The Chief Financial Officer shall make a finding in connection with the execution of the Bond Purchase Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Indenture, any escrow or similar agreement executed and delivered pursuant to **Section 5** hereof, the Bond Purchase Agreement or any agreement with a Bond Insurer, Debt Reserve

Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed .75 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the “**Credit Provider Rate**”), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the “**Maximum Credit Provider Rate**”). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; provided, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.
