ORIGINAL AGREEMENT:

The original master agreement (executed under Board Report 03-1022-PR17) is for a term commencing November 26, 2003 and ending November 25, 2005 ("Initial Term") with the Board having three options to renew for a one year term. Thereafter, in lieu of new agreements, the Board executed ordering documents to purchase products and services, including but not limited to, additional software program products, maintenance, and consulting services, pursuant to Board Reports 03-1119-PR11, 04-0225-PR14, 04-0225-PR15, and 05-0525-PR7. These ordering documents referenced the original master agreement. Pursuant to Board Report 06-0628-PR23, the term of the original master agreement was renewed for a period commencing November 26, 2005 and ending November 26, 2006 (the "Extension Period") with unlimited options to renew technical support for licenses under the Master Agreement and associated ordering documents, annually for one year periods. The annual technical support ordered during the Extension Period expired December 31, 2007. The technical support was thereafter extended to December 30, 2008 pursuant to Board Report 08-0326-PR7 and extended to December 30, 2010 pursuant to Board Report 08-1119-PR11 and 09-1216-PR16. The original Agreement was awarded on a non-competitive basis because the Oracle software is the only software that provides the functionality required by the Board's integrated financial systems.

OPTION PERIOD:

The term of this agreement is being extended for one year commencing December 31, 2010 and ending December 30, 2011.

OPTION PERIODS REMAINING:

There are five (5) options to renew for periods of one (1) year each.

SCOPE OF SERVICES:

Oracle shall be paid a fee of \$308,000.00, which covers software upgrades, technical support, and usage of the software licenses including, but not limited to, Oracle E-Business Suite and Oracle Peoplesoft Enterprise.

DELIVERABLES:

The maintenance support will consist of program corrections and enhancements that Oracle may develop during the term of the renewal of the original agreement as long as the Board's maintenance fee is current. In addition, during this renewal period, Oracle shall provide software licenses including, but not limited to, Oracle E-Business Suite and Oracle Peoplesoft Enterprise.

OUTCOMES:

The maintenance support for the software program products will further secure the Board's critical data.

COMPENSATION:

Consultant shall be paid during this option period in accordance with the pricing set forth in the ordering document; total compensation during the renewal term for all maintenance, support, and licenses shall not exceed \$308,000.00

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written option document. Authorize the President and Secretary to execute the option document. Authorize Chief Information Officer to execute all ancillary documents required to administer or effectuate this option agreement.

AFFIRMATIVE ACTION:

The M/WBE goals for this contract include 10% MBE and 5% WBE participation. The Office of Business Diversity recommends that Oracle be given credit for supplier diversity by adhering to CPS Business Diversity Program for Goods and Service section 7 "Non-Restrictive Affirmative Action Measures" (Programs for Public School Students) thru Oracle's commitment to implement a CPS student IT internship during FY 2011 and through its continued support of the Chicago United Negro College fund.
