**CONTINGENT APPROVAL:** Approval to open the 2011 and 2012 campuses and the execution of an amendment to the Charter School Agreement are contingent upon a final review and approval of the new campus proposals, an assessment of the District's need for this charter school campuses based upon demographics and student demands, any required subsequent public hearings, and Board approval of the proposed school site. These benchmarks will be communicated to the school operator in a formal Letter of Conditions with all deadlines to be met by March 15, 2011 for the 2011 campus and March 15, 2012 for the 2012 campuses. The Office of New Schools will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the approval to open this new campus. A final review of this new campus proposal will be conducted by the Chief Executive Officer on or before April 15, 2011 or April 15, 2012 to determine final approval or denial of the new campus proposal and satisfactory resolution of all material issues related to the opening of the new middle/high campuses. The obligation to secure and prepare an independent facility for campuses opening in the fall of 2011 and 2012 is the responsibility of the charter school. The Board is not undertaking any responsibility for securing a facility in the event the charter school is unable to do so.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of the CCSF's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of multiple CCSF campuses in which teaching and learning, leadership and governance, and the learning community were assessed. In addition to the foregoing, the Office of New Schools evaluated the school's student performance. From 2002 to 2006, CCSF received 13 out of 22 high ratings and 5 out of 22 middle ratings on their absolute student performance indicators. On the 2006 ISAT, 67.40% of CCSF students met or exceeded state standards. Finally, the school experienced a high attendance rate of 94.4% in 2005-2006.

A Comprehensive Evaluation Team ("CET") was convened to review the evidence and make a recommendation

regarding the renewal of the school. Based on the school's performance on these and other accountability criteria, the CET recommends that Chicago International Charter School be authorized to continue operating as a charter school.

**RENEWAL TERM:** The term of CCSF's charter and charter school agreement is being extended for a five (5) year term commencing July 1, 2007 and ending June 30, 2012.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement and amendment. Authorize the Executive Director of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

**LSC REVIEW:** Approval of Local School Councils is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the ~~2010-2011~~ 2011-2012 and 2012-2013 fiscal year budgets. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY10 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. The cost of this additional enrollment will be approximately \$3,823,500.00 in 2010-2011. Chicago Charter School Foundation will also receive supplemental funding amounts of \$239,410.00 in FY11, \$168,125.00 in FY12, and \$100,875.00 in FY13. If Chicago Charter School Foundation applies to the Renaissance Schools Fund for funding for the new campus and is not approved for funding, the Board shall provide a one-time payment to the new campus for planning positions in an amount not to exceed \$170,000.00.

**GENERAL CONDITIONS:**

Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.
