PROGRAM: Our World Language Program at South Shore Community High School will send students to Madrid and the Sun Coast from March 7, 2005 through March 16, 2005.

EDUCATIONAL VALUE/OUTCOMES: It is strongly believed that students learn a second language best when they are immersed in the language and culture. By traveling to Spain, the students will have the opportunity to fully indulge in not only the Spanish language, but also in the daily culture. This will be a great opportunity for the students to use everything that they have learned. The students will verbally, audibly, visually and kinesthetically learn through experience more about the language as a culture and not just as a spoken language. Overall we will give our students a life time opportunity to study a world language in a unique way; to be able to travel to a new place and discover the culture, heritage and way of living of those in a different country. During this voyage the students will have the opportunity to explore cultural institutions and historical sites as they experience language immersion and contemporary Spanish life and culture. The students and their teachers/faculty will follow a prescribed itinerary of field trips to sites of historical and cultural interest related to the curriculum.
