No payment will be made to any Provider prior to the execution of that Provider's written renewal document. The authority granted herein will automatically rescind as to each Provider in the event a written renewal document for such Provider is not executed within 90 days of the date of this Board Report. ORIGINAL AGREEMENTS: The original Agreements (authorized by Board Report No. 04-0825-PR38) for all Providers except for Special Education Services are for a term commencing October 1, 2004 and ending July 31, 2006. Board authorization for Special Education Services (SES) was rescinded by Board Report 05-0622-AR1-II-2 because their facility had not opened. SES was subsequently reinstated as an approved Provider when its facility opened (approved by amended Board Report No. 05-1221-PR20) for a term commencing March 1, 2006 and ending July 31, 2006. The Agreements had an aggregate value of \$50,000,000, with the Board having two (2) options to renew each Agreement for periods of one (1) year each. Providers were selected on a competitive basis pursuant to a duly advertised Request for Proposal (Specification number 04-250018). The Board exercised the first option to renew these Agreements (authorized by Board Report #06-0524-PR23) and executed Renewal Agreements with each Provider having a term beginning August 1, 2006 and ending July 31, 2007, with an aggregate value not to exceed \$25,000,000 for the first Renewal Term,

OPTION PERIOD: The term of each agreement is being extended for an additional year beginning August 1, 2007, and ending July 31, 2008.

OPTION PERIODS REMAINING: There are no remaining options to renew.

SCOPE OF SERVICES: Providers will continue to serve CPS students with emotional disorders in one or more of six Cluster areas designated by the Board. These services will include providing age-appropriate educational programs and IEP-mandated services to the students, and providing programming to prepare students for their successful and timely return to their neighborhood public schools. In addition, Providers will continue to work with CPS schools, community agencies and family groups to build more effective networks of support services and advance a least restrictive environment for the students.

DELIVERABLES: Providers will continue to furnish age-appropriate programs, related services, tests, program notes, HSMP reports, and other reports required by the Office of Specialized Services.

OUTCOMES: Services provided by the Private Cluster Schools will enable CPS to continue to achieve the following:

1. Decrease the number of students having a primary classification of "emotionally disturbed" who attend private schools.
2. Develop quality private school resources within each of the six CPS Clusters aligned with the programmatic needs of each Cluster.

3. Establish coordinated, innovative practices between the public schools of a specific Cluster and the assigned Private Cluster School Provider to (a) reduce the referral rate of special education students to private schools; (b) maximize available support services for students and their families; and (c) facilitate the transition of private school students returning to public school.
4. Create a method of payment for private schools that is consistent with maintaining quality education programs, providing appropriate supportive services to students and their families, and returning students to public school.

COMPENSATION: Each Provider will be allocated a certain number of 'Reserved Seats' and will be paid a per diem rate for these Reserved Seats for each scheduled school day. Reserved Seat payments are guaranteed and are not based on attendance or enrollment. When the actual seat usage by CPS students in any given month exceeds the aggregate Reserved Seat allocation for that month, the Provider shall be paid the per diem rate approved by the Illinois Purchased Care Review Board(IPCRB Rate). This payment is attendance-based. Payments to the Providers for this Second Renewal Term shall not exceed \$25,000,000 in the aggregate. Each agreement will provide that the Board may increase or decrease the number of Reserved Seats by giving a negotiated number of days prior written notice.

AUTHORIZATION: Authorize the General Counsel to include other relevant terms and conditions in the written agreements. Authorize the President and Secretary to execute the agreements. Authorize the Executive Officer of Specialized Services to increase or decrease the number of Reserved Seats and adjust the *per diem* rates for each facility without seeking additional Board authority unless such increase or decrease or rate adjustment causes the aggregate value of this Board Report to exceed \$25,000,000. Authorize the Executive Officer of Specialized Services to execute all ancillary documents required to administer or effectuate these student placements and agreements, including but not limited to executing the Nonpublic Facility Placement contracts required by ISBE for each placed student.

AFFIRMATIVE ACTION: Pursuant to section 3.7 of the Revised Remedial Plan for Minority and Women Business Enterprise Contract Participation (M/WBE Plan), this matter is exempt from review because this matter is for tuition payments.

LSC REVIEW: Local School Council Approval is not applicable to this report.
