**SCOPE OF SERVICES:**

Supplemental Educational Services (SES) are a component of Title I of the Elementary and Secondary Education Act (ESEA) as reauthorized by the No Child Left Behind Act (NCLB) that provides additional academic instruction outside of the regular school-day to increase the academic achievement of students in low-performing schools. These services may include academic assistance such as tutoring, remediation and other educational interventions. SES must be consistent with the content and instruction of Chicago Public Schools an aligned with the Illinois State Board of Education's academic content standards. Providers will furnish SES in mathematics and reading, based on the scope of services developed and approved by the Illinois State Board of Education. Providers will provide tutoring and other high-quality academic enrichment services during non-school hours.

**DELIVERABLES:**

Deliverables will vary for each Provider. The Office of Extended Learning Opportunities will monitor receipt of the deliverables. Deliverables that are common to all of the Providers are:

- 1) A supplemental support program in reading and/or mathematics selected by parents.
- 2) Individualized or small group instruction through tutoring and other high quality academic enrichment services and instruction materials.

3) Assessment and feedback to schools and parents regarding progress of their children. Parents of students who are eligible under the No Child Left Behind Act shall have the right to select any one of the Providers or the Chicago Public Schools to provide supplemental services to their child and notify the Office of Extended Learning Opportunities of such selection. In the event parental requests for services exceed available resources, parent selections will be prioritized in accordance with NCLB guidelines. Students to be served shall include students in the general population, students currently receiving specialized services, and English language learners who need additional support in order to be successful. All services will be rendered in accordance with the guidelines that the United States Department of Education and the Illinois State Board Education have established.

**OUTCOMES:**

Providers' services will result in improved overall academic performance and increased achievement on standardized tests, improved student confidence and positive attitude through self-paced progress and achievement.

Providers will be compensated on a cost per hour per student basis as identified in their respective agreements and based on invoices with support documentation validated at the school level.
