B. Friedman & Company (the "Analyst"), a feasibility analyst having a national reputation in such matters, demonstrating the projected sufficiency of the "Pledged Increment" (as defined in the Westinghouse High School Intergovernmental Agreement) to pay principal of and Interest on the

Westinghouse High School City Note at such times and in such amounts sufficient to provide the School District with revenues, including without limitation amounts available to the School District in later years and estimated investment earnings thereon and moneys held in the funds and accounts pursuant to the Indenture, in an amount not less than 1.10 times annual debt service on the Bonds which Report, including the assumptions set forth therein, the Board has found to be reasonable; and

NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

1. Incorporation of Preambles; Acceptance of Report. The preambles of this Resolution are hereby incorporated into this text as if set out herein in full. The Report, a copy of which is on file with the Secretary of the Board and is before the Board at the meeting at which this Resolution is adopted, has been heretofore and is hereby accepted and approved by the Board.

2. Issuance of Bonds. (a) There shall be authorized the borrowing on the credit of and for and on behalf of the Board the aggregate principal amount of not to exceed \$53,750,000 for the purpose of paying (i) all or a portion of the costs of the TIF-Funded Improvements, (ii) capitalized interest on the Bonds, and (iii) costs of issuance of the Bonds, including bond insurance premium, and the Bonds may be issued from time to time in said aggregate principal amount, or such lesser aggregate principal amounts, as may be determined by either the President of the School Board or the Chief Financial Officer (each, a "Designated Official"). The Bonds shall be designated "Unlimited Tax General Obligation Bonds (Dedicated Revenues - Westinghouse High School Project), Series 2005C," with such additions, modifications or revisions as shall be determined to be necessary by either of the Designated Officials at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are

Capital Appreciation Bonds, Current Interest Bonds or Convertible Bonds (each as defined herein) and any other authorized features of such Bonds determined by either of the Designated Officials as desirable to be reflected in the title of the Bonds being issued and sold. The Designated Officials are each hereby authorized to appoint a Trustee for the Bonds so issued; provided, that such Trustee shall be a bank, trust company or national banking association doing business and having its principal corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly owned subsidiary of such an entity. The Bonds shall be issued and secured pursuant to the terms of the Indenture, and each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest, the Indenture on behalf of the Board, the Indenture to be in substantially the form which is on file with the Secretary of the Board and is before the Board at the meeting at which this Resolution is adopted and hereby approved, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the form of Indenture authorized hereby.

The details of the sale of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to Section 4(e) hereof and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in the Indenture executed and delivered by a Designated Official as described herein.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of the Bonds, the Board hereby pledges the Pledged Westinghouse High School City Note Revenues to the payment thereof, and the Board covenants and agrees to provide for, collect and apply such Pledged Westinghouse High School City Note Revenues, together with investment earnings thereon and moneys held in the funds and accounts pursuant to the Indenture, to the payment of the Bonds and the provision of an additional .10 times annual debt service. The determination of the sufficiency of the Pledged Westinghouse High School City Note Revenues and estimated investment earnings pursuant to this paragraph (b) shall be supported by reference to the Report, and acceptance of

the Report by the Board shall be conclusive evidence that the conditions of Section 15 of the Act have been met. Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the Pledged Westinghouse High School City Note Revenues and investment earnings as described herein, from the levy of the Pledged Taxes as provided in the Act and as set forth below.

(c) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "Capital Appreciation Bonds"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "Maturity Amount") of \$5,000 or any integral multiple thereof. As used herein, the "Compound Accreted Value" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond.

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the "Current Interest Bonds"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form, shall be in denominations of \$5,000 each and any integral multiple thereof, and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "Convertible Bonds") at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any

Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Indenture.

The Bonds shall be dated as of a date not earlier than November 1, 2005, as determined by a Designated Official at the time of sale thereof. The principal of the Bonds shall become due and payable on any date not earlier than December 1, 2005 and not later than December 1, 2025, and, such Bonds shall either bear interest (computed upon the basis of a 360-day year of twelve 30-day months) payable semiannually on each June 1 and December 1, commencing on or after June 1, 2006, or bear interest payable only at the maturity thereof, at a rate or rates not to exceed 9 percent per annum, all as shall be determined by a Designated Official at the time of sale of the Bonds.

(d) The Bonds may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed, plus accrued interest to the date of redemption), as shall be determined by a Designated Official at the time of the sale thereof. The Bonds may be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; provided, that such Bonds shall reach final maturity not later than the date set forth in Section 2(c) hereof.

(e) The Bonds shall initially be issued in book-entry only form as provided in the Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President of the Board and attested by the Secretary of the Board by the manual or duly authorized facsimile signature of the Secretary and prepared in the form as provided in the Indenture, with such revisions as shall be appropriate to reflect the sale of such Bonds as Capital Appreciation Bonds, Current Interest Bonds or Convertible Bonds.

(a) For the purpose of providing funds in addition to the Pledged Westinghouse High School City Note Revenues to pay the principal of and interest on the Bonds, there is hereby levied upon all of the taxable property within the School District, in the years for which any of the Bonds are outstanding, a direct annual tax for each of the years while the Bonds or any of them are outstanding, in amounts sufficient for that purpose, and there be and there hereby is levied upon all of the taxable property in the School District the following direct annual taxes:

(c) At the time and in the manner set forth in the Indenture, the Board shall direct the abatement of the Pledged Taxes in whole or in part.

(d) The notification of sale of the Bonds delivered by the Designated Officials pursuant to Section 4(e) hereof may provide for the allocation of all or a portion of the Pledged Taxes levied for any

year pursuant to this Resolution to the payment of the principal and redemption price of and interest on the Bonds.

4. Sale of the Bonds, Bond Purchase Agreement. (a) The Bonds shall be sold and delivered to the Underwriters designated by the Chief Financial Officer of the Board, subject to the terms and conditions of the applicable Bond Purchase Agreement; provided, (i) that the aggregate purchase price of any Current Interest Bonds shall be not less than 97 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof, and (ii) that the aggregate purchase price of any Capital Appreciation Bonds or Convertible Bonds shall not be less than 97 percent of the aggregate original principal amount thereof. The Chief Financial Officer is hereby authorized to execute and deliver on behalf of the Board a Bond Purchase Agreement with respect to the sale of the Bonds in substantially the form used in previous financings of the Board, but with such changes as shall be approved by the Chief Financial Officer, such approval to be evidenced by such Chief Financial Officer's execution thereof, and to do all things necessary and essential to effectuate the provisions of such Bond Purchase Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Chief Financial Officer shall make a finding in connection with the execution of the Bond Purchase Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Indenture, any escrow or similar agreement executed and delivered pursuant to Section 5 hereof, the Bond Purchase Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 95-0927-RU3, as amended).

(b) In connection with any sale of the Bonds, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated

Official shall determine (the "Bond Insurer") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of the Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the "Debt Reserve Credit Facility Provider") if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution.

(d) In connection with the sale of the Bonds, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a "Credit Facility"), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "Credit Provider") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "Credit Agreement") providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a "Bank Bond") and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee

paid to any Credit Provider for the provision of a Credit Facility shall not exceed .75 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the "Credit Provider Rate"), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the "Maximum Credit Provider Rate"). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; provided, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

Any Credit Facility obtained as provided herein shall cause the Bonds secured thereby to bear an investment grade rating from at least two nationally recognized rating services.

(e) Subsequent to the sale of the Bonds, either or both of the Designated Officials shall file in the Office of the Secretary of the Board a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds, (ii) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds and Convertible Bonds, respectively, (iii) in the case of Bonds sold as Capital Appreciation Bonds and Convertible Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Convertible Bonds being sold, and (B) a table of Compound Accreted Value per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Convertible Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond and Convertible Bonds on each semiannual compounding date, (iv) the interest rates on the Current Interest Bonds sold, (v) debt service schedules for the Bonds and the final form of the Westinghouse High School City Note (based upon the Board's reasonable expectations for draw downs of principal of the Westinghouse High School City Note as set forth in the Report), together with determinable Investment earnings from the investment

of proceeds of the Westinghouse High School City Note and moneys held in the funds and accounts pursuant to the Indenture, demonstrating that the Pledged Westinghouse High School City Note Revenues and said investment earnings and moneys held in the funds and accounts pursuant to the Indenture, are expected to be in an amount not less than 1.10 times annual debt service on the Bonds, (vi) the terms and provisions for the conversion of the Compound Accrued Value of any Convertible Bonds issued hereunder into Current Interest Bonds, (vii) the application of the proceeds of the Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (viii) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (ix) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (x) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider Issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, (xi) the identity of the Trustee designated pursuant to Section 2 hereof with respect to the Bonds, (xii) if an escrow or other similar agreement is to be executed and delivered as authorized in Section 5 hereof, a copy of such agreement shall be attached to said notification of sale and (xiii) the identity of and the compensation paid to the Underwriters in connection with such sale. In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in Section 3(a) hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in Section 3(a) hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. No such reduction in the amounts levied in Section 3(a) hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until either or both of the Designated Officials have determined that any amount so levied in Section 3(a) hereof will not be needed to secure the Bonds. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to Section 3(a) hereof, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of the

Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks.

(f) The distribution of a Preliminary Official Statement relating to the Bonds (the "Preliminary Official Statement") in substantially the form which is on file with the Secretary of the Board and is before the Board at the meeting at which this Resolution is adopted, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold, is hereby in all respects, ratified, authorized and approved and shall be "deemed final" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 ("Rule 15(c)2-12"), and the proposed use by the Underwriters of an Official Statement (in substantially the form of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the Official Statement on behalf of the Board.

(g) The proceeds from the sale of the Bonds shall be applied to the payment of (i) all or a portion of the costs of the TIF-Funded Improvements, (ii) such interest to become due on Current Interest Bonds to and including December 1, 2007 or such earlier date as shall be determined by the Chief Financial Officer, and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers or Credit Providers, and such proceeds shall be applied as provided in the Indenture. In addition, proceeds from the sale of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the Indenture upon the direction of the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph. Except as authorized by Board Rule or other Board action, the capital improvements comprising the Project and the capital improvement program, including, without limitation, the TIF-Funded Improvements, approved by the Board on the date hereof (the "Program") shall not be amended or revised, additional capital improvements shall not be added to the Program, and capital improvements shall not be deleted from the Program. All costs of the TIF-Funded Improvements to be paid with proceeds of the Bonds must

constitute "redevelopment project costs" under the Tax Improvement Allocation Redevelopment Act, as amended, of the State of Illinois.

(h) The Chief Financial Officer of the Board is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture and the Investment Policy of the Board, as in effect from time to time.

(i) Either of the Designated Officials is hereby authorized to execute and deliver from time to time one or more agreements with counterparties selected by either of the Designated Officials, the purpose of which is to provide to the Board an interest rate basis, cash flow basis or other basis from that provided in the Bonds for the payment of interest. The stated aggregate notional amount under all such agreements authorized hereunder shall not exceed the principal amount of the Bonds issued hereunder (net of offsetting transactions entered into by the Board). Any such agreement to the extent practicable shall be in substantially the form of either the Local Currency-Single Jurisdiction version or the Multicurrency-Cross Border version of the current ISDA Master Agreement accompanied by the U.S. Municipal Counterparty Schedule published by the International Swap Dealers Association (the "ISDA") or any successor form to either published by the ISDA, and in the appropriate confirmations of transactions governed by that agreement, with such insertions, completions and modifications thereof as shall be approved by the appropriate Designated Official executing the same, such execution to constitute conclusive evidence of Board's approval of such insertions, completions and modifications thereof. Amounts payable by the Board under any such agreement shall (i) be payable solely and only from the sources actually pledged to the payment of the Bonds as described in Section 2(b) of this Resolution, or (ii) constitute operating expenses of the Board payable from any moneys, revenues, receipts, income, assets or funds of the Board available for such purpose, as shall be determined by the Designated Official executing the same. Nothing contained in this Section 4(i) shall limit or restrict the authority of any officer of the Board to enter into such agreements pursuant to prior or subsequent authorization of the Board.

5. Escrow of Pledged Revenues. If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreement

with a bank, trust company or national banking association having the same qualifications as those set forth in Section 2(a) for a Trustee, reflecting the issuance of the Bonds and such segregation of Pledged Westinghouse High School City Note Revenues and Pledged Taxes as the Designated Official executing such agreement shall deem appropriate.

6. Pledged Taxes Escrow Direction. Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code of the State of Illinois, as amended, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "County Collectors"), (i) to deposit the collections of the Pledged Taxes as and when extended for collection directly with such escrow agent designated pursuant to Section 5 in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Taxes. The Designated Officials are directed to file a certified copy of this Resolution with each of the County Collectors within ten (10) days of the passage hereof.

7. Tax-Exemption and Non-Arbitrage. Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds are excludable from gross income for Federal income tax purposes, to assure that the Bonds do not constitute "arbitrage bonds" or "private activity bonds" under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds, including but not limited to the execution and delivery of a Tax Agreement.

8. Continuing Disclosure Undertaking. Each of the Designated Officials is hereby authorized to execute and deliver a Continuing Disclosure Undertaking (the "Continuing Disclosure Undertaking") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15(c) 2-12, as applicable to the Bonds. Notwithstanding any other provision of this Resolution or any Indenture, the sole remedies for any failure by the Board to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under the Continuing Disclosure Undertaking. The Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated

Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

9. Further Acts. Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

10. Severability. The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

11. Repealer and Effective Date. All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.
