

**RESOLUTION RE: NATIONAL BOARD CERTIFICATION FOR
THREE HUNDRED TWENTY EIGHT CHICAGO PUBLIC SCHOOL TEACHERS (2008-2009)**

WHEREAS, the National Board for Professional Teaching Standards, organized in 1987, is comprised of teachers, school policy makers, union leaders, teacher educators and other scholars and legislators whose goal is to establish high and rigorous standards for accomplished teachers; and

WHEREAS, the National Board of Professional Teaching Standards has developed and currently operates a national voluntary system to assess and certify teachers who meet these standards, and to recognize and reward teachers who demonstrate high levels of competency; and

WHEREAS, teachers who voluntarily submit to and successfully complete the rigorous evaluation process earn National Board Certification, a nationally recognized badge symbolizing that the teacher has exceeded standard expectations; and

WHEREAS, this year, a total of three hundred twenty eight Chicago Public School teachers (listed in Exhibit I) have achieved National Board Certification, exemplifying the goals and standards that the Board of Education encourages all teachers to emulate.

NOW, THEREFORE, BE IT RESOLVED, that we, the President and Members of the Board of Education of the City of Chicago, gathered here this 25th day of February 2009, do commend these three hundred twenty eight teachers for their commitment to high educational standards and dedication to provide a quality education to the children of the Chicago Public Schools.

BE IT FURTHER RESOLVED, that a suitable copy of this resolution be made available to the three hundred twenty eight teachers who have achieved this distinction.
