**APPROVE THE PRE-QUALIFICATION STATUS OF LEAST RESTRICTIVE ENVIRONMENT CONSULTANTS TO PROVIDE CONSULTING SERVICES**

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Approve the pre-qualification status of consultants to provide least restrictive environment consulting services. Pursuant to the court supervised settlement agreements in the Corey H. case, consultants were selected through *Education Connection* request for qualifications ("RFQ") or they were selected by the Illinois State Board of Education ("ISBE"). A written master agreement for each new consultant and a written amendment for each current consultant is currently being negotiated. No services shall be provided by any new ISBE consultant and no payment shall be made to any new ISBE consultant prior to the execution of their written master agreement. The pre-qualification status approved herein for each consultant shall automatically rescind in the event such consultant fails to execute the Board's master agreement within 120 days of the date of this amended Board Report. Information pertinent to this master agreement is stated below.

**SPECIFICATION NO.:** 01-250046

This amended Board Report is necessary to add twenty-nine newly selected consultants to the pre-qualified pool. A written master agreement for each newly added consultant is currently being negotiated. The pre-qualified status of these newly added consultants shall automatically rescind as to each consultant in the event such consultant fails to execute the Board's master agreement within 120 days of the date of this amended Board Report.

This amended Board Report also reflects the deletion of those consultants who failed to execute the Board's master agreement (rescinded pursuant to Board Report 02-0724-AR02) and the deletion of those consultants who have voluntarily withdrawn from the pre-qualified pool and/or have been terminated for cause.

This second amended Board Report is necessary to extend the term of this pre-qualification pool and each master agreement because the Northern District of Illinois has extended the Illinois State Board of Education's settlement agreement in the Corey H. case through June 30, 2010 and the schools will be required to continue using the services of the LRE consultants through that date. Written amendments to the master agreements are required. The authority granted herein shall automatically rescind as to each consultant in the event their written amendment is not executed within 90 days of this amended Board Report.

This second amended Board Report is also necessary to add sixteen newly selected consultants to the pre-qualified pool. A written master agreement for each newly added consultant is currently being negotiated. The pre-qualified status of these newly added consultants shall automatically rescind as to each consultant in the event such consultant fails to execute the Board's master agreement within 120 days of the date of this amended Board Report.

This second amended Board Report also reflects the deletion of those consultants who failed to execute the Board's master agreement (rescinded pursuant to Board Report 02-0724-AR02) and the deletion of those consultants who have voluntarily withdrawn from the pre-qualified pool and/or have been terminated for cause.

This third amended Board Report is necessary to i) specify the start date of the new master agreements; and ii) to authorize the execution of the amendments; and iii) to add a new consultant to the pre-qualified pool.

This fourth amended Board Report is necessary i) to specify the start date of the new master agreements; ii) to authorize the execution of the consultants new master agreements; iii) to add seven (7) new consultants to the pre-qualified pool; iv) to delete the following: eleven (11) consultants that have not responded to written requests to apply for a Chicago Public Schools vendor code, one consultant who cannot participate because she is a Chicago Public Schools employee (rescinded per Board Report 06-0524-AR1); and five (5) consultants that do not want to participate in the pre-qualified pool; v) to designate whether a consultant responded to the RFQ or was only referred by the ISBE, vi) to reflect changes in the Use of the Pool; and vii) to update contact information.

This fifth amended Board Report is necessary to do the following: add 9 newly selected consultants to the pre-qualified pool, delete 2 consultants from the pre-qualified pool, updated contact information for 8 existing consultant, and indicate that 3 consultants who were previously approved by ISBE are now approved for the Pool under the RFP. In addition, all

existing Master Agreements must be amended to reflect a new termination date of September 1, 2010, as mandated by an Order entered by Judge Robert W. Gettleman on March 7, 2007 that extended the term of the Corey H Settlement Agreement (Case No. 92 C 3409) until September 1, 2010. A written master agreement for each new consultant and the extension of the existing contracts to September 1, 2010 is currently being negotiated. The pre-qualified status of these new consultants shall automatically rescind as to each consultant in the event that such consultant fails to execute the Board's Master Agreement or Extension Agreements within 120 days of the date of this amended Board Report.

**NAMES OF CONSULTANTS:** See attached Exhibit A. Additional consultants may be added pursuant to the terms of the Corey H. settlement agreements upon further approval by the Board.

**TERM:** The term of this pre-qualification pool and each master agreement shall be effective from April 1, 2001 to ~~June 30, 2010~~ September 1, 2010 which term is concurrent with the projected compliance date with the Corey H. settlement agreements. The term of the master agreement for each of the new consultants shall commence upon the date of execution. Additionally, consultants may be added or deleted during the prequalification period based on performance evaluations and concurrence of the Corey H. Monitor. This pre-qualification period may be extended by the Board for such length of time as required by Court order.

**SCOPE OF SERVICES:** Consultants shall provide various educational services based on a scope of services developed on a case by case basis as outlined in each consultant's Master Agreement consistent with the description contained in this Board Report. The Master Agreement for each consultant will generally describe the scope of services and associated costs. These consultants shall provide technical support to staff and school community members in various areas relating to Least Restrictive Environment and will provide services that address the educational needs for CPS schools.

**COMPENSATION:** The projected sum of payments to each pre-qualified consultant who has signed a master agreement for the pre-qualification term shall not exceed \$54,000.00 in the aggregate per school per year. Additionally, no consultant shall be paid in excess of \$450.00 per day per school. Any consultant who fails to sign a master agreement will be providing services pursuant to a purchase order and cannot receive more than twenty-five thousand (\$25,000.00) in the aggregate per school year from all schools using their services. The projected cost for this program during the entire term of the pre-qualification status is \$40,000,000.00. The costs associated herewith shall be reported to the Board on a quarterly basis pursuant to Board Rule.

**USE OF THE POOL:** The Office of Specialized Services and individual schools that are ISBE Continuous Improvement Program Schools may engage any consultant for the services for which they are pre-qualified under this Board Report. Only those pre-qualified consultants who respond to the RFQ, receive approval from the Corey H. Plaintiff's Attorney, and are listed in the most recent version of the *Education Connection: LRE Resource Catalog*, may provide services to an Education Connection School. With respect to the schools, the services being provided must be included in the school's LRE Plan as approved by the ISBE or by the Corey H. Monitor. The schools and the Office of Specialized Services will evidence such engagement by (i) issuing a purchase order that reflects the dollar amount for the services being provided, and (ii) finalizing a statement of work to be signed by consultant and by an authorized Board representative. Consultants may not provide any services to a school or to the Office of Specialized Services under this Board Report until the purchase order has been issued and the corresponding statement of work has been fully executed.

**EXISTING CONTRACTS:** 20 of the original 55 consultants listed on Exhibit A were previously rendering like services to the Board pursuant to Board Reports 00-0726-PR29 and 00-0223-PR5. These consultants are identified on the attached list by an asterisk. Upon signing this Master Agreement, such consultant's existing agreement automatically terminated.

**AUTHORIZATION:** Authorize the General Counsel to include other relevant terms and conditions in the written master agreements and amendments. Authorize the President and Secretary to execute the master agreements and amendments and Extension Agreements. Authorize the Chief of Specialized Services to execute all ancillary documents required to administer or effectuate the master agreements and amendments and Extensions.

**AFFIRMATIVE ACTION:** Pursuant to Section 6.2 of the Revised Remedial Plan for Minority and Women Business Enterprise Contract Participation (M/WBE Plan), the Per Contract and Category Goals method for M/WBE participation will be utilized. Aggregated compliance of the vendors in the pool will be reported on a quarterly basis.

**LSC REVIEW:** Local School Council approval is not applicable to this report

User Groups may only utilize pre-qualified vendor for those services for which such vendor has been pre-qualified and are identified in such vendor's master agreement. The Chief Purchasing Officer shall prepare a directory or other such type of listing to be distributed to all User Groups which specifies the types of services for which each vendor has been pre-qualified.

Any request to exceed any imposed financial limitations shall require additional Board approval.

The Chief Purchasing Officer shall develop guidelines regarding the imposition of financial limitations on newly pre-qualified vendors or previous vendors of the Board who are now being pre-qualified to perform new or different services, with a corresponding periodic evaluation of such vendor=s performance to allow for an increase in such vendors financial limitation due to satisfactory performance ratings.
