

**APPROVE THE REVISED SCHOOL IMPROVEMENT PLANS AND BUDGET WORKSHEETS
FOR SCHOOLS ON THE ILLINOIS STATE BOARD OF EDUCATION ACADEMIC WATCH LIST**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

That the Chicago Board of Education approve the revised 2004-06 School Improvement Plans for Advancing Academic Achievement (SIPAAA) and budget worksheets for schools on the Illinois State Board of Education Academic Watch List.

DESCRIPTION: Schools that were on the Illinois State Board of Education 1998 Academic Early Warning List (AEWL) and failed to make adequate yearly progress are currently on the Academic Watch List. There are 301 Chicago Public Schools on the list. The Academic Watch List is mandated in the Illinois School Code under section 5/2-3.25. A school district that has one or more schools on the Academic Watch List must submit a revised School Improvement Plan for approval by the State Superintendent of Education setting forth the district's expectations for removing each school from the Academic Watch List and for improving student performance in that school. See the list of schools attached as exhibit A.

The School Code requires that each school on the Academic Watch List shall revise its school improvement plan in collaboration with its staff. In early February 2003 the Area Instructional Officers and schools formed panels and reviewed drafts of the School Improvement Plans for their respective schools. The plans were developed in consultation with the staffs of the affected schools and the local school councils. The panels, chaired by the Area Instructional Officers, ensured the quality of the plans, alignment to Chicago Public Schools initiatives, and consistency. All of the plans were reviewed and approved by April, 2004. The revisions to the 2004-06 SIPAAAs and the 2005-06 budget worksheets were reviewed and approved by the school's AIO by May, 2005. The revised School Improvement Plans and budget worksheets must now be approved by the Board of Education. Following that approval, the plans shall be submitted to the State Superintendent of Education for approval.

AFFIRMATIVE ACTION: Not applicable.

LSC REVIEW: Local School Council approval is not applicable to this report.

FINANCIAL: No cost to the Chicago Public Schools.

GENERAL CONDITIONS:

Inspector General – Each party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Chicago Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts – The agreement shall not be legally binding on the Board if entered into in violation of the provisions of 105 ILCS 5/34-21.3 which restricts the employment of, or the letting of contracts to, former Board members during the one year period following expiration or other termination of their terms of office.

Indebtedness – The Board's Indebtedness Policy adopted July 26, 1995 (95-0726-EX3), as amended from time to time, shall be incorporated into and made a part of the agreement.

Ethics – The Board's Ethics Code adopted September 27, 1995 (95-0927-RU3), as amended from time to time, shall be incorporated into and made a part of the agreement.

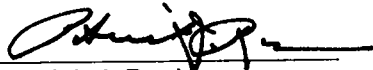

Contingent Liability – The agreement shall contain the clause that any expenditure beyond the current fiscal year is deemed a contingent liability, subject to appropriation in the subsequent fiscal year budget(s).
