**SCOPE OF SERVICES:**

The Board has conducted a thorough assessment of the violence-related risks posed to CPS high school students both inside and outside of the school. In response to data-based research and community discussions, the Board is executing a safety and security strategy designed to focus resources on two ultimate goals: 1. Reduce the likelihood that high-risk Chicago Public School students will become victims of violent incidents; and, 2. Create a safe, secure, and supportive school environment to increase student attendance and improve academic performance.

To achieve these goals, the Board has outlined the following three initiatives: 1. Mentorship and advocacy for high school students at risk of engaging in or becoming victims of aggressive behavior, truancy, suspension, and expulsion; 2. Development of a safe school environment that contributes to a student excelling academically; and, 3. Creation of safe passages to provide safer arrival and dismissal times.

Vendors will provide services that include the following:

I. Community Watchers: Vendors will deploy community watch staff (Community Watchers or Watchers) throughout Board-designated safety routes to supervise students traveling to and from school grounds. Such supervision will occur during school arrival and dismissal times, including for evening programs if specified in the agreement. Such supervision will vary depending on the individual schools arrival and dismissal times.

II. Outreach Management Services: Vendors may be asked to provide outreach services for students with five (5) or more unexcused absences. Outreach services will include the administration of assessments to uncover the circumstances associated with students absences and the communication of the results of such assessments to the appropriate entities.

**DELIVERABLES:**

Vendors will provide Community Watchers whose duties must, at a minimum, consist of: 1) Reporting to daily assigned post(s) to assist students as they travel to and from bus stops and board necessary buses; 2) Monitoring designated hot spots for suspicious behavior and potential conflicts; 3) Collaborating with the CPD and CPS and instantly reporting any known or potential conflicts to the CPD and CPS; 4) Submitting a daily electronic incident report as well as a weekly electronic report that will include the number and description of incidents, responses to incidents, a list and description of troubled buildings, and an explanation of potential conflicts the Community Watchers suspect will occur in the near future; and, 5) Wearing a uniform and/or having official identification that clearly identifies their status as Community Watchers.

**OUTCOMES:**

Vendors services shall result in: 1) increased student attendance; 2) decreased violent incidents involving CPS students; and, 3) increased student perception of safety traveling to and from school.

**COMPENSATION:**

Vendors shall be paid as specified in their agreement; total compensation to all Vendors shall not exceed the aggregate sum of ~~\$3,700,000.00~~ \$3,825,000.00.

**REIMBURSABLE EXPENSES:**

None

**AUTHORIZATION:**

Authorize the General Counsel to include other relevant terms and conditions in the written agreements and amendment. Authorize the President and Secretary to execute the agreements and amendment. Authorize Chief Executive Officer and School Safety and Security Officer to execute all ancillary documents required to administer or effectuate the agreements.

**AFFIRMATIVE ACTION:**
