A Public Hearing was held on November 17, 2005 at the Board Offices located at 125 S. Clark discussing the proposed grade and boundary changes.

This amendment is necessary to make minor segment corrections to the boundaries.

DESCRIPTION:

These changes are necessary to more evenly distribute utilization rates between Edwin G. Foreman, Lake View, Lincoln Park, Carl Schurz, Charles P. Steinmetz, and William Howard Taft High Schools. Foreman, Steinmetz and Taft are overcrowded high schools while Lakeview and Schurz has excess capacity. All of these schools have adjacent attendance boundaries. Assisted enrollment by the Department of School Demographics and Planning will also be implemented at Prosser Career Academy to further aid in relieving overcrowding at these schools.
