

**ESTABLISH THE NEW SOUTH SHORE INTERNATIONAL COLLEGE PREP HIGH SCHOOL
LOCATED AT 1955 EAST 75TH STREET, ITS ACADEMIC FOCUS AND ATTENDANCE AREA
BOUNDARIES**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board approve the establishment of the new South Shore International College Prep High School located at 1955 East 75th Street, its academic focus and attendance area boundaries, effective July 1, 2011. This new school will follow the Chicago Public Schools' standard 10-month academic calendar from August to June.

DESCRIPTION:

Pursuant to the Board of Education's policy on Naming or Renaming of Schools, 03-0326-PO04, without a sitting local school council, input on a school name was sought from a task force consisting of parents and community members. Through survey results, the following school name was proposed: South Shore International College Prep High School. The Chief Area Officer approves of this proposal and thus it is being recommended to the Board for approval.

The new South Shore International College Prep High School will open at 1955 East 75th Street as a neighborhood school and will eventually serve approximately 1,200 students in grades nine through twelve, beginning with a ninth grade class of approximately 300 students in the 2011-2012 school year. South Shore International College Prep High School will add one grade each school year until the school serves grades nine through twelve.

South Shore International College Prep High School is scheduled to open in fall 2011 as a neighborhood high school with three tracks: the International Baccalaureate, or IB program, the Career and Technical Education, or CTE program, and the general education program.

The IB program will provide students with academically challenging and balanced programs of education that require study across a broad range of subjects, and give special emphasis to learning languages. The CTE program will be split into two academies: the Information Technology Cisco Academy and the Medical & Health Careers Academy. The Chicago Public Schools' Office of Academic Enhancement is currently finalizing the process for admission to the IB and CTE programs. Though the programs will accept students meeting enrollment criteria citywide, CPS will work to fill the IB and CTE seats with qualified neighborhood students first.

Pursuant to the Board of Education's policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, a public hearing was convened on Friday, January 7, 2011 at 5:30 p.m. at 125 South Clark Street, 5th Floor, Board Chambers, Chicago, Illinois, to establish the attendance area boundary of South Shore International College Prep High School at 1955 East 75th Street. Proper notice was given. An independent hearing officer, Fredrick Bates, Esquire, received oral and/or written comments and supporting documents from interested members of the public. The record of the public hearing was left open until 3:00 p.m. on January 10, 2011 to receive any additional comments that members of the public wished to submit in writing to the hearing officer.

Hearing Officer Bates issued a report including findings regarding the CEO's proposal to establish the attendance area boundaries of South Shore International College Prep High School and recommended that the CEO proceed. After receiving the hearing officer's report, the CEO has determined to recommend that the Board approve the establishment of the South Shore International College Prep High School located at 1955 East 75th Street, its academic focus and attendance area boundaries, effective July 1, 2011.
