**Section 3. Effectiveness.** This Resolution is effective immediately upon its adoption and will remain in effect through August 29, 2014 or until the FY 2015 budget is adopted by the Board if that is prior to August 29, 2014.

**RESOLUTION AUTHORIZING PAYMENT TO VARIOUS PROVIDERS FOR  
PROPORTIONATE SHARE SPECIAL EDUCATION SERVICES TO  
PARENTALLY-PLACED PRIVATE SCHOOL STUDENTS WITH DISABILITIES**

**WHEREAS**, to meet the requirements of the federal Individuals with Disabilities Education Act (IDEA), every year the District must expend a proportionate share of federal IDEA funds by and through a public school program that provides and ensures equitable special education services for eligible parentally-placed private school students with disabilities [20 U.S.C. 1412(a)(10); 34 CFR §§300.130-300.144];

**WHEREAS**, the formula for determining the proportionate share amount is based on the total number of eligible parentally-placed students with disabilities ages 3 through 21 attending private schools located in the City of Chicago in relation to the total number of eligible public and private school students with disabilities ages 3 through 21 in the District's jurisdiction;

**WHEREAS**, IDEA requires the District to undertake Child Find activities to identify and evaluate parentally-placed private school students to determine their IDEA eligibility, to ensure an accurate count of eligible parentally-placed private school students with disabilities and ensure their equitable participation in proportionate share special education and related services;

**WHEREAS**, the District's allocations for proportionate share are determined by state and federal formulas and subject to annual appropriation with budget approval for FY2015-FY2019 occurring as part of annual budget adoption process. Proportionate share is required to provide IDEA special education services;

**WHEREAS**, the District, by and through the Office of Diverse Learner Supports and Services and the Office of Grant Funded Programs engages in timely and meaningful consultation with officials from private schools, as required by IDEA, by: (a) conducting needs assessments with the various 240+ private schools; (b) meeting with private schools to administer Child Find activities; (c) meeting with private school affiliate groups to discuss annual proportionate share determinations, planning, program implementation, administration and fiscal updates and the day-to-day operation of program services; (d) identifying special education services offered under the program such as instructional, social work, occupational therapy, physical therapy, speech-language, assistive technology, nursing, psychology, augmentative communication, counseling, audiology or vision; (e) identifying how, where and by whom the special education and related services will be provided to eligible students with Service Plans; and (f) establishing how the special education and related services will be monitored and assessed for effectiveness;

**WHEREAS**, the District, in collaboration with private school representatives, establishes a Service Plan for each eligible student based on the evaluation/assessment of student's special education needs conducted by the District during the Child Find process;

**WHEREAS**, pursuant to IDEA, proportionate share special education services may be provided directly by the District or by third party providers engaged by the District; and since FY2012, proportionate share services have been provided under a District program managed by the Office of Grant Funded Programs and the Office of Diverse Learner Supports and Services that engages third party service providers;

**WHEREAS**, the Office of Grant Funded Programs operates a process, in collaboration with the Office of Diverse Learner Supports and Services, to ensure that each request for proportionate share special education and related services: (a) is received pursuant to a Service Plan; (b) is allowable, reasonable and necessary; (c) is in compliance with federal regulations and guidelines applicable to such services and expenditures; and (d) to the extent feasible and practicable, is fulfilled by engaging a third party provider under an existing District contract;

**WHEREAS**, Board Rule 7-2.2 specifies that payments of proportionate share federal education funds for the purchase of goods and services for eligible private school students under various Federal title programs are not subject to the competitive procurement requirements set out in Board Rule 7-2 and further that the Chief Executive Officer and Chief Education Officer may authorize such expenditures up to \$75,000. Any expenditure that exceeds \$75,000 requires Board approval; and

**WHEREAS**, in accordance with Board Rule 7-2.2, the Board wishes to authorize payment of FY2015-FY2019 proportionate share funds to various third party providers for the provision of special education services to eligible parentally-placed private school students with disabilities.

**NOW THEREFORE BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO THAT:**

3. The Executive Director, or her designee, the Office of Grant Funded Programs is authorized to execute written documents such as quotations from third party providers, statements of work, purchase order requests and other ancillary documents necessary to authorize the purchase of proportionate share special education and related services in accordance with IDEA guidelines, including those purchases in excess of \$75,000.
4. After approval by the Executive Director, or her designee, the Office of Grant Funded Programs is authorized to make payments, including those in excess of \$75,000, to various third party providers for costs associated with the provision of proportionate share special education and related services to eligible private school students under a Service Plan.
5. This Resolution authorizes the payment of invoices in IDEA FY2015-FY2019 from July 1, 2014 until August 31, 2020 for proportionate share special education services to eligible private school students.

PROPORTIONATE SHARE OF TITLE I, II AND III GOODS, MATERIALS AND SERVICES TO  
PRIVATE SCHOOL STUDENTS**

**WHEREAS**, to meet the requirements of the federal Elementary and Secondary Education Act (ESEA), every year the District must expend a proportionate share of federal education funds by and through a public school program that provides and ensures equitable services for eligible students enrolled in a private school located within the City of Chicago and for the professional staff who serve these students [20 U.S.C. 7881 et seq.; 20 U.S.C 6320 et seq.];

**WHEREAS**, the ESEA proportionate share requirements apply to the District's federal formula grants for Title I – Part A (disadvantaged students), Title I – Part D (neglected students), Title II (teacher quality), Title III (limited English proficient students);

**WHEREAS**, the District's allocations for proportionate share are determined by state and federal formulas and subject to annual appropriation with budget approval for FY2015-FY2019 occurring as part of annual budget adoption process. Proportionate share is required to provide goods, materials and services for participating private school students and staff under the following Title programs:

- (a) Title I – Part A - disadvantaged students (goods, materials, off-site services)
- (b) Title I – Part D - neglected students
- (c) Title II – teacher quality; and
- (d) Title III – limited English proficient students

**WHEREAS**, expenditures for goods, materials, services and allowable teacher stipends under the Titles noted above are collectively referred to in this Resolution as “proportionate share goods, materials and services” and it is further acknowledged that final proportionate share amounts for each Title for FY 2015-FY2019 will be identified by the Illinois State Board of Education and reported to the District;

**WHEREAS**, this Resolution addresses Title I – Part A (off-site services) expenditures which is distinguishable from the provision of proportionate share Title I – Part A (on-site services) which expenditures are authorized under a separate Board Report 12-0723-ED3 in order to comply with federal procurement and program management obligations;

**WHEREAS**, the District, by and through the Office of Grant Funded Programs engages in timely and meaningful consultation with officials from private schools, as required by ESEA, by (a) conducting needs assessments with the various 240+ private schools; (b) meeting with private school affiliate representatives to discuss annual proportionate share determinations, planning, program implementation, administration and fiscal updates and the day-to-day operation of program services; (c) identifying what goods, materials and services will be offered under the program and how, where and by whom they will be provided; and (d) establishing how the services will be assessed and how the results will be used for improvements;

**WHEREAS**, in the provision of equitable services for eligible private school students and teachers, federal regulations specify that the District is required to make all final decisions in administering the program and obligating federal funds and that the role of the private school officials is only to offer suggestions for program design and recommendations on services, programs, materials they would like the District to consider purchasing or providing under the program;

**WHEREAS**, the Office of Grant Funded Programs administers a process to ensure that each request for goods, materials or services under this proportionate share program: (a) is allowable, reasonable and necessary; (b) is in compliance with federal regulations and guidelines applicable to such services and expenditures; and (c) to the extent feasible and practicable, is fulfilled by engaging a third party provider under an existing District contract;

**WHEREAS**, Board Rule 7-2.2 specifies that payments of proportionate share federal education funds for the purchase of goods and services for eligible private school students under various Federal title programs are not subject to the competitive procurement requirements set out in Board Rule 7-2 and further that the Chief Executive Officer and Chief Education Officer may authorize such expenditures up to \$75,000. Any expenditure that exceeds \$75,000 requires Board approval; and

**WHEREAS**, in accordance with Board Rule 7-2.2, the Board wishes to authorize payment of FY2015-FY2019 proportionate share funds to various third party providers for the provision of proportionate share goods, materials and services to eligible private school students and staff as set out in this Resolution.

**NOW THEREFORE BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO THAT:**

The Office of Grant Funded Programs shall operate a program to provide proportionate share Title I, II and III goods, materials and services for eligible students enrolled in private schools located in the City of Chicago and for the professional staff who serve these students in accordance with ESEA requirements.
2. The Executive Director, or her designee shall ensure meaningful consultation with officials of Chicago private schools and their affiliate representatives and the engagement of third party providers to provide allowable, reasonable and necessary proportionate share goods, materials and services. Nothing in this Resolution prohibits the Executive Director or designee from negotiating service rates with third party providers.
3. The Executive Director, or her designee, the Office of Grant Funded Programs is authorized to execute written documents such as quotations from third party providers, statements of work, purchase order requests and other ancillary documents necessary to authorize the purchase of proportionate share goods, materials or services under these title programs in accordance with federal guidelines, including those purchases in excess of \$75,000.

After approval by the Executive Director, or her designee, the Office of Grant Funded Programs is authorized to make payments, including those in excess of \$75,000, to various third party providers for costs associated with the provision of proportionate share goods, materials and services to eligible private school students and staff.

6. The authority granted in this Resolution ends August 31, 2020.

**STUDENT CODE OF CONDUCT**  
**Effective September 2, 2014**

**PURPOSE**

The Chicago Public Schools (CPS) Student Code of Conduct (SCC) supports our schools in maintaining safe, nurturing, participatory and productive learning environments. In order to maximize learning time and promote positive behaviors, every school must establish multi-tiered systems of support for students' social, emotional and behavioral needs. This includes developing clear expectations, teaching social-emotional competencies, and fostering positive relationships among all members of the school community. Chicago Public Schools is committed to an instructive, corrective, and restorative approach to behavior. If behavior incidents arise that threaten student and staff safety or severely disrupt the educational process, the response should minimize the impact of the incident, repair harm, and address the underlying needs behind student behaviors. In accordance with the SCC, all disciplinary responses must be applied respectfully, fairly, consistently, and protect students' rights to instructional time whenever possible.

## GENERAL REQUIREMENTS

The SCC applies to students at all times during the school day, while on school property, while traveling to and from school, at any school-related event, on any vehicle funded by CPS (such as a school bus), and while using the CPS network.<sup>1</sup>

The SCC also applies to student behavior outside of school if: (1) a student engages in a Group 5 or 6 behavior, and (2) the behavior disrupts or may disrupt the educational process or orderly operation of the school. This includes seriously inappropriate behavior on social networking websites that disrupts or may disrupt the educational process or orderly operation of the school.

To address inappropriate behavior, school administrators must comply with the *Guidelines for Effective Discipline* which shall be issued by the Office of Social & Emotional Learning. At a minimum, a principal or his/her designee must:

- 1) **Redirect to correct behavior.** All adults should redirect students to correct inappropriate behavior and minimize the likelihood of the behavior escalating or recurring.
- 2) **Intervene** to minimize disruption, resolve conflict, and as necessary to keep students and staff safe. If a student has been injured, make every reasonable effort to immediately notify the parents/guardians.
- 3) **Gather information** by talking to all students, teachers, school staff, or other witnesses to the incident. When student misbehavior is reported to the school principal or designee, an investigation must begin no later than the next school day. If a search of the student, his/her locker, desk, or personal belongings needs to be conducted, follow the Board's Search and Seizure Policy (<http://policy.cps.k12.il.us/documents/409.3.pdf>). Identify factors that may have contributed to the incident and seek to understand the full context.
- 4) **Analyze** whether the student's alleged behavior falls within the SCC using the information gathered. If so, determine the Group level of disruption caused by the inappropriate behavior, identify the inappropriate behavior listed, and consider the range of possible interventions and consequences.
- 5) **Discuss** with the student and **provide the opportunity to explain** his/her actions.
  - a) Inform the student of the inappropriate behavior s/he may have exhibited, the applicable SCC behavior category, and the range of possible interventions and consequences.
  - b) Allow the student to respond and explain his/her actions.
  - c) Make reasonable efforts to contact the parents/guardians and discuss the incident with them before assigning interventions and consequences.
  - d) No student shall be sent home before the end of the school day unless the school has established contact with the student's parent/guardian and provided written notice of a suspension.
- 6) **Make a determination and assign interventions or consequences** according to the SCC.
  - a) Determine whether it is more likely than not that the student engaged in the identified SCC inappropriate behavior and the intervention or consequence most likely to address the cause of the behavior.
  - b) The principal or designee has the final authority to assign interventions and consequences based on his/her independent assessment of the best interest of the school community, including available school resources, the needs of any student or staff harmed, and the rights of the student engaged in inappropriate behavior, in alignment with the SCC.
  - c) Follow the special procedures contained in the Procedural Safeguards section for students with disabilities and students with Section 504 Plans.
  - d) Avoid consequences that will remove the student from class or school, if possible. **Use out-of-school suspensions as a last resort and only when in-school interventions and consequences are insufficient to address the student's inappropriate behavior.**

---

<sup>1</sup> The CPS network means systems, computer resources, and infrastructure used to transmit, store, and review data or communicate over an electronic medium and includes, but is not limited to, the E-mail system(s), collaboration systems, databases, hardware, telecommunication devices, information systems, internet service, distance learning tools, the CPS intranet system or CPS mainframe systems, whether owned or contracted by the Board or otherwise used for school purposes. Students are subject to the requirements in the Policy on Student Acceptable Use of the CPS Network (<http://policy.cps.k12.il.us/documents/604.2.pdf>).

- e) If a student is suspended, the principal or his/her designee may choose to give the student a combination of out-of-school and skill-building in-school suspension days. The out-of-school suspension must be served first and the combined total of out-of-school and in-school suspension days must not exceed the limits available for each Group level.
  - f) School staff members must not use public disciplinary techniques and must respond to inappropriate student behavior as confidentially as possible.
  - g) No restrictions may be placed on food options or recess activities as a behavior consequence. Silent group lunches are expressly prohibited.
- 7) **Complete report** in IMPACT for all inappropriate behaviors under the SCC. Hand-deliver to the parents/guardians or mail a copy of the misconduct report to the student's home address.
- 8) **Inform parents/guardians of their right to appeal** if they believe that the consequence is unwarranted or excessive.
- a) The parents/guardians have the right to ask the principal to review the consequence assigned and to reconsider the decision.
  - b) If a student has been suspended or referred for an expulsion hearing, the parents/guardians may appeal by contacting the Office of Family & Community Engagement (FACE) at 773/553-FACE (773/553-3223) or the Network Chief of Schools ("Network Chief") or his/her designee. The Network Chief or designee will review the appeal and determine:
    - whether any factual errors were made in the principal's investigation,
    - whether the documentation of the student's behavior aligns to the recorded SCC behavior category,
    - whether prior interventions were attempted when appropriate,
    - whether the length of the suspension was commensurate with the student's inappropriate behavior, and
    - in the case of a request for an expulsion hearing, whether the request was appropriate.
 The Network Chief or designee's decision shall be final. The term of a student's suspension or request for an expulsion hearing is not halted by the parents/guardians' appeal.
  - c) If a student has been expelled, the parents/guardians may appeal the final determination in writing and send additional evidence not available at the time of the expulsion hearing to the Chief Executive Officer's designee, the Department of Student Adjudication (773/553-2249). The decision of the CEO or designee regarding the appeal shall be final. The start of a student's expulsion is not delayed by the parents/guardians' appeal.
- 9) **Restore** the student's participation in the school community.
- a) If the student received an out-of-school suspension for three (3) or more days, the principal or designee must develop a plan to support the student's transition back into the school community, including strategies for preventing future behavior incidents, restoring relationships, and addressing the student's ongoing social, emotional, and academic needs, with input from the student and parents/guardians. For more information, see *Guidelines for Effective Discipline*.
  - b) When a student is set to return from an expulsion and has been attending the Safe Schools Alternative Program, school administrators must attend a transition meeting, which should include the student, parents/guardians, and alternative school staff members, to discuss the student's return and prepare for a successful transition.

## **SUSPENSION GUIDELINES**

Students in grades pre-kindergarten through second may NOT be assigned in-school or out-of-school suspensions. If a student in pre-kindergarten through second grade exhibits behavior that presents an imminent endangerment to the physical, emotional, or mental safety of specific students/staff, the Network Chief or designee may grant an exception and assign an emergency one-day in-school or out-of-school suspension after the student's parent/guardian has been notified. During the suspension, the principal or designee must develop a plan addressing the safety of students/staff and including strategies for preventing future behavior incidents, restoring relationships, and addressing the student's ongoing social, emotional, and academic needs.

### **Skill-Building In-School Suspension**

A skill-building in-school suspension is the removal of a student from his/her regular educational schedule for more than 60 minutes of the school day to an alternative supervised setting inside the school building to engage in structured activities that develop academic, social, emotional, and/or behavioral skills:

A student in grades third through twelfth may be assigned a skill-building in-school suspension if:

1. Skill-building in-school suspension is listed as an available consequence for the SCC behavior category, and
2. The student was informed of his/her reported misbehavior, provided an opportunity to respond, and reasonable efforts were made to contact the parents/guardians, and
3. A copy of the misconduct report (generated in IMPACT) was provided to the student's parents/guardians.

### **Out-of-School Suspension**

An out-of-school suspension is the removal of the student from class attendance or school attendance. When a student is removed from school in response to an inappropriate behavior, the removal counts as the first day of an out-of-school suspension.

A student in grades third through twelfth may be assigned an out-of-school suspension if:

1. Out-of-school suspension is listed as an available consequence for the SCC behavior category, and
2. The principal or designee determines that the student's attendance at school presents an imminent endangerment to the physical, emotional, or mental safety of specific students/staff and this threat is documented in IMPACT, or
3. The principal or designee determines that the student's behavior has caused chronic or extreme interruption to other students' participation in school activities and prior interventions have been utilized and documented in IMPACT, and
4. The student was informed of his/her reported misbehavior, provided an opportunity to respond, and reasonable efforts were made to contact the parents/guardians, and
5. A copy of the misconduct report (generated in IMPACT) was provided to the student's parents/guardians.

A student serving out-of-school suspension is not allowed to come onto school property, participate in extracurricular activities, or attend school-sponsored events. A student may be considered trespassing if he or she comes onto school grounds while suspended out of school.

Out-of-school suspensions are excused absences. The principal must ensure that a student serving suspension is able to obtain homework, and upon the student's return, provided with the opportunity to make up any quizzes, tests, special projects, or final exams given during the period of suspension.

A student serving suspension must be allowed to take state assessments at school and may participate in test preparation activities with Network Chief approval. The student's attendance will still be marked as suspended. The Network Chief must approve any other exception to the out-of-school suspension guidelines. If approved by the CEO's designee, a student suspended for more than three (3) days may be required to attend a District-sponsored program during the term of suspension.

## POLICE NOTIFICATION GUIDELINES

School administrators contact the Chicago Police Department (CPD) in two situations: (1) to seek assistance with an emergency situation, or (2) to notify law enforcement of a criminal act.

### **Emergency**

School administrators have the responsibility to call 9-1-1 in situations they determine to be emergencies.

In an emergency situation, administrators must make reasonable efforts to notify parents/guardians immediately after contacting CPD.

### **Criminal Acts**

When a student engages in illegal activity, it may be necessary for school staff to report the act to CPD. In this situation, school officials contact CPD to report violations of the law. School officials must not contact CPD merely to request removal of a disruptive student from the school in a non-emergency situation.

In a non-emergency situation, administrators must make reasonable efforts to contact parents/guardians prior to contacting CPD.

The inappropriate behaviors that are clear violations of criminal law are identified in the next section with an asterisk (\*) before the specific inappropriate behavior. The inappropriate behaviors that may be violations of criminal law are identified in the next section with a double asterisk (\*\*) before the specific inappropriate behavior.

School officials must assess the situation before determining whether or not to contact CPD to report a criminal act. School officials should consider factors including:

- Whether the student distributed or was in possession of illegal drugs, narcotics, controlled substances, or "look-alikes" of such substances. If so, CPD must be notified.
- Whether the student was in possession of a firearm.<sup>2</sup> If so, CPD must be notified.
- The severity of the criminal violation and the degree of harm to the school community,
- Whether a person was physically injured as a result of the student's conduct,
- Whether the student presents an imminent danger to the health, safety, or welfare of others, and
- The student's age. For a student in fifth (5<sup>th</sup>) grade or below, school staff must consult with the Law Department (773/553-1700) prior to reporting the act to CPD.

Once school staff members contact CPD, the responding police officers ultimately will determine whether or not to investigate, arrest, and/or take any other steps in response. School principals and staff do not have the authority to decide whether a student will be arrested. Moreover, responding police officers do not have the authority to decide whether a student will receive interventions or consequences at school. The school principal will use the SCC to determine the appropriate intervention(s) and/or consequence(s) to address a student's behavior.

## STUDENT BEHAVIORS COVERED BY THE SCC

This section identifies the specific inappropriate behaviors for which students will receive interventions and/or consequences. The behaviors are listed in six different groups, according to the degree of disruption to the learning environment.

- Group 1 lists behaviors that are *inappropriate*.
- Group 2 lists behaviors that *disrupt*.
- Group 3 lists behaviors that *seriously disrupt*.
- Group 4 lists behaviors that *very seriously disrupt*.
- Group 5 lists behaviors that *most seriously disrupt*.
- Group 6 lists behaviors that are *illegal and most seriously disrupt*.

### ***Special Notes:***

#### Individual School Rules and Academic Progress

Individual schools may develop school rules that are consistent with this SCC and may address inappropriate student behaviors not specifically included in this SCC. However, poor academic achievement is not an inappropriate behavior. The SCC and school rules may *not* be used to discipline students for poor academic progress or failure to complete in-class and homework assignments. Instead, struggling students should be considered for academic or behavioral interventions to help them improve. Also, students must not be disciplined for the parents/guardians' refusal to consent to the administration of medication.

#### Cellular Phones and Other Information Technology Devices<sup>3</sup>

A principal may allow students to possess cellular phones or other information technology devices by creating a school policy identifying when the items may be authorized, used, and how they must be kept. A principal may also prohibit cellular phones and other information technology devices but allow individual students to possess them for any good cause after considering a written request from a parent/guardian. If a principal denies a parent/guardian's request, the parent may appeal to the Network Chief or his/her designee. Unless approved by the principal, cellular phones and other information technology devices are not allowed at school.

#### School Dress Codes and Uniform Policies

Local School Councils may adopt a dress code policy that forbids students from wearing certain items or a uniform policy that requires students to wear a specific uniform. Dress codes and uniform policies should be gender-neutral. Students who fail to follow a school's dress code or uniform policy may be given detentions or excluded from extracurricular activities, but may not be barred from attending class. A student may receive additional consequences for violating a school's dress code or uniform policy if the student's dress disrupts or may disrupt the educational process. For example, a student may receive a consequence for wearing clothing or accessories that display gang affiliation. This paragraph does not apply to students enrolled in Military Academies or JROTC Programs.

#### Military and JROTC Programs

Board-designated military academies and other JROTC programs may enforce standards of conduct and intervention or consequences that are consistent with the military nature of those schools and programs, in addition to the standards of conduct and intervention or consequences described in this SCC. Students enrolled in a military academy who repeatedly engage in acts of gross misconduct or insubordination (student act that defies a lawful and appropriate direct order of a superior ranked officer, staff member or another student), or who repeatedly fail or refuse to wear the required military uniform, may be subject to administrative transfer by the military academy principal to another school (or in the case of a JROTC program, dismissal from the program). Prior to an administrative transfer, a conference

<sup>3</sup> These include, but are not limited to: computers, cellular phones used to exchange or access information, pagers, and personal digital assistants or handheld devices, that are used to access the internet, electronic mail or other information sites and that may or may not be physically connected to the network infrastructure.

must be held with the parents/guardians, student, military academy principal, and a designee of the Chief Executive Officer. Students who have been transferred for administrative reasons from any military academy must be accepted by their attendance area school. Students who have been given an administrative transfer to another Chicago public school or expelled from the Chicago Public Schools lose all rank and privileges at the JROTC military academies and must reapply to the JROTC program and the military academies for enrollment. Upon their child's enrollment at a military academy, parents/guardians shall be informed of the uniform policy, expectations of the military academy, and the administrative transfer policy, and shall indicate by signature their agreement to adhere to the terms of these policies.

#### Dating Violence Statement

Any school employee who is notified by a parent, guardian or student, or who reasonably suspects, that a student has been the victim of dating violence shall immediately report that information to the principal/designee. Dating violence includes violent and controlling behavior that an individual uses against a girlfriend or boyfriend, such as physical, emotional, or sexual abuse, yelling, threats, name-calling, threats of suicide, obsessive phone calling or text messaging, extreme jealousy, possessiveness, and stalking. School staff shall promptly and reasonably investigate allegations of dating violence and issue appropriate discipline based on their findings. The principal shall ensure that the student victim of dating violence receives appropriate support services in accordance with the Board's Policy on Domestic Violence, Dating Violence and Court Orders of Protection, Restraint or No Contact (<http://policy.cps.k12.il.us/documents/704.4.pdf>).

#### SCC and Other Laws, Policies, Rules, and Contracts

The inappropriate behaviors and range of possible consequences and interventions listed in this policy are consistent with the Illinois School Code, Board Rules and Policies, negotiated agreements, and all other applicable state and federal laws.

The SCC applies to CPS contract and performance schools.

CPS charter schools are exempt from local school board policies under Illinois law (105 ILCS 5/27A). Charter schools may choose to adopt the SCC or establish their own discipline policies. Charter schools are not exempt from federal and most state laws, the Individuals with Disabilities Education Act (IDEA) or from federal and state regulations as they pertain to discipline of students with disabilities/impairments. If a charter school establishes its own discipline policy, it must incorporate language from and comply with the guidelines for suspension and expulsion of students with disabilities/impairments outlined in this policy. Charter schools must also comply with policies and procedures established by the Office of Diverse Learner Supports and Services for the discipline of students with disabilities. Students expelled from charter schools should contact the Department of Student Adjudication at 773/553-2249 for assistance.

Corporal punishment is expressly prohibited. Chicago Board of Education Rule 6-21 states: "No employee of the Board of Education may inflict corporal punishment of any kind upon persons attending the public schools of the City of Chicago."

<sup>6</sup> In addition to other disciplinary actions, a student who engages in disruptive behavior on the school bus may be subject to suspension from bus service for a period to be determined by the school principal with review by the Chief Executive Officer or designee.

<sup>7</sup> It is not an act of misconduct to defend oneself as provided by the law.

<sup>8</sup> For example, a student's first time failing to provide proper identification would be recorded as a 2-9 behavior category and available consequences would include skill-building in-school suspension up to three days. A student's second time failing to provide proper identification would be recorded as a 3-5 behavior category and available consequences would include skill-building in-school suspension up to three days. A student's third time failing to provide proper identification would be recorded as a 3-5 behavior category, repeated Group 3 inappropriate behavior, and available consequences would include skill-building in-school suspension, out-of-school suspension, or combination in-school and out-of-school suspension up to three days.

<sup>9</sup> A gang is any ongoing organization or group of three or more persons having as one of its primary activities the commission of one or more criminal acts, which has an identifiable name or identifying sign or symbol, and whose members individually or collectively engage in or have engaged in a pattern of criminal activity. Gang activity means any act (e.g., recruitment with use of intimidation, tagging or marking, assault, battery, theft, trespassing, or extortion) performed by a gang member or on behalf of a gang, and intended to further a common criminal objective. An overt display of gang affiliation means any act (e.g., wearing clothing or paraphernalia, displaying gang signs, symbols, and signals) that signifies or exhibits affiliation with a gang. Gang activity and overt displays of gang affiliation can be implied from the character of the acts and the circumstances surrounding the misconduct. Repeated violations of Behavior 3-9 of the SCC may result in a referral for an expulsion hearing and should be submitted as Behavior 5-6.

|      |  |
|------|--|
| 3-10 | Bullying behaviors – conduct directed towards a student that can be reasonably predicted to cause fear of physical or mental harm, harm to property, and/or interfere with student's ability to participate in school or school activities (see Anti-Bullying Policy for full definition <i>before</i> assigning an intervention or consequence) |

| 3-12 | Inappropriately wearing any JROTC or Military Academy Uniform on or off school grounds   |
| 3-13 | Use of the CPS network for a seriously disruptive purpose not otherwise listed in this SCC <sup>11</sup>   |

<sup>12</sup> Disciplinary reassignment is the transfer of a student from his or her current CPS school to another CPS school for disciplinary reasons. All disciplinary reassignments must be approved and facilitated by the Network Chief of Schools or his or her designee. For further information, refer to the Board's Comprehensive Policy on the Enrollment and Transfer of Students in the Chicago Public Schools, as may be amended (<http://policy.cps.k12.il.us/download.aspx?ID=50>).

<sup>10</sup> Students may be suspended from CPS network privileges for improper use of information technology devices for one semester (for first violation) or up to one year (for second or subsequent violation), in addition to any other interventions and consequences listed.

## ANTI-BULLYING POLICY

### **Purpose**

The Illinois General Assembly has found that a safe and civil school environment is necessary for students to learn and achieve and that bullying causes physical, psychological, and emotional harm to students and interferes with their ability to learn and participate in school activities. Bullying has been linked to other forms of antisocial behavior, such as vandalism, shoplifting, skipping and dropping out of school, fighting, using drugs and alcohol, sexual harassment, and violence. It is the goal of the Chicago Board of Education ("Board") to create a learning environment in all its school communities where students are protected from bullying so they feel safe and supported in their efforts to succeed academically and develop emotionally into responsible, caring individuals.

The Board asks every Chicago Public School ("CPS") student, with the support of his/her parent(s), guardian(s) and the adults at school, to commit to the following principles, which will apply to everyone on school property and at school-related activities:

- I will not bully others.
- I will try to help anyone I suspect is being bullied.
- I will work to include students who are left out.
- If someone is being bullied, I will tell an adult at school and an adult at home.

### **Scope**

Bullying is contrary to Illinois law and this policy is consistent with the Illinois School Code. This policy protects CPS students against bullying and harassment on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge from military service, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic. The Board recognizes the particular vulnerability of students with actual or perceived disabilities and those who identify as or are perceived to be lesbian, gay, bisexual or transgender. Nothing in this policy is intended to infringe upon any expression protected by the First Amendment to the United States Constitution or Section 3 of Article I of the Illinois Constitution.

Bullying is prohibited:

- (1) during any school-sponsored or school-sanctioned program or activity;
- (2) in school, on school property, on school buses or other Board-provided transportation, and at designated locations for students to wait for buses and other Board-provided transportation ("bus stops");
- (3) through the transmission of information from a CPS computer or computer network, or other electronic school equipment;
- (4) when communicated through any electronic technology or personal electronic device while on school property, on school buses or other Board-provided transportation, at bus stops, and at school-sponsored or school-sanctioned events or activities;
- (5) when it is conveyed that a threat will be carried out in a school setting, including threats made outside school hours with intent to carry them out during any school-related or sponsored program or activity or on Board-provided transportation;
- (6) when it is a Student Code of Conduct ("SCC") Group 5 or 6 behavior that occurs off campus but seriously disrupts any student's education.

### **Definitions**

**"Bullying"** means any severe or pervasive (repeated over time) physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students, that has or can be reasonably predicted to have one or more of the following effects:

- (1) placing the student in reasonable fear of harm to the student's person or property;
- (2) causing a substantially detrimental effect on the student's physical or mental health;
- (3) substantially interfering with the student's academic performance; or

- (4) substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation, one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Bullying behaviors may also qualify as other inappropriate behaviors listed in the SCC. When deciding whether inappropriate behavior constitutes bullying, administrators should consider the student's intent, the frequency or recurrence of the inappropriate behavior, and whether there are power imbalances between the students involved. While bullying is often characterized by repeated acts, sometimes a single incident constitutes bullying depending on the student's intent and power imbalances.

**"Cyberbullying"** means using information and communication technologies to bully. This definition does not include cyberbullying by means of technology that is not owned, leased, or used by the school district, unless an administrator or teacher receives a report that bullying through this means has occurred. This policy does not require a district or school to staff or monitor any nonschool-related activity, function, or program.

**"Retaliation"** means any form of intimidation, reprisal or harassment directed against a student who reports bullying, provides information during an investigation, or witnesses or has reliable information about bullying.

**"Peer Conflict"** means disagreements and oppositional interactions that are situational, immediate and developmentally appropriate. When school employees are aware of peer conflict, they are expected to guide students in developing new skills in social competency, learning personal boundaries and peaceably resolving conflict, and to model appropriate social interactions. These interventions are designed to prevent Peer Conflict from escalating to Bullying.

### **Intervening to Address Bullying**

#### **Responsibilities of CPS Employees and Contractors**

All CPS employees and contractors, including security officers, lunchroom staff and bus drivers, who witness incidents of bullying or school violence or who possess reliable information that would lead a reasonable person to suspect that a person is a target of bullying, must:

- (1) intervene immediately in a manner that is appropriate to the context and ensures the safety of all people involved;
- (2) report the incident of bullying or retaliation to the Principal/Designee as soon as practicable, but within 24 hours, on the CPS Bullying Complaint Form (Attachment A); and
- (3) cooperate fully in any investigation of the incident and in implementing any safety plan established by the Principal/Designee.

#### **Responsibilities of Students, Parents and Guardians**

No student who witnesses bullying may stand by or participate in the bullying, but must notify an adult at school and an adult at home as quickly as practicable. Any parent or guardian who witnesses or is notified of bullying has an obligation to advise the Principal/Designee as quickly as practicable. Reports can be made to any CPS employee or contractor in person, by completing Attachment A and submitting it to the Principal/Designee, by calling the CPS Violence Prevention Hotline ("Hotline") at 1-888-881-0606, or by emailing [BullyingReport@cps.edu](mailto:BullyingReport@cps.edu). Anonymous reports will be accepted by the Principal/Designee and Hotline. No disciplinary action will be taken on the sole basis of an anonymous report.

#### **Investigation**

- (1) The Principal shall select a designee, knowledgeable about bullying prevention and intervention, to perform the investigation.
- (2) Investigation of a bullying incident shall be initiated within five school days of receipt of a report and completed within 10 school days, unless the Principal grants in writing an additional 5-day extension

due to extenuating circumstances. The Principal/ Designee shall document the extension in the investigation report and shall notify the parties involved.

(3) The investigation shall include:

- a. Identifying the perpetrator(s), target(s) and bystander(s), as well as any adult who witnessed the incident or may have reliable information about it.
- b. Conducting an individual interview in a private setting with the alleged perpetrator and target. The alleged perpetrator and target should never be interviewed together or in public. Individual interviews shall also be conducted in private with student and adult bystanders.
- c. Determining how often the conduct occurred, any past incident or continuing pattern of behavior, and whether the target's education was affected.
- d. Assessing the individual and school-wide effects of the incident relating to safety, and assigning school staff to create and implement a safety plan that will restore a sense of safety for the target and other students who have been impacted.
- e. When appropriate, preparing a Misconduct Report identifying his/her recommendation for individual consequences.
- f. Comprehensively documenting the details of the investigation.

(4) When the investigation is complete, the Principal/Designee shall ensure the investigation report is attached to the Incident Report in IMPACT.

#### Notification

On the same day the investigation is initiated, the Principal/Designee shall report to the parent/legal guardian of all involved students, via telephone, personal conference and/or in writing, the occurrence of any alleged incident of bullying, and shall document these notifications in the Incident Report in IMPACT. When the investigation is complete, the Principal/Designee shall notify the parents/legal guardians of all students involved of the outcome of the investigation. Parents/legal guardians of the students who are parties to the investigation may request a personal conference with the Principal/Designee to discuss the investigation, the findings of the investigation, the actions taken to address the reported incident of bullying, and any resources available in or outside the school to help the students address the underlying reasons for the bullying (see "Referrals" section below).

If the investigation results in the imposition of consequences, the Principal/Designee may advise the parent/legal guardian of students other than the perpetrator that the Student Code of Conduct was followed. S/he may not advise them of the specific consequence imposed, as that would violate the confidentiality of school-record information required by law.

When communicating incidents of bullying to the target's parent/guardian, the Principal/Designee should consider whether the student may want to keep certain information confidential. For example, if a student is bullied after coming out as gay, the Principal/Designee shall not disclose the student's sexual orientation to the parent/guardian without the student's permission, unless there is a legitimate, school-related reason for doing so.

If the target is a student with a disability, the school shall convene the IEP Team to determine whether additional or different special education or related services are needed to address the student's individual needs and revise the IEP accordingly. For example, if the student's disability affects social skill development or makes the student vulnerable to bullying, the Principal/Designee shall ask the student's IEP Team to consider whether the IEP should include provisions to develop the student's skills and proficiencies to avoid and respond to bullying.

If the student who engaged in bullying behavior is a student with a disability, the school shall convene the IEP Team to determine if additional supports and services are needed to address the inappropriate behavior and consider examining the environment in which the bullying occurred to determine if changes to the environment are warranted. For example, the IEP Team should consider a behavior intervention plan for the student or review a current behavior intervention plan and revise if necessary. The Principal/Designee shall comply with the Procedural Safeguards for Discipline of Students with Disabilities/Impairments when considering interventions and consequences for students with disabilities.

### Assigning Interventions and/or Consequences

Many Peer Conflicts can be resolved immediately and do not require reporting or creation of a Misconduct or Incident Report. If, however, a conflict is ongoing and meets the definition of bullying, the investigation procedures in this policy must be followed.

Schools must respond to bullying in a manner tailored to the individual incident, considering the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance. Appropriate responses and consequences are outlined in the Student Code of Conduct. Schools should avoid using punitive discipline (detention, suspensions, and expulsions) if any other method or consequence can be used with fidelity. Contact the Office of Social & Emotional Learning for school-wide prevention practices and the CPS Law Department for more information about the appropriate and legal consequences for student misconduct.

When an investigation determines that bullying occurred, the Principal/Designee shall explain the consequences in a non-hostile manner, and shall impose any consequence immediately and consistently. The Principal/Designee shall keep communicating and working with all parties involved until the situation is resolved. Some key indicators of resolution include:

- The perpetrator is no longer bullying and is interacting civilly with the target.
- The target reports feeling safe and is interacting civilly with the perpetrator.
- School staff notice an increase in positive behavior and social-emotional competency in the perpetrator and/or the target.
- School staff notice a more positive climate in the areas where bullying incidents were high.

### What Not To Do:

-Solicit an apology from the perpetrator to the target, use peace circles, victim/offender conferences, or any form of mediation that puts the perpetrator and target in contact with one another in an immediate attempt to resolve the bullying. Restorative approaches may be helpful but only if used after other interventions have balanced the power differential between the perpetrator and target.

-Dismiss bullying as typical student behavior or assume it is not serious.

### Referrals

Interventions with bullies should not focus on feelings, but changing thinking. The Principal/Designee shall refer students who bully to positive-behavior small-group interventions (for anger management, trauma or social skills), social work, counseling or school psychological services within the school, if possible, to reinforce the behavioral expectation they violated and increase their social-emotional competency.

The targets of bullying need protection from bullies, but may also need support and help in changing their own behavior. The Principal/Designee shall ask a school mental health professional to refer these students to individual or group therapy where they can openly express their feelings about their bullying experience, social-skills training and/or groups where they can practice assertiveness and coping mechanisms, or social work, counseling or school psychological services available within the school. For more information, see *Guidelines for Effective Discipline*.

### Appeal

Any party who is not satisfied with the outcome of the investigation may appeal to the CPS Equal Opportunity Compliance Office, or EOCO (telephone: 773/553-1013), within 15 calendar days of notification of the Principal's decision. The EOCO Administrator shall render a final determination in accordance with the timeline and procedures set out in the anti-bullying appeal guidelines established by the EOCO. The EOCO may return the incident to the Network Chief, Principal or their designees for further investigation or reconsideration of the consequence(s), direct the imposition of other consequence(s), or deny the appeal. The EOCO shall notify the party requesting the appeal and the Principal that its decision is final and shall document that notification in the Incident Report in IMPACT.

### **Consequences for CPS Employees and Contractors**

When it is determined that an employee or contractor was aware that bullying was taking place but failed to report it, the employee/contractor will be considered to have violated this policy. The Principal shall consider employee discipline for such violations, making reference to any applicable collective bargaining agreement. Remedies for offending contractors should be imposed according to their Board contracts.

### **Notice and Dissemination of Requirements**

Principals shall follow the requirements established by the Office of Social & Emotional Learning for posting this Anti-Bullying Policy on the school's website, in the school building as well as disseminating and presenting this Policy to school staff as part of pre-school-year professional development.

### **Training and Professional Development**

#### **Staff**

Professional development will be offered to build the skills of all CPS employees contractors and volunteers to implement this policy. The content of such professional development shall include, but not be limited to:

- (1) Developmentally appropriate strategies to prevent incidents of bullying and to intervene immediately and effectively to stop them;
- (2) Information about the complex interaction and power differential that can take place between and among a perpetrator, target, and witness to the bullying;
- (3) Research findings on bullying, including information about specific categories of students who have been shown to be particularly at risk, and any specific interventions that may be particularly effective for addressing bias-based bullying; and
- (4) Information about Internet safety issues as they relate to cyberbullying.

#### **Student Internet Safety Education**

In accordance with the Board's Internet Safety Policy (<http://policy.cps.k12.il.us/download.aspx?ID=261>), each school shall incorporate into the school curriculum a component on Internet safety to be taught at least once each school year to all students. The Chief Officer of Teaching and Learning or designee, shall determine the scope and duration of this unit of instruction and topics covered. At a minimum, the unit of instruction shall address: (a) safety on the Internet; (b) appropriate behavior while online, on social networking Web sites, and in chat rooms; and (c) cyberbullying awareness and response. The age-appropriate unit of instruction may be incorporated into the current courses of study regularly taught. Schools shall satisfy the documentation requirements established by the Chief Officer of Teaching and Learning or designee to ensure compliance with this curricular requirement.

**PROCEDURAL SAFEGUARDS FOR DISCIPLINE OF STUDENTS WITH  
DISABILITIES/IMPAIRMENTS**<sup>34</sup>

School officials may suspend students with disabilities/impairments and cease educational services for a total of up to 10 consecutive or 10 cumulative school days in one school year without providing procedural safeguards. Saturday, and before- and after-school detentions do not count toward the 10-day limit. Additionally, if students with disabilities continue to participate in the general education curriculum, continue to receive their IEP services, and continue to participate with non-disabled peers to the same extent as specified in the IEPs, in-school suspensions and lunch detentions do not count toward the 10-day limit. Administrators are not required to suspend students with disabilities for the recommended periods set forth in this Code for a single incident. Specifically, the Principal or his/her designee has discretion to suspend students with disabilities fewer days than set forth for a single incident. Federal regulations offer some flexibility in suspending students with disabilities in excess of 10 school days in the school year in certain circumstances. In order to determine whether the circumstances permit a suspension in excess of 10 days per school year, consultation by the school with the Department of Procedural Safeguards and Parental Supports (773/553-1905) is absolutely necessary. **Without such consultation and approval from the Department of Procedural Safeguards and Parental Supports, the 10 school day limit on out of school suspensions will continue to apply.**

When school officials anticipate a referral for expulsion, including referrals requesting emergency assignment pursuant to the CPS SCC, the following apply:

1. School must provide written notice to the parent/guardian or surrogate parent of the request for an expulsion hearing and the date of an Individualized Education Program (IEP) Manifestation Determination Review (MDR) meeting, which must be held within 10 school days of the date of the decision to request the expulsion hearing. School must also provide parent/guardian/surrogate with a written copy of the Notice of Procedural Safeguards.
2. The IEP team must:
  - A. Determine whether the misconduct is related to the student's disability by reviewing all current and relevant information, including evaluation and diagnostic results, information from the parent/guardian, observations of the student, and the student's IEP. The behavior is a manifestation of the student's disability if:
    - 1) the conduct in question was caused by the student's disability or has a direct and substantial relationship to the student's disability; and/or
    - 2) the conduct in question was the direct result of the school's failure to implement the student's IEP.
  - B. Review, and revise if necessary, the student's existing behavior intervention plan or develop a functional behavior assessment and behavior intervention plan (FBA/BIP) to address the misconduct. The behavior intervention plan must address the misconduct for which the student is being disciplined.

If the student's behavior is not a manifestation of the disability, school officials may apply the SCC, taking into consideration the student's special education and disciplinary records. In no event, however, may the student be suspended for more than 10 consecutive or cumulative school days in a school year without providing appropriate educational services.

If the student's behavior is a manifestation of the disability, a disciplinary change in placement (expulsion) cannot occur. Students with disabilities, even if expelled, must be provided with an appropriate education in an alternative educational setting.

All MDRs are subject to legal review by the Department of Procedural Safeguards and Parental Supports.

---

<sup>34</sup> All procedural safeguards contained in the SCC and this Appendix are equally applicable to those students with §504 plans.

## **EXPULSION HEARING AND EMERGENCY ASSIGNMENT GUIDELINES**

### **Request for Expulsion Hearing**

- ◆ Expulsion is the removal of a student from school for 11 or more consecutive days, up to a maximum of two calendar years.<sup>35</sup>
- ◆ If a student's inappropriate behavior falls within Group 5 of the SCC, a school principal *may* request an expulsion hearing for the student. A school principal may also request assignment to an intervention program.
- ◆ If a student's inappropriate behavior falls within Group 6 of the SCC, a school principal *must* request an expulsion hearing for a student in 6<sup>th</sup> through 12<sup>th</sup> grade or for any student violating section 6-1; a school principal *may* request an expulsion hearing for a student in 5<sup>th</sup> grade or below committing any other Group 6 behavior.
- ◆ The CEO's designee will review the expulsion hearing request and determine whether to refer the student to the Law Department for an expulsion hearing, assign the student to an intervention program, or refer the student back to the school for intervention/support.

### **Emergency Assignment to Interim Alternative Education Setting**

- ◆ Students who commit Groups 5 or 6 misconducts may be assigned to an interim alternative education setting on an emergency basis ("emergency assignment") while a request for an expulsion hearing is pending without being given the opportunity for a hearing before an independent hearing officer.
- ◆ Requests for emergency assignment must be approved, facilitated, and implemented by the CEO's designee. The CEO's designee may request additional information when considering requests for emergency assignment.
- ◆ General education students may be placed in an interim alternative education setting if their presence at the home school poses a continuing danger to people or property, or an ongoing threat of disruption to the academic process. The student will be assigned to the Safe Schools Alternative Program until the expulsion final determination is issued.
- ◆ Students with disabilities may be placed in an interim alternative educational setting for a maximum of 45 school days, even in instances where the student's misconduct is ultimately determined to be a manifestation of his or her disability. Students with disabilities may be referred for emergency assignment when in possession of weapons or drugs, or for inflicting serious bodily injury on another person while on school grounds or at a school-sponsored event. The parent or legal guardian may request a due process hearing to challenge the emergency assignment.

### **Expulsion Hearing Procedures**

- ◆ The Law Department will schedule expulsion hearings and send parents/guardians a notice letter. The notice will provide a description of the incident, the date of the incident, the SCC inappropriate behavior code(s), and the place, time and date for the expulsion hearing. The notice will be sent by registered or certified mail, or by personal delivery.
- ◆ Before the hearing, school principals are responsible for assisting the Law Department with case preparation by identifying witnesses and relevant documents, and reviewing all documentation regarding the incident to ensure it is complete, accurate, and properly written.
- ◆ The hearing will be conducted before an independent hearing officer. The Chief Executive Officer's representatives will call witnesses to testify and introduce documents regarding the incident. The student may also call witnesses to testify and introduce documents regarding the incident.

### **Expulsion Final Determination**

- ◆ After the hearing, the hearing officer will make a recommendation for intervention or discipline, up to expulsion for a set term of two calendar years.

---

<sup>35</sup> This definition does not apply to exclusion of a student from school for failure to comply with immunization requirements or temporary emergency placement.

- ◆ The hearing officer's recommendation may be modified on a case-by-case basis by the Chief Executive Officer or designee.
- ◆ If a student is expelled, alternative program placement may be offered for the period of the expulsion.
- ◆ The hearing officer may recommend that the student attend an intervention program in lieu of expulsion. A recommendation to intervention is subject to approval by the Chief Executive Officer or designee. A student who is recommended for participation in the intervention program in lieu of expulsion but who fails to successfully complete the program shall be expelled.
- ◆ During a term of expulsion, students may not participate in extracurricular activities or school-sponsored events, with the exception of activities or events sponsored by the student's alternative program.

**Transition when Expulsion Complete**

- ◆ When a term of expulsion is completed, the student will be transferred to his/her home school.
- ◆ For students attending the Safe Schools Alternative Program, a transition meeting, including the student, parents/guardians, alternative school staff members, and home school staff members, will be scheduled to discuss the student's transition back into the home school environment.

**RESCIND BOARD REPORTS 12-0222-RS23, 07-1219-PO2, 97-0528-PO1 AND 90-0418-PO1**  
**AND ADOPT A PAID TIME OFF POLICY**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board rescind Board Reports 12-0222-RS23, 07-1219-PO2, 97-0528-PO1 and 90-0418-PO1 and adopt a new Paid Time Off Policy.

**PURPOSE:** This policy provides for the accrual, accumulation and use of paid vacation days, sick days, personal business days and Short-Term Disability benefits by eligible employees in alignment with existing programs and practices, Board Rules and state law.

**POLICY TEXT:**

This policy applies to CPS employees in a job category listed by the Chief Executive Officer ("CEO") or designee as benefits eligible, including those employees who are subject to a CBA to the extent this policy does not conflict with the terms of the applicable CBA. This policy does not apply to employees in a job category listed by the CEO or designee as not benefits eligible which includes, but is not limited to, part-time, substitute or retiree job categories.

**I. Sick Days.** Employees are granted sick days for use during the employee's personal illness or serious illness in the immediate family or household. For purposes of this policy, immediate family or household means the employee's parent, grandparent, child, grandchild, brother, sister, spouse, domestic partner or party to a civil union as defined in Board Rule 4-17, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, nephew, niece, uncle, aunt, and cousin. Sick days may also be used in accordance with terms of the Board's Bereavement Leave (Board Rule 4-14).

A. *Sick Day Bank* - Sick days are earned by an employee at a rate of one day per full month worked and are maintained in the employee's Sick Day Bank. Teachers who are at the maximum step of the salary schedule and have at least thirteen (13) years of full-time teaching experience receive one (1) additional sick day per year. Teachers who are at Step 13 on the salary schedule and have at least eighteen (18) years of full-time teaching experience receive two (2) additional sick days per year. For new employees hired after the start of the fiscal year, a prorated number of sick days will be maintained in their Sick Day Bank, following a 60 calendar day waiting period that begins on the date of hire.

Effective July 1, 2012, sick days that an employee does not use on or before June 30<sup>th</sup> of the fiscal year in which the sick days were earned shall be removed from the Sick Day Bank and forfeited. Any days in the Sick Day Bank that an employee does not use on or before the date their employment ends shall be forfeited. If an employee requests to use sick days before they are earned, that request may only be granted if that employee agrees in writing that, in the event the employee resigns or is otherwise separated from employment after having been paid unearned sick days, the CEO or designee may deduct the amount of paid unearned sick days from any final compensation due to the employee, including any final payout of vacation days on separation.

Nothing in this section prohibits the Chief Talent Officer from authorizing additional paid time-off when appropriate in extraordinary cases where an employee's continued illness extends beyond the amount of their available paid time off.

B. *Grandfathered Sick Day Bank.* For employees hired before July 1, 2012 with an existing bank of accumulated unused sick days as of June 30, 2012, such sick days were retained in a Grandfathered Sick Day Bank for use by the employee. Upon resignation or retirement, unused days remaining in the employee's Grandfathered Sick Day Bank are subject to the payout provisions set out in Section I.H. of this Policy. Employees with a Grandfathered Sick Day Bank who are laid off or who resign and return to

service within one year of separation shall have a restoration of their unpaid accumulated sick days in their Grandfathered Sick Day Bank at time of separation.

C. *Transfer of Sick Days Earned at Other Agencies.* Effective July 1, 2012 for new employees, the CEO or designee shall not accept the transfer of accumulated sick days earned as a full-time employee of the City of Chicago, Chicago Housing Authority, Chicago Park District, County of Cook, Cook County Forest Preserve District, Metropolitan Water Reclamation District of Greater Chicago, School Finance Authority, City Colleges of Chicago or the State of Illinois ("other agency"). For employees with an authorized transfer of other agency sick days occurring prior to July 1, 2012, such days are maintained in an Other Agency Sick Bank for use by the employee. Upon resignation or retirement, unused days remaining in the employee's Other Agency Day Bank are forfeited and are not subject to payout.

D. *Sick Pay.* Employees who use their sick days (whether Sick Days, Grandfathered Sick Days or Other Agency Sick Days) shall be paid their regular daily rate of pay for the sick day at the time the sick day is taken. Teachers on extended programs, including 8-hour day positions and regularly scheduled classes authorized on an overtime basis (but not including classes established after regular school hours to supplement the regular program, such as after-school classes in reading and arithmetic, driver training programs, evening school programs and social center programs), will be entitled to extended-day pay when absent if entitled to sick pay for the normal school day under the provisions of this policy.

E. *Physician's Certificate.* Any employee who is absent for more than three (3) consecutive work days shall provide a certificate of treatment from a physician, or if the treatment is by prayer or spiritual means, from the advisor or practitioner of such employee's faith as condition of his/her return to work. If a supervisor has a reasonable suspicion that an employee is abusing sick days, s/he may demand that the employee provide a certificate that the employee has received treatment from a physician, advisor or practitioner regardless of the number of days of absence.

F. *Returnees from Military Leave.* Employees who return from military leaves within sixty (60) days after they are honorably discharged shall receive credit for the purpose of sick day allotment for the period of their military leave, as if they had been continuously in the service of the Board.

G. *Failure of Notice of Return to Service.* When a teacher, or other employee category where a substitute is assigned, reports for duty after a temporary absence without giving notice to the school by 2:00 p.m. the day prior to his/her return to duty and a substitute has been sent to the school, the amount paid to the substitute for one-half (½) day service shall be deducted from the salary of the teacher.

H. *Payout of Grandfathered Sick Day Bank Upon Qualifying Event.* The CEO or designee shall pay an eligible employee all or part of his/her Grandfathered Sick Day Bank as set out below.

1. *Qualifying Event and Payout Percentage.* An employee is eligible to receive a full or partial payout of their Grandfathered Sick Day Bank based on a qualifying event as follows:

| <b>Qualifying Event</b>   | <b>Percentage to be Paid Out</b> |
|---|----------------------------------|
| Resignation or retirement with 33.95 or more years of Board service                   | 100%                             |
| Resignation or retirement with at least 20 but less than 33.95 years of Board service | 90%                              |
| Resignation or retirement at age 65 with less than 20 years of Board service          | 85%                              |
| Employee's Death  | 100%                             |

2. *Payout of Grandfathered Sick Day Bank to 403(b) Tax Deferred Compensation Plan for Certain Eligible Employees.* Effective July 1, 2004, in lieu of the amount payable to an eligible employee who (i) separates from service with the Board and who, upon such separation, is eligible to receive a service retirement pension pursuant to Section 17-116 of the Illinois Pension Code or an annuity pursuant to Sections 8-130, 131, or 132 of the Illinois Pension Code, and (ii) who has the equivalent of two thousand (\$2,000.00) dollars or more in his/her Grandfathered Sick Day Bank at the time of separation, the Board shall contribute on behalf of an eligible employee to the Chicago Public Schools 403(b) Tax Deferred Compensation Plan (the "Plan") an amount equal to the lesser of (i) the applicable unused Grandfathered Sick Day Bank pay equivalent amount payable under Section I.H. of this Policy, or (ii) \$80,000 (the "Contribution"). If the eligible employee has not contributed to the Plan at the time of his or her separation, the Board shall select a Plan Service Provider pursuant to its established guidelines. Because of the limitations imposed by Section 415 of the Internal Revenue Code of 1986, as amended ("IRC"), the Contribution in the year of separation shall be the lesser of (i) the IRC limit less any amount of elective deferrals that the eligible employee may have made to the Plan in the year of separation, or (ii) the total unused days in the employee's Grandfathered Sick Day Bank. If the full Contribution cannot be made to the Plan in the year of separation, then additional installments of the Contribution (up to the IRC limit for each year) shall be made no later than March 31 of each succeeding calendar year following the calendar year in which separation occurs, up to five years, if necessary. The amount of each installment shall not exceed the amount allowable under IRC Sections 403(b) and 415. Any amount in excess of the Contribution or below the minimum Contribution amount that would be payable under Section I.H. of this Policy shall be paid directly to the eligible employee at the time of separation.

**II. Short Term Disability Benefits.** Effective January 1, 2013, in the event an employee is unable to work due to the employee's non-occupational injury, sickness or pregnancy the employee may apply for a Short-Term Disability ("STD") benefit. Under the STD plan, an employee may continue to receive a full or partial salary for up to 90 calendar days in a rolling 12-month period. An employee's eligibility for STD benefits is subject to the applicable conditions and prerequisites specified in the STD plan issued by the CEO or designee including those related to the use of sick days, filings under the Family and Medical Leave Act, physician documentation and coverage exclusions. For new employees, STD eligibility begins on the first calendar day of the month following a 60 calendar day waiting period that begins on the date of hire.

**III. Personal Business Days.** Beginning July 1, 2012, employees are granted an allotment of three (3) personal business days ("Personal Day(s)") annually during the first payroll period of the fiscal year in July. New employees shall be granted three (3) Personal Days prorated according to their date of hire as follows: those beginning employment between July 1 and September 30, three (3) days; those beginning employment between October 1 and March 31, two (2) days; those beginning employment between April 1 and May 31, one (1) day; and, those beginning employment between June 1 and June 30, zero (0) days. New employees will receive their allotment of Personal Days following a 60 calendar day waiting period that begins on the date of hire. The Personal Days that are not used by the employee within the same fiscal year in which they are granted shall be forfeited.

#### **IV. Vacations Days.**

##### **A. Accrual of Vacation Days.**

1. *Officers.* The General Counsel, the Board Secretary, Executive Officers and Officers shall accrue paid vacation days per payroll period at rate of five (5) weeks or twenty-five (25) days per year. Unused vacation days granted under this section shall accumulate up to the maximum amounts set forth in Section IV.A.3.
2. *Teachers and Employees Employed For Less Than 52-weeks.* Teachers and employees employed for less than 52-weeks, including appointed and temporarily assigned teachers, shall receive up to ten (10) days of paid vacation per year, five during the Winter Recess and five during the Spring Recess as designated in the Academic Calendar. A new teacher or employee

in a position with an employment period of less than 52-weeks per year, less than 12 calendar months per year or less than 13 school months per year, shall be eligible for three (3) paid vacation days for Winter Recess based on formulas in applicable collective bargaining agreements. Vacation days under this section shall be used and shall not accumulate.

3. *Educational Support Personnel.* Effective July 1, 2014, educational support personnel and certificated administrators shall accrue vacation days each pay period at the accrual rate set forth below unless the employee has reached his/her maximum accrual amount.

| <u>Years of Service</u>  | <u>Accrual Rate</u>  | <u>Maximum Accrual</u> |
|--|--|------------------------|
| For service up to and including ten (10) years                           | .058 days per day paid, not to exceed three (3) weeks or fifteen (15) days per year    | 20 days                |

Once the applicable maximum accrual of vacation days has been reached, no additional vacation days will be accrued by the employee until the balance of unused vacation days falls below the applicable maximum accrual.

**B. Vacation Day Use and Pay.** Vacation shall be taken at a time approved by the employee's department head or designee. Employees shall be paid their regular daily rate of pay for their Vacation Days at the time the vacation is taken.

**C. Years of Service and Adjustments to Service Credit.** The calculation of an employee's years of service with the Chicago Public Schools is based on full-time service only and shall be subject to the accounting procedures and requirements established by the CEO or designee. The following adjustments shall apply when determining an employee's years of service for vacation accrual purposes.

1. *Military Service.* Employees who have returned from military service and who resume work with the Chicago Public Schools within sixty (60) days after a discharge other than dishonorable shall be considered as having been continuously in the service of the Chicago Public Schools during the period of such leave. An employee shall earn no vacation days during the period of the employee's military leave of absence.
2. *Outside Public Agency Service.* Effective July 1, 2012, service credit adjustments shall not be made for new employees who were previously employed by the City of Chicago, Chicago Housing Authority, Chicago Park District, County of Cook, Forest Preserve District, Metropolitan Pier and Expositions Authority, Metropolitan Water Reclamation District of Greater Chicago, School Finance Authority, Chicago Transit Authority, City Colleges of Chicago or the State of Illinois. Any service credit adjustment for prior employment with the above-noted agencies authorized for an employee prior to July 1, 2012 in accordance with the rules and policies then in effect shall be maintained until the employee separates from employment. **AMEND BOARD REPORT 13-0227-PO2**  
**ADOPT A NEW PRINCIPAL ELIGIBILITY POLICY**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board amend Board Report 13-0227-PO2, the Principal Eligibility Policy.

**PURPOSE:** The Board wishes to establish and administer a rigorous and structured eligibility system to ensure candidates for principalships in the Chicago Public Schools meet high standards of competency, professionalism and preparation and embody the qualities and characteristics the District values most in its educational leaders. The Board wishes to ensure that candidates for a CPS principalship, whether on a contract, interim or acting basis satisfy the eligibility criteria outlined in this Policy and are active members of the CPS Principal Candidate Pool maintained by the Chief Executive Officer or designee unless an enumerated exception applies.

**POLICY TEXT:**

**I. PRINCIPAL CANDIDATES:**

**A. Membership Application:** Persons seeking membership in the CPS Principal Candidate Pool must apply to the Chief Executive Officer or designee. Membership in the Pool is determined by the Chief Executive Officer or designee in accordance with the following criteria and considerations:

1. State and District Requirements: Applicants must possess and maintain the certifications, endorsements and qualifications required by the Illinois State Board of Education that authorize the applicant to serve as a public school principal in the State of Illinois. The Chief Executive Officer or designee may establish timelines for Pool applicants and members to satisfy the evaluator qualification requirements specified in 105 ILCS 5/24A-3. Applicants must also satisfy the Board's employment requirements set out in Board Rule 4-4 and continue to do so during the course of their employment.

2. Standards of Conduct and Professionalism: Applicants must satisfy a background screening to determine if s/he meets the high standard of conduct and professionalism expected of CPS Principals. The background screening will consider an applicant's criminal history, discipline/misconduct history and other background checks and will consider the type, frequency and circumstances of any history of misconduct, violation or discipline. Examples of conduct which would not satisfy the high standards expected of CPS principals include verbal abuse of students, physical abuse, sexual harassment, sexual abuse, discrimination, ethics violation, fraud, theft, insubordination and retaliation.

3. Screening Assessments: The Chief Executive Officer or designee shall evaluate applicants for the requisite knowledge, skills and abilities to serve as a CPS principal using a screening process and uniform standards for measuring and assessing applicants for the required competencies. The screening process may include assessments of an applicant's accomplishments and experience as well as competency-based assessments. An applicant who is re-applying within 12 months of their first failed application is not required to repeat assessments that s/he successfully passed during their first attempt. Nothing herein prohibits the Chief Executive Officer or designee from waiving the screening assessment requirement for a veteran principal with a proven record of performance that satisfies the high standards established by the Chief Executive Officer or designee and that demonstrates that s/he is exceptionally qualified to serve as a CPS principal.

4. Exclusions: The Chief Executive Officer or designee shall exclude from consideration for membership in the CPS Principal Candidate Pool applicants who:

- (a) have been convicted of criminal offenses set forth in Section 34-18.5 of the School Code;
- (b) have been convicted of any other felony offenses within seven years of their application for admission to the Pool;

- (c) are, at the time of their application, ~~performing as a principal under~~ subject to a corrective action plan under the Board's policy regarding the performance management and discipline professional support and remediation of principals or are otherwise subject to a performance management plan;
- (d) have been dismissed for cause from CPS employment;
- (e) have been removed from a CPS principalship pursuant to Sections 34-8.3 or 34-8.4, unless, after a written request by the applicant, the Chief Executive Officer or designee has restored the individual's eligibility to apply for membership in the CPS Principal Candidate Pool;
- (f) applied twice for membership in the Pool within twelve (12) months preceding the date of the application under consideration and were not admitted;
- (g) have been rejected two times after March 1, 2013 for membership in the CPS Principal Candidate Pool, except when a defined period of time, as determined by the Chief Executive Officer or designee, has elapsed ~~where three calendar years have expired~~ since the date of the last rejection. (A three-year exclusion for consecutive rejections issued under the prior policy, Board Report 08-1217-PO2, shall continue for the established period);
- (h) has exceeded the maximum number of total applications permitted to an applicant as determined by the Chief Executive Officer or designee;
- ~~(i)(h)~~ have not satisfied the requirements set out in Sections I.A. 1, 2 and 3; or
- ~~(i)(i)~~ have provided false, misleading or inaccurate information on their application or at any time during the admissions process to the Pool.

The Chief Executive Officer or designee may also exclude from consideration for membership in the CPS Principal Candidate Pool applicants who have been rated as "does not meet", "unsatisfactory", "needs improvement" or "developing" on their most recent performance rating, or have a record of performance that does not meet the high standards necessary to serve as a principal established by the Chief Executive Officer. Notwithstanding the exclusions noted in Section I.A.4.(f), (g) and (h) above, the Chief Executive Officer or designee may restore an individual's eligibility to apply for membership in the CPS Principal Candidate Pool when the Chief Executive Officer or designee deems it appropriate under the circumstances.

5. Exceptions for Incumbent Sitting CPS Principals who are Not Current Members of the CPS Principal Candidate Pool as of March 1, 2013: Incumbent Sitting CPS Principals as of March 1, 2013 who are not current members of the CPS Principal Candidate Pool are not required to be members of the Pool for renewal of their existing Uniform Principal's Contract to continue serving at their current school. Such Incumbent Sitting CPS Principals are, however, required to become a member of the CPS Principal Candidate Pool in order to qualify for a new CPS principalship at a school other than where they are currently serving as principal. Such Incumbent Sitting CPS Principals may seek admission to the Pool by applying in accordance with Section I.A, except they shall be granted:

- (a) an abbreviated application process and an exemption from the initial interview process, and
- (b) an exemption from screening assessments required under Section I.A.3 if the Incumbent Sitting CPS Principal has received at least a "proficient" rating on their two most recent CPS performance ratings under the new principal evaluation system established under Board Report 13-0123-EX5 and in addition, will review the evaluation from their Local School Council, if available. This exemption will first be available to eligible Incumbent Sitting CPS Principals after evaluations and ratings are given for performance for the 2013-2014 school year. Provided, however, that Incumbent Sitting CPS Principals who have received at least a "proficient" rating for performance during the 2013-2014 school year and who apply for membership in the Pool before 2014-2015 performance evaluations occur will be granted this exemption. Thereafter, the two most recent year's performance ratings will be reviewed to determine eligibility for this exemption.

**B. Membership Continuation and Expiration:** Membership continuation and expiration is determined by the Chief Executive Officer or designee in accordance with the following criteria and considerations. For individuals who are members in the CPS Principal Candidate Pool as of March 1, 2013 and individuals

granted new or renewed membership in the Pool after March 1, 2013, their membership shall continue provided s/he: (i) maintains valid and current licenses, certifications, endorsements and qualifications; (ii) has received at least a "proficient" rating on their two most recent CPS performance evaluations, and in addition, will review the evaluation from their Local School Council, if available, beginning with evaluations for performance for the 2013-2014 school year; (iii) has served during three of the last five years as a CPS principal or supervisor of a CPS teacher or supervisor of a CPS principal or in a leadership position in education; and (iv) does not otherwise qualify for removal from the CPS Principal Candidate Pool. If a member does not qualify for continued membership, their membership shall be deemed expired and the member may seek readmission to the Pool only by applying in accordance with Section I.A. Upon adoption of this Policy, if a member is employed in a non-administrative or non-leadership position for more than two years, their membership shall be deemed expired and the member may seek readmission to the Pool only by applying in accordance with Section I.A.

**C. Membership Removal:** The Chief Executive Officer or designee shall remove individuals from the CPS Principal Candidate Pool, who, during their membership:

1. have been found to no longer meet the State and District Requirements set forth in Sections I.A.1;
2. have been convicted of criminal offenses set forth in Section 34-18.5 of the School Code;
3. have been convicted of any other felony offense;
4. are principals placed on a corrective action plan under the Board's policy regarding the performance management and discipline ~~professional support and remediation~~ of principals, but only until the corrective action plan is successfully completed;
5. are individuals not eligible for a principal corrective action plan, but are otherwise subject to a performance management plan or have a record of performance that does not meet the high standards necessary to serve as a principal established by the Chief Executive Officer;
- ~~6.5.~~ have been dismissed for cause from CPS employment; or
- ~~7.6.~~ have been removed from a CPS principalship pursuant to Sections 34-8.3 or 34-8.4, unless, after a written request by the individual, the Chief Executive Officer or his/her designee has restored the individual to the Pool.

The Chief Executive Officer or designee may also remove individuals from the Pool, who, during their membership are found to no longer meet the high standards of conduct and professionalism set out in Section I.A.2. of this Policy. In such instances, a removal determination shall consider the type, frequency and circumstances of the violation or misconduct. Examples of conduct which would not satisfy the high standards expected of CPS principals include verbal abuse of students, physical abuse, sexual harassment, sexual abuse, discrimination, ethics violation, fraud, theft, insubordination and retaliation. The Chief Executive Officer or designee may also remove individuals from the Pool, who, during their membership have provided false, misleading or inaccurate information regarding their qualifications to continue in the Pool.

**D. High Standards.** The Chief Executive Officer or designee shall establish uniform standards to ensure that members in the CPS Principal Candidate Pool satisfy, and continue to satisfy, high measures of competency, professionalism and preparation and embody the qualities and characteristics needed to serve as an effective educational leader.

**II. PRINCIPAL SELECTION:** The Local School Council, the Chief Executive Officer and the Board shall only select individuals who are members of the CPS Principal Candidate Pool to serve as school principal, whether on a contract, interim or acting basis, subject to the following exceptions:

1. Incumbent Sitting CPS Principals as of March 1, 2013 who are not members of the Pool are not required to become a member of the Pool for renewal of their existing Uniform Principals Contract to remain principal at the same school; and

2. The Chief Executive Officer CEO may assign a former ~~contract or interim~~ principal or school administrator to serve as a school's interim or acting principal regardless of whether he or she is a member of the Pool, if, in the Chief Executive Officer's judgment, the former ~~contract or interim~~ CPS principal or school administrator has a proven record of performance based on the high standards established by the Chief Executive Officer with the Board that demonstrates that he or she is exceptionally qualified to serve the particular needs of the school to which he or she will be assigned.

### **III. TALENT OFFICE RESPONSIBILITIES:**

1. The Talent Office shall establish and manage an objective, fair and rigorous process to evaluate applicants to the Pool and to evaluate current members for eligibility to continue their membership in the Pool.

2. Upon request, the Talent Office will provide direct feedback to an applicant on their application for membership in the Pool.

3. The Talent Office will ensure Local School Councils receive Candidate Profile reports that detail a Pool member's knowledge, skills and abilities, criminal history and relevant CPS personnel history.

4. Members of the Pool may submit written appeals to the Chief Talent Officer requesting modification of their Candidate Profile to include a written clarification or rebuttal of information or to remove information from the Candidate Profile.

5. The Chief Talent Officer may establish all necessary protocols and procedures necessary for the effective implementation of the principal eligibility system specified in this Policy.

### **IV. DEFINITIONS:** For purposes of this Policy, the following definitions apply:

1. "CPS Principal Candidate Pool" or "Pool" means a list of individuals who have been determined under this Policy or the prior policy (Board Report 08-1217-PO2) to be qualified to seek or be selected for a CPS principalship on a contract basis or on an interim or acting basis, which list excludes those individuals whose membership in the Pool has expired or who have otherwise been removed from the Pool.

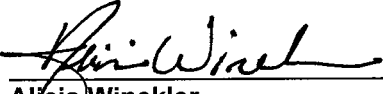

2. "Applicant" means a person who is seeking membership in the CPS Principal Candidate Pool.

3. "Member" means a person who has been admitted to the CPS Principal Candidate Pool and excludes those individuals whose membership in the Pool has expired or who have been removed from the Pool.

**AUTHORIZE RENEWAL OF ISBE WAIVER FOR SUPPLEMENTAL GENERAL STATE AID**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS THAT THE BOARD:**

Authorize the renewal of an application for a waiver from the Illinois School Code requirements regarding supplemental general state aid (SGSA).

**PUBLIC HEARING AND NOTICE:** A public hearing on the waiver held on June 25, 2014, before the Board, in accordance with Section 2-3.25g of the Illinois School Code. Notice was provided through websites cps.edu and cpsboe.org at least fourteen days prior. Notice setting forth the time, date, and place of the hearing was sent to collective bargaining agents and State legislators representing Chicago, as well as published in a Chicago newspaper.

**DESCRIPTION OF THE SGSA WAIVER:**

SGSA funds are allocated to schools each year based on the total number of students receiving free and reduced meals. Currently, the Section 203.20a of the 23 Illinois Administrative Code requires the school district to allocate SGSA funds based on the number of eligible students on December 1 of the year preceding the school year. CPS practice is to make an initial allocation of SGSA funds based on the number of eligible students on the 20<sup>th</sup> day of student attendance for the previous school year, and to make a final SGSA allocation based on the number of eligible students as of the 20<sup>th</sup> day of student attendance for the current school year. The district holds a waiver that allows CEO or designee to continue the practice of allocating SGSA funds based on the 20<sup>th</sup> day count of students receiving free and reduced meals, and the waiver expires at the end of this school year. In order to continue this practice, the district needs to renew this waiver.

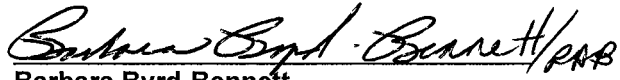

**AUTHORIZATION:** Authorize the Chief Executive Officer or designee to execute the renewal of the waiver application described above and submit it to ISBE in accordance with Section 2-3.25g of the School Code.

21<sup>st</sup> CENTURY URBAN SCHOOLS, INC. (ALAIN LOCKE CHARTER SCHOOL)**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:**

Authorize the renewal of the Charter School Agreement with 21<sup>st</sup> Century Urban Schools, Inc. for an additional five-year period. A new Charter School Agreement applicable to this renewal term will be negotiated. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education. Information pertinent to this renewal is stated below.

Chicago, Illinois 60607

**CHARTER SCHOOL:** Alain Locke Charter School

Phone: (773) 265-7230  
Contact Person: Patrick Love, Principal

**OVERSIGHT:** Office of Innovation and Incubation

**ORIGINAL AGREEMENT:** The original Charter School Agreement (authorized by Board Report 97-1217-EX2) was for a term commencing July 1, 1998 and ending June 30, 2004, and authorized the operation of a charter school serving no more than 750 students in grades K through 12. The charter and Charter School Agreement were subsequently renewed for a term commencing July 1, 2004 and ending June 30, 2009 (authorized by Board Report 04-0225-EX2). The charter and Charter School Agreement were then renewed for a term commencing July 1, 2009 and ending June 30, 2014 (authorized by Board Report 09-0422-EX5) serving no more than 617 students in grades K through 8. The charter and Charter School Agreement were subsequently amended as follows:

- Board Report 10-1215-EX3: Approved the correction of the name of the Alain Locke Charter Academy Charter School to the Alain Locke Charter School.

**CHARTER RENEWAL PROPOSAL:** 21<sup>st</sup> Century Urban Schools, Inc. submitted a renewal proposal on September 3, 2013 to continue the operation of Alain Locke Charter School (Alain Locke). The charter school shall be located at 3141 W. Jackson Boulevard and shall serve grades K through 8 with a maximum enrollment of 617 students.

The agreement will incorporate an accountability plan in which the charter school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

If 21<sup>st</sup> Century Urban Schools, Inc. is authorized to operate a pre-kindergarten program in the same building as the charter school, the children enrolled in the pre-kindergarten will not be included in the enrollment of the charter school and the pre-kindergarten program will not be governed by the Charter

School Agreement. To the extent the Board provides funding for the pre-kindergarten program, that program will be subject to a separate agreement with and separate funding authorized by the Office of Early Childhood Education. A material breach of any contract between the Board and 21<sup>st</sup> Century Urban Schools, Inc. for the operation of a pre-kindergarten program or the charter school may be treated as a breach of the other contract.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Office of New Schools within the Office of Innovation and Incubation conducted a comprehensive evaluation of Alain Locke's academic performance, financial viability, and legal and contract compliance. This evaluation included a review of the proposal, academic results, financial analysis, governance documents, parental issues, facilities surveys, and special education documentation. A public hearing was held on June 23, 2014 to receive public comments on the renewal for Alain Locke. The committee recommends that, based on the school's performance on these and other accountability criteria, Alain Locke be authorized to continue operating as a charter school.

**RENEWAL TERM:** The term of Alain Locke's charter and agreement is being renewed for a five (5) year term commencing July 1, 2014 and ending June 30, 2019.

**ADDITIONAL TERMS AND CONDITIONS:** No additional terms and conditions are included as an attachment to the Charter School Agreement with 21<sup>st</sup> Century Urban Schools, Inc.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement. Authorize the President and Secretary to execute the written Charter School Agreement. Authorize the Senior Director of the Office of Innovation and Incubation to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

**LSC REVIEW:** Approval of Local School Council is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the 2015 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY14 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

**GENERAL CONDITIONS:**

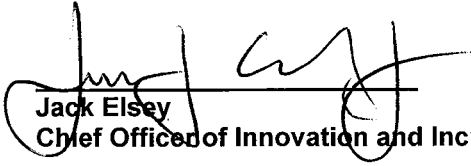

Inspector General - Each party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

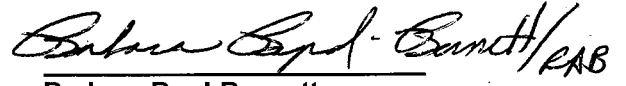

Indebtedness - The Board's Indebtedness Policy adopted June 26, 1996 (96-0626-PO3), as amended from time to time, shall be incorporated into and made a part of the agreement.

Ethics - The Board's Ethics Code adopted May 25, 2011 (11-0525-PO2), as amended from time to time, shall be incorporated into and made a part of the agreement.

**DESCRIPTION:**

School Designation: Pursuant to 105 ILCS 5/34-1.1, 105 ILCS 5/34-18(30) and the contingent authority granted by the Board on June 26, 2013 in Board Report 13-0626-EX3, Excel Academy Southwest will open in the fall of 2014 as a Contract School located at 8301 S. Damen Avenue. The Board hereby designates the Excel Academy Southwest as a Contract School pursuant to 105 ILCS 5/34-2.4b.

Public Hearing: A public hearing on the opening of the Excel Academy Southwest as a Contract School at 8301 S. Damen Avenue was held on June 16, 2014 in the Board Chambers. The hearing was recorded and a summary report of the hearing is available for review.

Request for Proposals: In January 2013, the CEO made available the Request for Proposals for Alternative Options ("RFP") to solicit responses from parties interested in starting or expanding schools or programs to serve out-of-school youth or students at-risk of academic failure. The Excel Academy Southwest proposal was submitted by Camelot Alt Ed-Illinois, LLC in response to that RFP. The proposal was evaluated using the criteria pursuant to the Framework for Evaluation set forth in the RFP and on June 26, 2013, the Board provided contingent approval of the proposal (Board Report 13-0626-EX3) upon the school operator meeting the benchmark identified by the Office of Innovation and Incubation which was the identification of a school site. The CEO determined that Camelot Alt Ed-Illinois, LLC met that contingency.

**Enrollment:** Excel Academy Southwest will be a citywide school that will enroll students in grades 9-12 who are having challenges in the normal school setting or who may have dropped out of school or are at-risk of dropping out. Students will be admitted on an ongoing basis provided that seats are available. If there are more applicants than seats available, applicants will be placed on a waiting list and a random student admissions lottery will be conducted on a quarterly basis. Excel Academy Southwest will accept enrollment for up to 375 students who will be recruited by the school for placement with the assent of the Office of Innovation and Incubation.

**Curriculum:** Excel Academy Southwest will provide an alternative education program focused on youth who are at-risk or have dropped out of a traditional school. **PAYMENT PERIOD:** Tuition payments are authorized for university courses scheduled from July 1, 2014 through June 30, 2017.

**PROGRAM DESCRIPTION:** Payments cover tuition for authorized CPS teachers enrolled in courses at a participating university under the Algebra Initiative Coursework. The Algebra Initiative provides an opportunity for CPS middle grades teachers to pursue Algebra Certification so that an increased number of elementary schools can offer a high school algebra course to well-prepared middle grades CPS students. This enhances the opportunities for students to be on a pathway to take advanced mathematics courses in high school. All of the three universities provide the Algebra Initiative coursework.

**PARTICIPANTS:** Algebra Initiative Coursework participants include CPS teachers who possess a math endorsement, have demonstrated leadership skills, and have expressed a desire to obtain HS Algebra Certification. Participants are selected through a competitive process and commit to the year-long sequence of courses. In order to earn certification, teachers must successfully complete the coursework and pass the Teacher Qualifying Exam offered in January and/or March of the following year.

**OUTCOMES:** The Algebra Initiative Coursework program will result in an increased number of certified algebra teachers in the middle grades. This allows a greater number of well-prepared middle grades students access to high quality, rigorous, and coherent high school algebra courses. This increases the number of students on the pathway to Advanced Placement (AP) mathematics courses in high school, thereby increasing the likelihood of future postsecondary success in mathematics.

In addition, the Algebra Initiative is aligned to our district goals of ensuring that every child has access to high quality teaching and learning in alignment with the Common Core State Standards in Mathematics (CCSSM). Many of the standards that were previously addressed only in high school algebra will now be taught in the standard 8<sup>th</sup> grade mathematics curriculum. Hence, all teachers who enroll in these courses will have a deeper understanding of the content and practices needed to teach all middle grade students in a challenging, rigorous instructional setting as defined by the CCSSM.

**COMPENSATION:** Tuition payments to all 3 universities during the payment period shall not exceed \$700,000 in total through June 30, 2017.

**AUTHORIZATION:** The Director of Mathematics is authorized to direct payments to be made to the universities as necessary.

**AFFIRMATIVE ACTION:** Pursuant to Section 5.2.3 of the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, tuition payments to other educational institutions are exempt from MBE/WBE review.

**LSC REVIEW:** Local School Council approval is not applicable to this report.

**FINANCIAL:** Fund 353, Unit 13717, Mathematics, FY15 – FY 17 \$700,000  
Future year funding is contingent upon budget appropriation and approval.

**ADOPT AMENDMENTS TO THE UNIFORM PRINCIPAL'S PERFORMANCE CONTRACT FOR  
SCHOOLS WITH A TRADITIONAL LOCAL SCHOOL COUNCIL AND TO THE UNIFORM  
PRINCIPAL'S PERFORMANCE CONTRACT FOR SCHOOLS WITH AN APPOINTED LOCAL  
SCHOOL COUNCIL**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Chicago Board of Education approve a revised Uniform Principal's Performance Contract for schools with a traditional Local School Council, attached as Exhibit A, and also approve a revised Uniform Principal's Performance Contract for schools with an appointed Local School Council, attached as Exhibit B. The proposed amendments to both Uniform Principal's Performance Contracts have been discussed with the Principals' and Administrators' Association.

**DESCRIPTION:** The amendments are necessary to reflect changes in the law including the requirement to hold a REACH certificate to evaluate staff, the requirements of the Performance Evaluation Reform Act of 2010 and the change in the composition of the traditional Local School Council to include an additional a non-teaching staff member. The amendments further include and provide for modifications to Board Rules, Policies, procedures and guidelines, provide for principal consent to release their annual evaluation by the CEO or designee to their local school council and clarify the contracting process undertaken by Local School Councils through revisions to the certification page. Additional revisions were included to reflect current practice, streamline or clarify contract provisions and distinguish the two types of uniform principal's performance contracts.

- h) Unless prohibited by law or by Rule or Policy of the Board of Education, the Principal shall provide to the Local School Council copies of all internal audits and any other pertinent information generated by any audits or reviews of the programs and operations of the Attendance Center.
- i) The Principal shall direct, supervise, evaluate and suspend with or without pay or otherwise discipline all teachers and other employees assigned to the Attendance Center in accordance with Board of Education Rules, Policies, and written Procedures and Guidelines promulgated pursuant to Rule or Policy and consistent with applicable collective bargaining agreements and Illinois law.

- q) The Principal shall fulfill other obligations imposed upon the Principal by: the Illinois School Code; other applicable state and federal laws; Board of Education Rules, Policies and written Procedures and Guidelines promulgated pursuant to Rule or Policy; collective bargaining agreements; and court decisions and decrees and settlements entered into by the Board of Education.
- r) The Principal may, in accordance with Board of Education Rules, Policies and written Procedures and Guidelines promulgated pursuant to Rule or Policy including, but not limited to those concerning conference leave, seek professional growth through collegial activities, attendance at professional meetings and the pursuit of further education.

Failure to perform the duties set forth in this Section, in Board of Education Rules, Policies, written Procedures or Guidelines or the duties specified by the Chief Executive Officer or designee may result in disciplinary action pursuant to Rules, Policies and written Procedures and Guidelines promulgated pursuant to Board Rule or Policy, and may constitute a material breach of this Agreement and cause for termination.

### **III. COMPENSATION**

The Board of Education shall pay salary and provide benefits to the Principal in accordance with the administrative salary plan, as may be amended from time to time, Board Rules, Policies, Guidelines and Procedures promulgated pursuant to Rule or Policy, including all benefits for which full-time, regularly appointed certificated employees are eligible.

#### IV. EVALUATION

##### A. Evaluation By The Local School Council

(a) The Local School Council shall annually evaluate the Principal in accordance with 105 ILCS 5/34-2.3. The evaluation shall be in writing in a form prescribed by the Board of Education, which includes the following criteria:

- 1) student academic improvement, as defined by the Plan;
- 2) student absenteeism rates at the school;
- 3) instructional leadership;
- 4) the effective implementation of programs, policies, or strategies to improve student academic achievement;
- 5) school management;
- 6) any factors deemed relevant by the local school council, including, without limitation, the principal's communication skills and ability to create and maintain a student-centered learning environment, to develop opportunities for professional development, and to encourage parental involvement and community partnerships to achieve school improvement;
- 7) the Principal's fulfillment of his/her duties under this Agreement, including the duties specifically identified in Section II of this Agreement;
- 8) such other performance factors as are mutually agreed upon by the Principal, the Board of Education and the Attendance Center's Local School Council in accordance with Section XI. of this Agreement.

(b) Not less than 150 days prior to the expiration of this contract, the Local School Council shall evaluate the Principal, in writing, using the Board-approved evaluation form, to assess the educational and administrative progress made at the school during the term of this Agreement in order to determine whether to renew this Agreement. The Local School Council shall base its evaluation on the criteria set forth in Section IV.A.(a) above.

(c) The Principal and the Local School Council shall meet at least once as the Local School Council gathers information to prepare its annual evaluation. The Local School Council shall send its signed, written evaluation, in the form prescribed by the Board of Education, to the Principal on the date specified by the Chief Executive Officer or designee during each year of this Agreement;

(d) Within 30 days of the Principal's receipt of the Local School Council's signed, written evaluation, the Principal and the Local School Council may meet, upon request of either the Principal or the Local School Council, in executive session, to discuss the contents of the evaluation. As a result of that meeting, the Local School Council may, but is not obligated to, revise its written evaluation. The Local School Council shall send a copy of its final evaluation to the Principal, with a copy to the Chief Executive Officer or designee, on the date specified by the Chief Executive Officer or designee.

##### B. Evaluation By The Chief Executive Officer

(a) The Chief Executive Officer or designee shall conduct an annual evaluation of the Principal in accordance with 105 ILCS 5/34-8.

(b) The annual evaluation conducted by the Chief Executive Officer or designee shall be sent to the Principal and the data used in the evaluation will be sent to the Local School Council.

(c) The Principal authorizes the Chief Executive Officer or designee to share with the Local School Council the Performance Level Rating result from their annual evaluation by the Chief Executive Officer or designee.

(d) The Principal authorizes the Chief Executive Officer or designee to share with the Local School Council, upon request by the Chairperson of the Local School Council, the complete annual evaluation that the Principal received from the Chief Executive Officer or designee, including the Principal reflections/comment portion of the evaluation.

(e) The Principal authorizes the Chief Executive Officer or designee to meet with the Local School Council in executive session to discuss the contents of the Principal's evaluation conducted by the Chief Executive Officer or designee and the Principal may elect to participate in this meeting.

Nothing in this Section is intended to preclude the Principal from sharing with the Local School Council the contents of his/her Principal's evaluation conducted by the Chief Executive Officer or designee including the Principal reflections/comment portion of the evaluation.

## V. CONTRACT TERMINATION

This Agreement may be terminated by the Board of Education upon:

- (a) written agreement of the Board of Education, the Local School Council and the Principal;
- (b) removal of the Principal for cause pursuant to 105 ILCS 5/34-85;
- (c) closure of the attendance center or permanent merger of the attendance center into another attendance center;
- (d) death or retirement of the Principal;
- (e) resignation of the Principal, which includes when a Principal is absent without leave;
- (f) approval of the Principal's request for a supplemental personal medical leave or other leave that does not provide position protection;
- (g) removal, reassignment, layoff or dismissal of the Principal pursuant to 105 ILCS 5/34-8.3 and 105 ILCS 5/34-8.4.

Further, this Agreement may be deemed null and void by the Board of Education as described in Section IX. of this Agreement. For purposes of Section V.(f) above, a principal on a supplemental personal medical leave or other leave that does not provide position protection maintains their Board employment status during the term of the approved leave notwithstanding the termination of this Agreement.

## VI. EXPIRATION

Unless terminated earlier, this Agreement, including and notwithstanding the procedures set forth herein, shall expire at the end of its stated term and shall not grant or create any contractual rights or other expectancy of continued employment beyond the term of this Agreement, except as indicated and solely to the extent provided in Section VII of this Agreement.

## VII. RENEWAL AND NON-RENEWAL

(a) The Local School Council shall decide whether to renew this Agreement with the Principal based upon the evaluation pursuant to Section IV.A.(b). The Local School Council shall notify the Principal of its decision regarding whether to renew this Agreement with the Principal in writing no later than February 1 of the calendar year in which this Agreement expires or, if the Principal's term expires on a date other than June 30, 150 days before expiration of this Agreement. The Principal shall have no right to demand that the Local School Council make this decision earlier than the date set forth in this Section. In the event that the Local School Council fails to provide written notice of its decision in the manner set forth above by February 1 or, if the Principal's term expires on a date other than June 30, 150 days before expiration of this Agreement, then the Board may appoint an interim principal at the Attendance Center until the Local School Council selects a new Principal to serve.

(b) In the event that the Local School Council decides not to renew this Agreement with the Principal, the Local School Council shall, if requested by the Principal, provide in writing the reasons for its decision not to renew. The written reasons shall be provided to the Principal, with a copy to the Chief Executive Officer, no later than February 22 of the calendar year in which this Agreement expires or, if the Principal's term expires on a date other than June 30, 128 days before expiration of this Agreement.

(c) The Local School Council shall have no right to renew this Agreement with the Principal if the Principal fails to meet any requirement which is established or imposed by the Board of Education in accordance with 105 ILCS 5/34-8.1 as a condition of the continued employment of the Principal or of the renewal of this Agreement with the Principal.

(d) In the event that the Local School Council decides to renew this Agreement at the conclusion of the term stated in Section I of this Agreement, the Board of Education, the Local School Council and the Principal shall enter into a new Agreement for a term of four years pursuant to 105 ILCS 5/34-2.3 upon approval by the Board of Education of employment of the Principal and subject to the following condition.

1) If the Principal failed to obtain a rating of "excellent" or "proficient" in the Chief Executive Officer's or designee's evaluation for the previous year and the Local School Council votes to renew the Principal's contract, a Local School Council member or members or the Chief Executive Officer, within 15 days after the Local School Council's retention decision, may request a review of that decision, to be conducted in accordance with 105 ILCS 5/34-2.3(1.5) and (1.10). Such a review may be requested only once for that Principal at that Attendance Center.

(e) In the event that this Agreement is not renewed, the Local School Council shall be free to select another principal to serve under a four year performance contract as principal of the Attendance Center subject to the following condition.

1) If the Local School Council fails to renew the performance contract of the Principal, and the Principal was rated by the Chief Executive Officer or designee in the previous years' evaluations as "excellent" or "proficient", the Principal, within 15 days after the Local School Council's non-retention decision, may request a review of that decision by submitting a written request to the Chief Executive Officer or designee. The review shall be conducted in accordance with 105 ILCS 5/34-2.3(1.5) and (1.10). The Principal may request such a review only once while at that Attendance Center.

(f) Pursuant to 105 ILCS 5/34-8.1, in the event that this Agreement is not renewed, the Principal's employment as a principal shall terminate upon the expiration of this Agreement, and he/she shall not be reinstated to any former position which he/she previously held with the Board of Education. However, the failure of the Local School Council to renew this Agreement with the Principal shall not limit the Principal from seeking and receiving other employment with the Board of Education based upon his/her experience and valid certifications and, if otherwise qualified under the Illinois School Code, his/her name shall be placed on appropriate eligibility lists which the Board of Education maintains for teaching positions.

(g) In the event that this Agreement is not renewed and the Principal does not retire or is not otherwise employed by the Board of Education after expiration of the term of this Agreement, the Principal shall be eligible to continue to receive his or her previously provided level of health insurance benefits for a period of 90 days following expiration of the term of this Agreement. Nothing in this subsection is intended to limit or otherwise impact the Principal's rights under COBRA or any other federal or state law concerning insurance.

#### **VIII. SEVERABILITY**

The provisions of this Agreement shall be considered severable and independent. If any provision of this Agreement is held invalid or unenforceable, the remaining provisions shall not be affected.

#### **IX. VOIDABLE CONTRACT**

It is expressly agreed and understood that as a condition precedent to this Agreement, the Principal shall continuously possess the requisite state certifications/licenses and shall continuously satisfy the Board's employment and other requirements and prerequisites necessary to serve as Principal in the Chicago Public Schools and failure to do so shall constitute grounds for the Board of Education to declare this Agreement null and void.

(a) The Principal represents (1) that he/she currently and continuously possesses the requisite state licenses and certification(s) to serve as principal in the Chicago Public Schools which includes, but is not limited to, state certification to conduct teacher evaluations; and (2) that he/she meets any and all requirements for the employment or continued employment as principal which are established or imposed by the Board of Education in accordance with 105 ILCS 5/34-8.1. In the event the Principal does not

continuously possess the requisite state certifications/licenses to serve as a principal in the Chicago Public School System or otherwise fails to meet any requirement established or imposed by the Board of Education in accordance with 105 ILCS 5/34-8.1, the Board of Education may declare this Agreement null and void and terminate the Principal.

(b) The Principal represents: (1) that the information set forth in his/her employment application, principal application and principal eligibility application is true and accurate; and (2) that he/she has never been convicted of any of the enumerated criminal offenses set forth in 105 ILCS 5/34-18.5. In the event that the Board of Education subsequently finds: (1) that the information set forth in said application(s) is not true and accurate; or (2) that he/she has been convicted of any of the enumerated criminal offenses set forth in 105 ILCS 5/34-18.5, the Board of Education may declare this Agreement null and void and terminate the Principal.

In the event the immediate predecessor principal at the Attendance Center is challenging the Local School Council's decision to not renew their agreement in accordance with 105 ILCS 34-2.3(1.5) and (1.10), this Agreement shall be deemed void or modified in accordance with the decision of the hearing officer in such matter.

## **X. APPLICABLE LAW**

This Agreement shall be interpreted and governed by the laws of the State of Illinois.

## **XI. ENTIRE AGREEMENT**

(a) This Agreement shall constitute the entire Uniform Principal's Performance Contract, and no additions, deletions or modifications may be made to this Agreement during its term unless made in writing and signed by the Board of Education, the Local School Council and the Principal. However, notwithstanding anything in this Agreement to the contrary this Agreement may be modified upon renewal pursuant to 105 ILCS 5/34-8.1. Also, notwithstanding anything in this Agreement to the contrary, the Board of Education may establish or impose requirements in accordance with 105 ILCS 5/34-8.1 as conditions of the execution of this Agreement, and may establish or impose requirements in accordance with 105 ILCS 5/34-8.1 as conditions of the renewal of this Agreement. This Agreement supersedes all prior agreements, arrangements and communications between the parties dealing with the subject matter hereof, whether oral or written.

(b) Nothing in subsection XI.(a) above shall prohibit the Local School Council from negotiating additional criteria pursuant to 105 ILCS 5/34-2.3. Such additional criteria shall not discriminate on the basis of race, color, sex, gender identity/expression, age, religion, creed, national origin, sexual orientation or disability unrelated to ability to perform, and shall not be inconsistent with this Agreement, with other provisions of the Illinois School Code governing the authority and responsibility of principals, with Board of Education Rules, Policies, Guidelines or Procedures, or with court decisions, decrees or settlements affecting the Board of Education. Any additional criteria are subject to approval by the Board of Education's General Counsel, working in consultation with the organization representing Principals (currently the Chicago Principals and Administrators Association), for purposes of determining such consistency, and such criteria shall not be effective until they are so reviewed and approved, and included as an attachment to this Agreement prior to execution of this Agreement by the parties.

## **XII. MISCELLANEOUS**

(a) This Agreement shall be binding upon and shall inure to the benefit of any transferees, successors or assigns of the Board of Education. This Agreement may not be assigned by the Principal under any circumstances.

(b) This Agreement is entered into solely for the benefit of the parties hereto, and any transferees, successors or assigns of the Board of Education pursuant to subsection XII.(a) above. This Agreement is not intended to confer any rights or impose any duties on any third party, and is not intended to expand the liability of any party hereto to any third party.

(c) The Principal agrees to comply during the term of this Agreement with all Board of Education Rules, Policies and written Procedures and Guidelines promulgated pursuant to Rule or Policy and to the extent that such Rules, Policies, Guidelines or Procedures are inconsistent with the terms and conditions of this Agreement, the Rules, Policies, Guidelines or Procedures shall control.

(d) The Rules and Policies and written Procedures and Guidelines promulgated pursuant to a Rule or Policy of the Board of Education promulgated during the term of this Agreement are hereby incorporated by this reference, and shall supersede any inconsistent terms and conditions of this Agreement.

(e) The waiver by any party of a breach of any provision of this Agreement by another party, or the failure of any party to enforce any provision or obligation hereunder, shall not operate or be construed as a waiver of any subsequent breach by that party or bar the subsequent enforcement of any provision or obligation under this Agreement.

(b) The Principal represents: (1) that the information set forth in his/her employment application, principal application and principal eligibility application is true and accurate; and (2) that he/she has never been convicted of any of the enumerated criminal offenses set forth in 105 ILCS 5/34-18.5. In the event that the Board of Education subsequently finds: (1) that the information set forth in said application(s) is not true and accurate; or (2) that he/she has been convicted of any of the enumerated criminal offenses set forth in 105 ILCS 5/34-18.5, the Board of Education may declare this Agreement null and void and terminate the Principal.

This Agreement shall be interpreted and governed by the laws of the State of Illinois.

**XI. ENTIRE AGREEMENT**

(a) This Agreement shall constitute the entire Uniform Principal's Performance Contract, and no additions, deletions or modifications may be made to this Agreement during its term unless made in writing and signed by the Board of Education and the Principal. However, notwithstanding anything in this Agreement to the contrary, this Agreement may be modified upon renewal pursuant to 105 ILCS 5/34-8.1. Also, notwithstanding anything in this Agreement to the contrary, the Board of Education may establish or impose requirements in accordance with 105 ILCS 5/34-8.1 as conditions of the execution of this Agreement, and may establish or impose requirements in accordance with 105 ILCS 5/34-8.1 as conditions of the renewal of this Agreement. This Agreement supersedes all prior agreements, arrangements and communications between the parties dealing with the subject matter hereof, whether oral or written.

(b) Nothing in subsection XI.(a) above shall prohibit the Chief Executive Officer from negotiating additional criteria with the Principal. Such additional criteria shall not discriminate on the basis of race, color, sex, gender identity/expression, age, religion, creed, national origin, sexual orientation or disability unrelated to ability to perform, and shall not be inconsistent with this Agreement, with other provisions of the Illinois School Code governing the authority and responsibility of principals, with Board of Education Rules, Policies, Guidelines or Procedures, or with court decisions, decrees or settlements affecting the Board of Education. Any additional criteria are subject to approval by the Board of Education's General Counsel, working in consultation with the organization representing Principals (currently the Chicago Principals and Administrators Association), for purposes of determining such consistency, and such criteria shall not be effective until they are so reviewed and approved, and included as an attachment to this Agreement prior to execution of this Agreement by the parties.

**XII. MISCELLANEOUS**

(a) This Agreement shall be binding upon and shall inure to the benefit of any transferees, successors or assigns of the Board of Education. This Agreement may not be assigned by the Principal under any circumstances.

This Agreement is not intended to confer any rights or impose any duties on any third party, and is not intended to expand the liability of any party hereto to any third party

(c) The Principal agrees to comply during the term of this Agreement with all Board of Education Rules, Policies and written Procedures and Guidelines promulgated pursuant to Rule or Policy and to the extent that such Rules, Policies, Guidelines or Procedures are inconsistent with the terms and conditions of this Agreement, the Rules, Policies, Guidelines or Procedures shall control.

(d) The Rules and Policies and written Procedures and Guidelines promulgated pursuant to a Rule or Policy of the Board of Education promulgated during the term of this Agreement are hereby incorporated by this reference, and shall supersede any inconsistent terms and conditions of this Agreement.

(e) The waiver by any party of a breach of any provision of this Agreement by another party, or the failure of any party to enforce any provision or obligation hereunder, shall not operate or be construed as a waiver of any subsequent breach by that party or bar the subsequent enforcement of any provision or obligation under this Agreement.

To support this initiative, Vendor has and will continue to develop a systematic formal School Diagnostic Review (SDR) process to measure and differentiate each school's performance compared to uniform school quality standards. Based on the results of the review, OS4 is able to provide supports and services that are tailored to each school's strengths and challenges. In the second year of service (2014-2015), the Vendor will continue to lead the implementation of the SDR process based on the school quality standards that were developed in partnership with CPS. In partnership with OS4, the Vendor will create and implement a training program that develops CPS staff capacity to engage in the SDR process independently and without continued assistance from the Vendor, in the future.

**DELIVERABLES:**

The Vendor will continue to provide the following services, supports and resources:

(1) Lead the implementation of the SDR process twice a year, in approximately 35-40 schools designated by CPS. These reviews will occur in schools supported by OS4 and other CPS schools, as necessary. In order to implement the SDRs, the Vendor will continue to work with CPS to schedule and coordinate the SDRs and train CPS staff members on how to participate in reviews by using the School Quality Standards, and other defined protocols to support the SDR process.

(2) The Vendor will also work with OS4 to create and implement a training program that develops CPS staff capacity to lead the SDR process independently from the Vendor. This training will sustain the work and support the district's ability to conduct school quality reviews. The sustainability training will include: supporting the process for selecting key roles in the SDR process, including the Reviewer selection, Trainer selection, and Quality Assurance Reader selection; providing comprehensive training and coaching for reviewers both in person and virtually; providing Trainer training; providing report-writing training; and providing coaching on conducting post review reflections.

**OUTCOMES:**

The design and implementation of an SDR process is critical to the development of high performing schools. They provide CPS with the following: (1) a systematic review of a school's current practices, processes and systems; (2) the identification of school strengths and challenges as they relate to teaching and learning; (3) assistance to CPS in establishing priorities; (4) the development of a meaningful school improvement plan with benchmarks for future performance; and (5) an increase in district capacity to continue to understand the core elements of a high performing school, how to engage in self-reflection and assess and redirect current practices to increase student achievement.

**COMPENSATION:**

Vendor shall be paid as specified in the agreement; total not to exceed the sum of \$1,225,000.

However, the Office of Business Diversity recommends granting a temporary waiver of the MBE/WBE goals required by the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts. It was assumed at the time of design that this beam above the bay window in Classroom 105 was completely separate from the surrounding stone on the exterior face of the building; however, during demolition activities it was discovered that they were indeed integral. The purpose of the change order scope was to open up the existing wall construction at the existing concrete spandrel beam in an effort to investigate the existing concrete further so that an informed decision could be made on how to address the beam in question. Ultimately it was left in place and repaired. |                          |                      |                     |                         |                     | 2438688            | Discovered Conditions |

**OUTCOMES:**

Replacement of this back-up system has ensured continued operation of the core network equipment, providing all schools access to Board systems and the Internet. The Board has leveraged the James R. Thompson Center for the operation of key network equipment and the connection of school data circuits into our network for the past fourteen years. A portion of the CPS bandwidth is also provided by the State of Illinois through this building. CPS network equipment in this facility must be protected from power surges and/or failures to ensure the network remains running.

The battery back-up for the JRTC building failed and needed to be replaced. The State of Illinois replaced the back-up system and has asked for CPS to assist with the cost, since CPS uses a significant portion of the electrical load. The total replacement cost is \$136,632.00, of which the CPS share is 62%, or \$84,492.00.

**COMPENSATION:**

Vendor shall be paid the sum of \$84,492.00.

**SCOPE OF SERVICES:**

The Board has conducted a thorough assessment of the violence-related risks posed to CPS school students both inside and outside of the school. In response to data-based research and community discussions, the Board is executing a safety strategy designed to focus resources on two ultimate goals: 1. Reduce the likelihood that high-risk Chicago Public Schools students will become victims of violent incidents; and, 2. Create a safe, secure, and supportive school environment to increase student attendance and improve academic performance. To achieve these goals, the Board has outlined the Safe Passage program to help ensure safety students travel. The Vendors will continue to provide the following Safe Passage Services: I. Community Watchers: Vendors will deploy Safe Passage staff ("Community Watchers" or "Watchers") throughout Board-designated safety routes to supervise students traveling to and from school grounds. Such supervision will occur during school arrival and dismissal times or solely during dismissal times. Such supervision will vary depending on the individual school's arrival and dismissal times. II. Outreach Management Services: Vendors may be asked to provide outreach services for students with five (5) or more unexcused absences. Outreach services will include the administration

of assessments to uncover the circumstances associated with students' absences and the communication of the results of such assessment to the appropriate entities. All Safe Passage Vendor staff must satisfy the CPS and statutory requirements for individuals who have access to students, which includes background checks.

**DELIVERABLES:**

Community Watchers' duties will continue to consist of: 1) Reporting to daily assigned post(s) to assist students as they travel to and from bus stops and board necessary buses; 2) Monitoring designated "hot spots" for suspicious behavior and potential conflicts; 3) Collaborating with the CPD and CPS and instantly reporting any known or potential conflicts to the CPD and CPS; 4) Submitting a daily electronic incident report as well as a weekly electronic report that will include the number and description of incidents, responses to incidents, a list and description of troubled buildings, and an explanation of potential conflicts the Community Watchers suspect will occur in the near future; and 5) Wearing a uniform and/or having official identification that clearly identifies their status as Community Watchers.

**OUTCOMES:**

Vendor's services will result in 1) increased student attendance, 2) decreased violent incidents involving CPS students, and 3) increased student perception of safety traveling to and from school.

**COMPENSATION:**

Vendors shall be paid as specified in their respective agreement; total compensation for all vendors during this renewal period not to exceed the aggregate sum of \$8,700,000.

**AUTHORIZATION:**

Authorize the General Counsel to include other relevant terms and conditions in the written renewal agreements. Authorize the President and Secretary to execute the renewal agreements.
