

AUTHORIZE TUITION PAYMENTS TO THE UNIVERSITY OF CHICAGO FOR MATHEMATICS AND SCIENCE COURSEWORK**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Authorize tuition payments to the University of Chicago for mathematics and science coursework. University of Chicago is one of six universities participating in this program that were selected based on their previous involvement with mathematics and science programs in the Chicago Public Schools. The other participating universities, DePaul University, University of Illinois – Chicago, Northwestern University, Illinois Institute of Technology and Loyola University, are authorized under separate Board Reports. The total tuition payments to all participating universities under the related Board Reports shall not exceed \$570,000. No written agreement is required for tuition payments. Information pertinent to this program is stated below.

PAYMENT PERIOD: Tuition payments are authorized for university courses scheduled from July 1, 2012 through June 30, 2013.

PROGRAM DESCRIPTION: Payments cover tuition for authorized CPS teachers enrolled in courses at a participating university under the: 1) the Algebra Initiative Coursework and 2) the Chicago Transformational Teachers Institute (CTTI). The Algebra Initiative provides an opportunity for CPS middle grades teachers to pursue Algebra Certification so that an increased number of elementary schools can offer a high school algebra course to well-prepared middle grades CPS students. This enhances the opportunities for students to be on a pathway to take advanced mathematics courses in high school. The CTTI program provides math and science leadership development for CPS high schools to create and/or enhance and offer a well-developed fourth-year mathematics or science course at their respective schools. This enhances the opportunities for high school students to be better-prepared for post-secondary mathematics and science. The University of Chicago participates in the Algebra Initiative Coursework program.

PARTICIPANTS: Algebra Initiative Coursework participants include CPS teachers who possess a math endorsement, have demonstrated leadership skills, and desire to obtain HS Algebra Certification. Participants are selected through a competitive process; they commit to a year-long sequence of courses and take the Teacher Qualifying Exam in January and/or March of the subsequent year, and must pass to earn certification.

OUTCOMES: The Algebra Initiative Coursework program will result in an increased number of certified algebra teachers in the middle grades. This creates increased opportunities for students to engage in a more rigorous mathematics program of study, such as enrollment in advanced mathematics courses as freshmen, which puts them on the pathway to enroll in advanced mathematics courses in high school and higher level postsecondary mathematics courses.

COMPENSATION: Tuition payments to all 6 universities during the payment period shall not exceed \$570,000 total through June 30, 2013.

AUTHORIZATION: The Director of Math and Science is authorized to direct payments to be made to the universities as necessary.

AFFIRMATIVE ACTION: Pursuant to Section 5.2.3 of the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, tuition payments to other educational institutions are exempt from MBE/WBE review.

LSC REVIEW: Local School Council approval is not applicable to this report.
