**DESCRIPTION:** The Charter Schools Law (105 ILCS 5/27A-1 et seq.) provides that up to 30 charter schools may be operated in the City of Chicago. Proposals to operate charter schools are submitted to the Board for evaluation pursuant to the standards set forth in 105 ILCS 5/27A-8, and the Board convenes a public meeting to obtain information to assist in its decision to grant or deny each proposal and report its action to the State Board of Education. The State Board determines whether the approved charter school proposal and the proposed contract satisfy the provisions of the Charter Schools Law and, if so, certifies the charter school.

**CHARTER APPLICATION PROPOSAL:** The Providence-Englewood Charter School proposal was submitted to the Chicago Board of Education on February 7, 2006. The mission of Providence-Englewood Charter School is to prepare students for college and for lives of achievement, success, and responsible citizenship. The school will open in the fall of 2006 serving 200 students in grades K-5. In successive years, the school will add additional grades and will serve up to 500 students in grades K-8. The cost of 200 students in 2006-2007 will be approximately \$1,040,000. These budget figures are based on the revised per pupil funding amounts released on August 31, 2005. The school will be located at 6515 South Ashland. A public hearing, as required by statute, was held on February 15, 2006.

**TERM:** The term of the Providence-Englewood Charter School Charter and agreement shall commence July 1, 2006 and end June 30, 2011.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability, and evaluations. Authorize the President and Secretary to execute the Charter School Agreement. Authorize the Executive Director of the Department of New School Support to issue a letter notifying the Illinois State Board of Education of the actions approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification. Authorize the General Counsel to further negotiate, and execute any amendments to the Agreement as required by the Illinois State Board of Education.

**FINANCIAL:** The financial implications will be addressed during the development of the 2006-2007 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an

appropriation has been previously made, expenditures beyond FY06 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

**GENERAL CONDITIONS:**

Inspector General – Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-2.4b, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts – The agreement shall not be legally binding on the Board if entered into in violation of the provisions of 105 ILCS 5/34-21.3.4b which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

Indebtedness – The Board's indebtedness Policy adopted July 26, 1995 (95-0726-EX3), as amended from time to time shall be incorporated into and made a part of the agreement.

Ethics – The Board's Ethics Code adopted September 27, 1995 (95-0927-RU3), as amended from time to time shall be incorporated into and made a part of the agreement.

Contingent Liability – The Agreement shall contain the clause that any expenditure beyond the current fiscal year is deemed to be a contingent liability, subject to appropriation in the subsequent fiscal year budget(s).
