**RESOLUTION BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO REGARDING THE
SETTLEMENT OF CHICAGO TEACHERS UNION GRIEVANCE NUMBER 10-08-140, BROUGHT
ON BEHALF OF ANDRE COPELAND, TENURED TEACHER, ASSIGNED TO AVALON PARK
ELEMENTARY SCHOOL**

WHEREAS, in March 2010, the Chicago Teachers Union ("CTU") filed Grievance No. 10-03-185 ("Grievance One") on behalf of Andre Copeland ("Copeland"), a tenured teacher assigned to Avalon Park Elementary School, alleging, among other things, that former Avalon Park Principal, Shontae Higginbottom ("Higginbottom"), issued Copeland an "unsatisfactory" efficiency rating (during the 2009-2010 school year) in retaliation for his having engaged in concerted activity;

WHEREAS, Arbitrator Steven Briggs ("Arbitrator Briggs") ruled that Higginbottom had, in fact, given Copeland the "unsatisfactory" rating because Copeland had filed multiple grievances against her during the 2009-2010 school year;

WHEREAS, Arbitrator Briggs ordered the Board "to rescind the 'unsatisfactory' rating and expunge all reference to that rating from [Copeland's] official file(s)," and the Board has implemented that arbitration Award;

WHEREAS, approximately four months after the CTU filed Grievance One, Copeland was laid off, out of order of seniority, because of his "unsatisfactory" rating and as part of the massive economic layoffs in 2010;

WHEREAS, the CTU then filed Grievance No. 10-08-140 ("Grievance Two"), challenging the legality of Copeland's layoff;

WHEREAS, there is no dispute that Copeland would not have been laid off in 2010, but for his "unsatisfactory" rating, and that Arbitrator Briggs's Award erases that rating, leaving Copeland with a "no rating" for the 2009-2010 school year; and

WHEREAS, the Board and Copeland executed a settlement and general release agreement in December 2012, in which Copeland agreed to withdraw Grievance Two and grant the Board a general release in exchange for reinstatement back pay

WHEREAS, the Board reinstated Copeland to Avalon Park on July 1, 2012, in order to cut off his back pay damages.

NOW THEREFORE, be it resolved by the Board of Education of the City of Chicago, as follows:

Section 1: Andre Copeland is hereby granted full back pay in the amount of \$171,837.34, minus any and all interim earnings.

Section 3: This Resolution shall take full force and effect upon its adoption.

FINAL

APPROVE PROPOSALS FOR ALTERNATIVE EDUCATION OPTIONS FROM THE CALL FOR QUALITY SCHOOLS

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING DECISION:

That the Board approve proposals for alternative education schools and services identified in Appendix A and approve entering into written performance agreements for the operation of alternative contract schools or Alternative Learning Opportunities Programs, as appropriate.

DESCRIPTION: In June 2012, the CEO made available the Call for Quality Schools to solicit responses from parties interested in providing a range of new school proposals, including alternative education school services as charter schools, contract schools or Alternative Learning Opportunities Program (ALOP) service providers. Proposals were evaluated using the criteria and standards set forth in the Call for Quality Schools.

A Public Hearing to review the proposals identified in Appendix A was held on January 18, 2013 at 5:00 p.m. in the Board Chambers located at 125 S. Clark St., 5th Floor, Chicago, Illinois 60603. The hearing was recorded and a summary report is available for review.

CONTINGENT APPROVAL: Final authorization of any proposals approved herein is contingent upon the school operators and service providers meeting benchmarks identified by the Network of Alternative Schools and the Office of New Schools including, but not limited to, the identification of a school site and a process of community engagement. These benchmarks will be communicated to the school and program operators in a formal Letter of Conditions with all deadlines to be met by April 15, 2013. The Alternative Network, in collaboration with the Office of New Schools, will oversee the enforcement of these deadlines. Failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein.

FINANCIAL IMPACT: If approved, these schools and programs will create 662 new ALOP seats at an estimated cost of approximately \$2.5 million.

Based on past enrollment patterns in ALOP programs, an estimated 50% of the new ALOP seats (331 seats) will be filled with students who would not otherwise be served by another CPS school. The other 50% will be filled by students transferring from other schools within the district.

When a student transfers from a district school to an ALOP program, the increased costs of the ALOP program are offset by a corresponding decrease in funding at the district school. There is no net cost increase to the Board as a whole.

However, the estimated 50% of seats filled by students who would not otherwise be served by another district school because they have dropped out are considered additions to district's overall enrollment and create additional costs for the Board without a corresponding cost offset.

Therefore, using the FY 13 charter high school tuition rate (\$7,587) as an estimate of the cost per seat, the net cost of the new ALOP seats will be approximately \$2.5 million in FY14. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures in FY 14 and beyond are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

Assuming that district enrollment will increase by 331 students, these students will be included in the average daily attendance ("ADA") counts, which will increase the amount of general state aid that the district receives. However, there is a one-year delay in revenue; additional ALOP students served in FY 14 will not generate revenue for the district until FY 15. Furthermore, the additional state revenue gained from addition ALOP enrollment will not be enough to offset the additional costs of serving those students.

AMEND BOARD REPORT 12-0725-EX4
AMEND BOARD REPORT 12-0328-EX14
APPROVE THE RENEWAL OF THE CHARTER SCHOOL AGREEMENT WITH
YOUTH CONNECTION CHARTER SCHOOL**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

Approve the renewal of the Charter School Agreement with Youth Connection Charter School for an additional 3-year period. A new Charter School Agreement applicable to this renewal term will be negotiated. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education. Information pertinent to this renewal is stated below.

This July 2012 amendment is necessary to (a) relocate the Charles Hamilton Houston Alternative High School to 4701 S. King Drive, (b) remove the Rudy Lozano Leadership Academy from the list of YCCS Campuses, (c) relocate the Innovations High School of Arts Integration to 17 N. State Street and (d) correct the at capacity enrollment at each of the YCCS Campuses. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this amended Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This August 22, 2012 amendment is necessary to establish a new campus at 9035 S. Langley to open in the fall of 2012. This campus will be called the YCCS Chatham Academy and will serve a maximum of 141 students. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this amended Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This January 2013 amendment is necessary to remove the Paul Simon Academy (Job Corps) from the list of YCCS Campuses. The 40 seats that were once allocated to the Paul Simon Academy (Job Corps) shall now be distributed across the following 5 YCCS Campuses: Dr. Pedro Albizu Campos Puerto Rican High School (5 seats), Community Services West-Community Christian Academy (5 seats), Innovations High School of Arts Integration (5 seats), West Town Academy Alternative High School (15 seats), and Howard Area Alternative High School (10 seats). This amendment is also necessary to relocate the Charles Hamilton Houston Alternative High School from its current location at 4701 South King Drive to 7847 South Jeffrey Boulevard, effective January 31, 2013. This move is required because it has been determined that the current location at 4701 South King Drive is not properly zoned for a school. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this amended Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

CHARTER RENEWAL PROPOSAL: Youth Connection Charter School submitted a renewal proposal on September 1, 2011, to continue the operation of a multi-campus charter school serving dropouts throughout the city under a unified mission. The Charter School shall serve grades 9 through 12 with a maximum enrollment of 4,004 students.

The agreement incorporates an accountability plan in which the charter school is evaluated by the Board each year based on numerous factors related to academic, financial and operational performance.

In May 2012, YCCS submitted a material modification to do the following: (a) relocate the Charles Hamilton Houston Alternative High School to 4701 S. King Drive, (b) remove the Rudy Lozano Leadership Academy from the list of YCCS Campuses, (c) relocate the Innovations High School of Arts Integration to 17 N. State Street and (d) correct the at capacity enrollment of each of the YCCS Campuses. A public hearing on these proposed changes was held on Monday, July 16, 2012. This campus will be called the YCCS Chatham Academy and will serve 141 students. A public hearing on these proposed changes was held on Tuesday, August 14, 2012. The hearing was recorded and a summary report is available for review.

In October, 2012, YCCS submitted a material modification to remove the Paul Simon Academy (Job Corps) from the list of YCCS Campuses. In December, 2012, YCCS submitted a material modification to relocate the Charles Hamilton Houston Alternative High School from its current location at 4701 South King Drive to 7847 South Jeffrey Boulevard, effective January 31, 2013. This move is required because it has been determined that the current location at 4701 South King Drive is not properly zoned for a school. A public hearing to receive comments on these proposed changes was held on Wednesday, January 9, 2013. The hearing was recorded and a summary report is available for review.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Portfolio Office conducted a comprehensive evaluation of Youth Connection Charter School's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the Westside Holistic Leadership Academy, Innovations High School of Arts Integration, Association House-El Cuarto Año, ASPIRA-Antonia Pantoja, Latino Youth Alternative High School, YCCS Virtual High School, Community Services West-Community Christian Academy, Sullivan House Alternative High School, Jane Addams, Dr. Pedro Albizu Campos Puerto Rican High School, and the Paul Simon Academy-Job Corps campuses in which teaching and learning, leadership and governance, and learning communities were assessed. A public hearing was conducted on Tuesday, March 20, 2012 to receive public comments on the application to renew the Charter School Agreement with Youth Connection Charter School for an additional three years. In addition, the Portfolio Office evaluated the school's student performance. From 2007-2008 to 2010-2011, Youth Connection Charter School received 10 out of 43 high ratings and 19 out of 43 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing alternative school charter school pupil performance. From 2007-2008 to 2010-2011, Youth Connection Charter School's attendance averaged approximately 77%. The committee recommends that, based on the school's performance on these and other accountability criteria, Youth Connection Charter School be authorized to continue operating as a charter school.

RENEWAL TERM: The term of Youth Connection Charter School's charter and agreement is being extended for a three (3) year term commencing July 1, 2012 and ending June 30, 2015.

ADDITIONAL TERMS AND CONDITIONS: Additional terms and conditions will be communicated to the charter school and included as an attachment to the Charter School Agreement with Youth Connection Charter School.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the written Charter School Agreement. Authorize the Executive Director of the Office of New Schools and Programs to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2012-2013 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY12 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

GENERAL CONDITIONS:

Inspector General - Each party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

Indebtedness - The Board's Indebtedness Policy adopted June 26, 1996 (96-0626-PO3), as amended from time to time, shall be incorporated into and made a part of the agreement.

FINAL

**APPROVE CALL FOR QUALITY SCHOOLS PROPOSALS
FOR CHARTER SCHOOLS WITH 2014 OPENINGS**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING DECISION:

That the Board approve the Call for Quality Schools charter school proposals identified in Appendix A. The proposals in Appendix A were deferred items from the December 19, 2012 Board Meeting agenda, under Board Report 12-1219-EX3.

DESCRIPTION:

In accordance with Section 27A-8(c) of the Illinois Charter Schools Law, in June 2012 the Board made available the Call for Quality Schools to solicit responses from parties interested in starting schools or providing turnaround services. School proposals were submitted on August 13, 2012. Proposals were evaluated pursuant to the standards set forth in the Call for Quality Schools.

Public Hearings to review these school proposals were held on December 13, 2012 and January 18, 2013.

CONTINGENT APPROVAL:

Final authorization of any proposals approved herein is contingent upon the school operator meeting benchmarks identified by the Office of New Schools including, but not limited to, the identification of a school site. These benchmarks will be communicated to the school operators in a formal Letter of Conditions. Failure to meet these benchmarks according to the timeline designated in the Letter of Conditions may, at the option of the Board, result in the rescission of the authority granted herein.

AUTHORIZATION:

For the charter school proposals received under the 2012 Call for Quality Schools process, authorize the Executive Director of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder.

APPENDIX A: CALL FOR QUALITY SCHOOLS PROPOSALS TO BE APPROVED

Name	Type	Grades	# of Schools	Expected Opening
Foundations	Charter	6-12	1	Sept 2014
Orange	Charter	K-8	1	Sept 2014

The Secretary presented the following Statement for the Public Record:

And the next item on the agenda, Mr. President, is as indicated earlier the deferred action items from the December 19th Board meeting for the two charter schools for Foundations and Orange, and I understand we will be taking a separate vote on those matters.

To begin with, I would like to note for the record that the actual Board Report that was on the Agenda will be revised. In terms of the appendix for Foundations, the grade levels were noted as 6 to 8, and the correction should be grade levels 6 through 12. So that final would be included in the action.

I would also like to note for the record and read into the record conditions for these two charter schools, beginning with Foundations. The conditions for Foundations College Prep Charter School:

1. School will open with middle grades only in year one and eventually grow to serve grades 6 through 12.
2. Principal must participate in a mentorship training program with a focus on developing high school level school leaders.
3. Board must expand to include members with demonstrated development fund-raising capacity.
4. 2014 opening to allow for satisfaction of conditions.

President Vitale indicated that if there were no objections, the Approval for Foundations College Prep Charter School, with the conditions noted, would be adopted by the last favorable roll call vote, all members present voting therefore.

President Vitale thereupon declared the Approval for Foundations College Prep Charter School adopted (Board Report 13-0123-EX4).

The Secretary proceeded with the Approval for Orange Charter School.

The Secretary presented the following Statement for the Public Record:

I would also like to note for the record the conditions for the Orange Charter School, and they are:

1. A principal candidate must be identified who has verifiable and measurable leadership within the elementary school population similar to the children in our communities.
2. The school's proposed budget must be revised with more realistic fund-raising goals and/or identified means to secure funds including current financial commitments.
3. The school must choose a community to focus their location and be able to demonstrate clear need in that community from students, families, and community leaders.
4. 2014 opening to allow for satisfaction of conditions.

President Vitale indicated that if there were no objections, the Approval for Orange Charter School, with the conditions noted, would be adopted by the last favorable roll call vote, all members present voting therefore.

President Vitale thereupon declared the Approval for Orange Charter School adopted (Board Report 13-0123-EX4).

ESTABLISH A PRINCIPAL EVALUATION PLAN

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

The establishment of a Principal Evaluation Plan for the annual evaluation of Principals by the Chief Executive Officer or designee.

DESCRIPTION: The Uniform Principal's Performance Contract also requires that Principals be evaluated annually. In addition, P.A. 96-861, the Performance Evaluation Reform Act of 2010 (PERA) requires the General Superintendent or her designee to develop and implement a performance evaluation system to assess all Principals annually beginning in the 2012-2013 school year based on the following two significant factors: (i) Principal professional practice, and (ii) measures of student growth based on academic assessments.

The Principal Evaluation Plan attached hereto and made a part of hereof, shall supersede the Principal Evaluation Form and Guidelines previously established by the Board under Board Report 08-1022-EX2 and will be utilized by the Chief Executive Officer or designee beginning with evaluations conducted in the 2012-2013 school year. To ensure continuous improvement of the principal evaluation process, the Chief Executive Officer or her designee may modify and re-issue, as necessary, a revised Principal Evaluation Plan in accordance with Section 5/34-8 of the Illinois School Code.

The Principal Evaluation Plan includes the following components for evaluating Chicago Public School Principals:

- a) *Student Growth Measurements:* a set of metrics established by the Chief Executive Officer or designee measuring changes in student outcomes under the Principal's leadership;

Each of the vendors listed above is identified in the grant. These organizations will be providing coordinated programming and working on comprehensive strategies to improve the school and community environment through increasing student access to healthy foods, smoke-free air, social and emotional learning and physical activity. Chapin Hall will provide ongoing program evaluation, including a report detailing the successes and challenges of the Healthy CPS program, documenting the changes that occur due to coordinated program.

Chicago Park District will provide services for early childhood students to increase their physical activity levels, increasing the amount of physical activity students are exposed to, and offering a continuity of programming.
