On July 18, 2005, Betty Shabazz International Charter School submitted a material modification to add a new campus at 1540 W. 84th Street and to increase their enrollment cap by 500 students. The new Betty Shabazz International Charter School enrollment cap will be 1300 (500 high school students at 4934 S. Wabash Avenue and 400 elementary school students at 7823 S. Ellis and 400 elementary school students at 1540 W. 84th Street). The new elementary school campus will open in the fall of 2005 with students in grades 6 – 8. A public hearing was held on July 25, 2005.

CHARTER EVALUATION: The Charter School's Office Review Committee ("Committee") has reviewed and evaluated Shabazz's renewal proposal as well as the school's past academic, financial and operational performance. During the last school year, Betty Shabazz satisfied its academic accountability requirements in all areas. In reading, 51% of Shabazz students are at national norms and in math 47% of students are at national norms. In both subjects, Shabazz students achieved slightly more than a year of growth (1.03 and 1.02 respectively) in 2001-02. On the 2002 ISAT, 44% of students met or exceeded state standards, an increase 9.6% over the prior year. The school has a low mobility rate and is well managed. The charter school performed better than CPS neighborhood schools on 5 of the 7 student performance measures reviewed. The committee recommends, based on these accountability measures and results, that Betty Shabazz be authorized to continue operating as a charter school.

RENEWAL TERM: The term of Betty Shabazz's charter status is being extended for five (5) years commencing July 1, 2003 and ending June 30, 2008.
