**ORIGINAL AGREEMENT:** The original Charter School Agreement (authorized by Board Report 03-0527-EX5) was for a term commencing July 1, 2003 and ending June 30, 2008 and authorized the operation of a charter school serving no more than 320 students in grades 5 – 8. The charter and Charter School Agreement were subsequently amended as follows:

- Board Report 05-0727-EX9: Approved the relocation of the school to 4320 W. Fifth Avenue.
- Board Report 06-1025-EX2: Approved the correction of the address from 4320 W. Fifth Avenue to 715 South Kildare Avenue.

The agreement incorporates an accountability plan where the school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

**CHARTER RENEWAL PROPOSAL:** The KIPP Ascend Charter School (KIPP) submitted a renewal proposal on October 5, 2007, to continue the operation of the KIPP Ascend Charter School under a unified mission. The Charter School shall serve grades 5 – 8 with a maximum student enrollment of 330 students.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of KIPP's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visit of the school in which teaching and learning, leadership and governance, and the learning communities were assessed. A public hearing was conducted on May 12, 2008 to receive public comment on the application to renew the Charter School Agreement with KIPP Ascend Charter School for an additional five years. In addition, the Office of New Schools evaluated the school's student performance. From 2003-2004 to 2006-2007, KIPP Ascend received 11 out of 18 high ratings and 5 out of 18 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. Since 2003-2004, the charter schools attendance rate has exceeded 95%. From 2003-2004 to 2006-2007, the percentage of students meeting/exceeding state standards on the ISAT Composite increased

by 32.7 percentage points (from 45.0% to 77.7%). The charter school also met Adequate Yearly Progress targets in 2005-2006 and 2006-2007. The committee recommends that, based on the school's performance on these and other accountability criteria, KIPP be authorized to continue operating as a charter school.

**RENEWAL TERM:** The term of KIPP Ascend Charter School's charter status is being extended for a five (5) year term commencing July 1, 2008 and ending June 30, 2013. The KIPP Ascend Charter School will be permitted to operate at its current location of 715 South Kildare Avenue for the 2008 – 2009 school year only. The Board will identify and approve a new location for the school for the 2009 – 2010 school year and beyond.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement. Authorize the Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

**LSC REVIEW:** Approval of Local School Councils is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the 2008-2009 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY09 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. The cost of this enrollment will be approximately \$ 1,982,970.00 in 2008-2009.

**GENERAL CONDITIONS:**

Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.
