APPROVE THE PRE-QUALIFICATION STATUS AND APPROVE ENTERING INTO MASTER
AGREEMENTS WITH CONTRACTORS FOR VARIOUS TRADES WORK OVER \$10,000 FOR
THE OPERATIONS AND MAINTENANCE PROGRAM**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Approve the pre-qualification status and approve entering into master agreements with contractors for various trades work over \$10,000 for the Operations and Maintenance Program at a cost estimated not to exceed \$6,000,000 for a two-year period. Contractors were selected pursuant to a duly advertised Request for Qualifications (Specification No.: 01-250167). A written agreement for each Contractor's services is currently being negotiated. No services shall be rendered and no payment shall be made to any Contractor prior to the execution of such Contractor's written master agreement. The authority granted herein shall automatically rescind as to each contractor in the event a written master agreement is not executed by such Contractor within 120 days of this Board Report. Information pertinent to these agreements is stated below.

This amendment is necessary to add additional trades and/or to delete various trades from contractors, to delete three environmental contractors from this pool, to add 40 additional contractors to this pool and to change the language in the Use of Pre-Qualified Pool section so that all schools are allowed to use the pool. Written master agreements for each new contractor are currently being negotiated. No services shall be rendered by any contractor prior to the execution of such contractor's written master agreement. The authority granted herein shall automatically rescind as to each new contractor in the event a written Master Agreement is not executed by such new contractor within 120 days of this amended Board Report. Written amendments are also required for those original contractors which will reflect the additional or deleted trades for which they are pre-qualified. Written termination letters shall also be sent to the three environmental vendors being eliminated from this pre-qualified pool.
