ORIGINAL AGREEMENT: The original Charter School Agreement (authorized by Board Report 05-0126-EX8) was for a term commencing July 1, 2005 and ending June 30, 2010 and authorized the operation of a charter school serving no more than 240 students in grades K – 5.

CHARTER RENEWAL PROPOSAL: Erie Elementary Charter School submitted a renewal proposal on September 11, 2009, to continue the operation of the Erie Elementary Charter School under a unified mission. The Charter School shall serve grades K - 5 with a maximum student enrollment of 240 students.

In January 2010, Erie Elementary Charter School submitted a material modification to add a sixth grade to the school beginning in the fall of 2010 and to increase the at capacity enrollment by 66 to a new at capacity enrollment of 306 students. In February 2010, the charter school submitted an additional material modification to relocate the charter school to an independent facility located at 1405 N. Washtenaw beginning in the fall of 2010. A public hearing on the proposed changes was held on Wednesday, May 12, 2010. The hearing was recorded and a summary report is available for review.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Erie's performance and operations. This evaluation included a review of the proposal, facilities surveys, governance analysis, and financial analysis. A public hearing was conducted on Monday, March 8, 2010 and Friday, April 9, 2010 to receive public comment on the

application to renew the Charter School Agreement with Erie Elementary Charter School for an additional five years. In addition, the Office of New Schools evaluated the school's student performance. From 2005-2006 to 2008-2009, Erie Elementary Charter School received 4 out of 13 high ratings and 8 out of 13 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. From 2005-2006 to 2008-2009, Erie's student attendance averaged 94.3%. In 2009 the percentage of students meeting/exceeding state standards on the ISAT Composite was 64.7%. The committee recommends that, based on the school's performance on these and other accountability criteria, Erie be authorized to continue operating as a charter school.

RENEWAL TERM: The term of Erie Elementary Charter School's charter status is being extended for a five (5) year term commencing July 1, 2010 and ending June 30, 2015.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement. Authorize the Acting Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2010-2011 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY11 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. The cost of this additional enrollment will be approximately \$ 4,468,080.00 331,052.04 in 2010-2011.
