CONTINGENT APPROVAL: Approval to open two new high school campuses in the fall of 2012 and two new high school campuses in the fall of 2013 and the execution of the amendments to the Charter School Agreement are contingent upon a final review and approval of the new high school proposals, an assessment of the District's need for these charter school campuses based upon demographics and student demands, evidence of community support, any required subsequent public hearings, and Board approval of the proposed school sites. Approval of the 2012 and 2013 campuses is also contingent upon the school operator meeting benchmarks established by the Office of Innovation and Incubation. These benchmarks will be communicated to the school operator in a formal Letter of Conditions with all deadlines to be met by March 15, 2012 for 2012 campuses, and March 15, 2013 for 2013 campuses. The Office of Innovation and Incubation will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the approval to open these new campuses. A final review of these new campus proposals will be conducted by the Chief Executive Officer on or before April 15, 2012 for 2012 campuses, and April 15, 2013 for 2013 campuses to determine final approval or denial of the new campus proposals. The CEO's recommendation to approve the new high school campuses will be subject to Board approval as indicated by subsequent amendments to this Board Report.

All sites for the 2012 and 2013 campuses must be located in high need or overcrowded communities.

Final approval of Noble Street Charter School – Noble Exeter Academy Campus is contingent upon the Noble Network of Charter Schools submitting information regarding parent and community engagement, the proposed educational plan, school leadership, and a viable permanent facility by April 1, 2014. The specifics regarding these contingencies and the requested submission will be communicated by the Chief Executive Officer or her designee to the Noble Network of Charter Schools in a formal Letter of Conditions. The Board hereby directs

the Chief Executive Officer or her designee to monitor the deadlines set forth in the Letter of Conditions, oversee the evaluation of the submission by the Noble Network of Charter Schools, and provide a written report regarding compliance with the Letter of Conditions to the Board by May 1, 2014. Thereafter, this will be re-presented to the Board for a determination regarding whether the contingencies have been satisfied. Failure to meet this contingency according to the terms set forth in the Letter of Conditions may, at the option of the Board, result in the rescission of the authority granted herein.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Noble Street's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the seven campuses in which teaching and learning, leadership and governance, learning communities and services provided to English Language Learners and students with special needs were assessed. A public hearing was conducted on December 4, 2008 to receive public comment on the application to renew the Charter School Agreement with Noble Network of Charter Schools for an additional five years. There was no public testimony, oral or written, from anyone in opposition of the renewal of Noble Network of Charter Schools. Since 2004-2005, the charter school's attendance rate has exceeded 94%. In 2007-2008, zero percent of students at the Noble Street campuses dropped out of school. While Noble Street experienced a slight decline in the percent of students meeting/exceeding state standards on the PSAE Composite, Noble Street's average ACT Composite score has stayed above an 18. In 2007-2008, Noble Street's graduation rate (88.2%) ranked in the top 20 percent of district high schools. From 2004-2005 to 2007-2008, Noble Street received 37 out of 49 high ratings and 10 out of 49 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. The percentage of high ratings has increased over time. Looking across all of the school performance indicators, Noble Street Charter School can be categorized as "Making Reasonable Progress" toward achieving pupil performance standards using the framework put forth by the district for assessing charter school pupil performance.

RENEWAL TERM: The term of the Noble Network of Charter Schools' charter agreement is being extended for a five (5) year term commencing July 1, 2009 and ending June 30, 2014. The renewal agreement will incorporate specific conditions to be fulfilled by the charter holder and the specific timeframes in which they must be fulfilled.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the written Charter School Agreement and amendment. Authorize the Senior Executive—Director of the Office of New Schools and ~~Innovative Models~~ to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed amended and restated Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the ~~2012-2013 and 2013-2014~~ fiscal year budgets. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY124 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. ~~The cost of 169 additional students in 2012-2013 will be approximately \$1,240,629. These budget figures are based on the revised per pupil funding amounts for FY12.~~
