

**RATIFY ENTERING INTO AGREEMENTS WITH VARIOUS PROVIDERS  
FOR HIGH QUALITY EARLY CHILDHOOD SERVICES**

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Ratify entering into agreements with providers listed in Exhibit "A" to provide high quality early childhood services to children ages birth to five and their families at a cost not to exceed the aggregate amount of \$55,710,000.00. These services were obtained without prior Board approval. Providers were selected on a non-competitive basis pursuant to submitted proposals and evaluated on past services and the ability to meet program guidelines as mandated by the Illinois State Board of Education and the Chicago Public Schools. Written agreements for services are being negotiated. No payment shall be made to providers prior to the execution of their written agreement. The authority granted herein shall automatically rescind as to each provider in the event a written agreement for such provider is not executed within 120 days of the date of this Board Report. Information pertinent to these agreements is stated below.

**PROVIDERS:** See Exhibit "A"

**USER:** Office of Early Childhood Education  
125 S. Clark Street, 9<sup>th</sup> Floor  
Chicago, IL 60603  
Contact: Paula Cottone (773) 553-2010

**TERM:** The term of each agreement shall commence on July 1, 2009 and shall end June 30, 2010.

**SCOPE OF SERVICES:** Providers will furnish one or more of the following services: early childhood center based educational services in a full day setting for preschool children ages 3 and 4; infant – toddler center based education services (pre-school ages 3-4) in a full day setting for children ages birth to age 3; Prevention Initiative Model Services to children ages birth to age 3 and their families; or Parental Training services to families with children under the age of 5 receiving no other educational services. Programs must be developmentally appropriate and meet the needs of each age group and their families. Center based educational programs must include a Research Based Curriculum with activities that foster cognitive, language, physical, social, creative, emotional and personal (self-help) development. Prevention Initiative and Parental Training programs must be designed so that parents will gain knowledge and skills in parenting through implementation of a research based program model which will guide the provision of services and provide for coordination of services.

**DELIVERABLES:** Providers will deliver appropriate educationally sound and research based preschool and/or infant toddler programs to eligible children enrolled in child care centers and/or case management and/or parent educational services to children and families eligible for the Prevention Initiative or Parental Training programs as described by the Illinois State Board of Education.

**OUTCOMES:** Providers' services will result in young children developing a strong foundation for learning and being better prepared to enter preschool and kindergarten. At-risk children and families will have access to coordinated services and extra preparation prior to kindergarten.

**COMPENSATION:** Each provider shall be paid quarterly upon invoicing based upon budgets submitted and approved by the Board; the sum of payments to all providers shall not exceed \$55,710,000. The first payment shall be made within 30 days of contract execution; subsequent payments shall be made during the months of November, March, and June after all financial and program information including budget, certification, enrollment, expenditure documents and reports have been reviewed and approved by the Board.

**AUTHORIZATION:** Authorize the General Counsel to include other relevant terms and conditions in the written agreements. Authorize the President and Secretary to execute the agreements. Authorize the Chief Early Childhood Education Officer or the Deputy Chief Early Childhood Education Officer to execute all ancillary documents required to administer or effectuate the agreements.

**AFFIRMATIVE ACTION:** Pursuant to Section 5.2 of the 2007 Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, a determination shall be made as to when transactions should be excluded from contract specific M/WBE goals.
