**PROGRAM:** Schools Without Walls is a comprehensive program that allows teachers to bring Chicago's cultural institutions into the classroom. This program is a result of collaborations between CPS and the city's cultural leaders. This program allows CPS schools and departments to access the vast educational resources available from the cultural institutions within the framework of the Illinois State Goals.

**EDUCATIONAL VALUE/OUTCOMES:** Focused field trips and in-school programs will enhance the educational experience for Chicago Public Schools students as they develop visual and analytical skills through investigating objects and exploring exhibits. Educational resources, teacher workshops, professional development and educator previews of exhibits will provide teachers with avenues that enhance student learning and develop both visual and analytical skills.

**USE OF THESE INSTITUTIONS:** Each school or department is authorized to utilize the cultural institutions listed on the attached list in the amount not to exceed \$25,000 per institution during the term of this authorization. In the event that requested services of any one institution by any one school or department will exceed \$25,000, the school or department must obtain prior written authorization from the Deputy Chief Education Officer to ensure that such requested services are in accordance with the spirit and mission of the *Schools Without Walls Program*.

**AUTHORIZATION:** Authorize the Deputy Chief Education Officer to authorize payment to the participating cultural institutions and to add new cultural institutions to this program as the need arises.

**AFFIRMATIVE ACTION:** Pursuant to Section 3.7 of the M/WBE Plan, this contract is exempt from review under the M/WBE Plan due to the fact there is no way to determine which schools will utilize which institutions or for what dollar amount.

**LSC REVIEW:** Not applicable
