**SCOPE OF SERVICES:**

The Board has conducted a thorough assessment of the violence-related risks posed to CPS school students both inside and outside of the school. In response to data-based research and community discussions, the Board is executing a safety strategy designed to focus resources on two ultimate goals: 1. Reduce the likelihood that high-risk Chicago Public Schools students will become victims of violent incidents; and, 2. Create a safe, secure, and supportive school environment to increase student attendance and improve academic performance. To achieve these goals, the Board has outlined the Safe Passage program to help ensure safety students travel. The vendors will continue to provide the following Safe Passage Services: 1. Community Watchers: vendors will deploy Safe Passage staff ("Community Watchers" or "Watchers") throughout Board-designated safety routes to supervise students traveling to

and from school grounds. Such supervision will occur during school arrival and dismissal times or solely during dismissal times. Such supervision will vary depending on the individual school's arrival and dismissal times. II. Outreach Management Services: Vendors may be asked to provide outreach services for students with five (5) or more unexcused absences. Outreach services will include the administration of assessments to uncover the circumstances associated with students' absences and the communication of the results of such assessment to the appropriate entities. All Safe Passage vendor staff must satisfy the CPS and statutory requirements for individuals who have access to students, which includes background checks.

**DELIVERABLES:**

Community Watchers' duties will, continue to consist of: 1) Reporting to daily assigned post(s) to assist students as they travel to and from bus stops and board necessary buses; 2) Monitoring designated "hot spots" for suspicious behavior and potential conflicts; 3) Collaborating with the CPD and CPS and instantly reporting any known or potential conflicts to the CPD and CPS; 4) Submitting a daily electronic incident report as well as a weekly electronic report that will include the number and description of incidents, responses to incidents, a list and description of troubled buildings, and an explanation of potential conflicts the Community Watchers suspect will occur in the near future; and 5) Wearing a uniform and/or having official identification that clearly identifies their status as Community Watchers.

**OUTCOMES:**

Vendors' services will result in: 1) increased student attendance, 2) decreased violent incidents involving CPS students, and 3) increased student perception of safety traveling to and from school.

**COMPENSATION:**
