culture and teaching practices, and (3) teacher-and-artist-developed assessment tools for evaluating student learning, which other educators can adapt to their needs.

OUTCOMES:

Vendor services on the IB-TAP project will continue to result in several significant areas of teacher growth made possible through a continuum of professional development activities, individual action research studies and collaborative planning with arts and content specialists. As a result of their experiences, teachers will: Increase their proficiency in planning and implementing arts integration within the IB curriculum; Be able to articulate standards and learner profile characteristics in their own area of expertise and in the areas of their partners; Increase their ability to share their work with others and to disseminate best practices; and increase their ability to provide professional development to their peer teachers. As a result of participating in this project, students will develop complex and multi-modal thinking that advances the range and depth of their learning, allowing them to solve problems within different contexts. Students will continue to: Increase their ability to document and reflect on their growth by formally presenting one developmental workbook (a core part of the IB learning process) to their teachers and classmates; Produce art and other academic work that demonstrates an increase in content knowledge; and Show their ability to draw upon accumulated knowledge in the arts and other content areas in creating and presenting original work. There is also a potential for replication of the proposed project and strategies across schools in CPS and beyond.

COMPENSATION:

Vendor shall be paid during this option period as specified in the renewal document; total compensation for the option period not to exceed the sum of \$229,490.00.

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written option document. Authorize the President and Secretary to execute the option document. Authorize the Officer of Academic Enhancement to execute all ancillary documents required to administer or effectuate this option agreement.
