**ORIGINAL AGREEMENT:**

The original Agreement (authorized by Board Report #12-0328-PR19) in the amount of \$500,000.00 was for a term commencing March 29, 2012 and ending March 28, 2013, with the Board having one option to renew for a one year term. The original agreement was awarded on a non-competitive basis: the sole-source request was presented to the Non-Competitive Procurement Review Committee and approved by the Chief Procurement Officer.

**OPTION PERIOD:**

The term of this agreement is being renewed for a three month period commencing March 29, 2013 and ending June 30, 2013.

**OPTION PERIODS REMAINING:**

There are no option periods remaining.

**SCOPE OF SERVICES:**

Vendor shall provide the following services and software licenses and support. Use of Software: GradeSpeed.Net release 4.55 and above, which includes software modules for Gradebook functions, the Parent Connection module, and the Student Connection module, will provide both CPS educators and the parent community at large with a real-time means of tracking student performance and proactively monitoring academic progress towards defined educational goals. The product will also provide educators with a means of performing grading related tasks irrespective of physical location. Existing Software Version: Schoolnet has provided the Board with a perpetual enterprise level license for Schoolnet GradeSpeed.Net release 4.55, which includes modules for Grading, Attendance, Student and Parent Portals (English/Spanish), and the custom CPS Rtl module. Software Upgrade: Schoolnet will provide maintenance and support for all major version upgrades, which include modules for Grading, Attendance, Student and Parent Portals (English/Spanish), curriculum tracking and increased standardized test and assessment data interoperability with other CPS systems. Schoolnet will provide any technical program corrections and enhancements that may develop during the term of this agreement as long as the Board's technical support fee is current. There are no third party licenses associated with this software. Any software upgrades must integrate seamlessly with the existing IMPACT modules with respect to sharing key student data, such as attendance, grades and disciplinary status. Gradebook must also provide parents with a means of actively monitoring academic performance for multiple children who are CPS students. Parent-side functionality must allow users to define student performance thresholds that initiate automated alerts via phone, email or text message.

**DELIVERABLES:**

Schoolnet will provide maintenance services and software upgrades for Schoolnet GradeSpeed for the school district. Schoolnet will provide maintenance which consists of program corrections and enhancements that Schoolnet may develop during the term of this agreement. Maintenance will also include any changes required by the Board as a result of new or modified State or Federal requirements regarding special education. Schoolnet will also provide support on the licensed software, which consists of resolving trouble tickets, corrective maintenance, knowledge management, knowledge transfer and the following: Regular software updates and installers; Database cleanup and alter scripts (usually part of installers); Bug Fixes targeted to highest priority defects; Updated user guides to accompany each release; Minor feature and functional enhancement; Performance Optimizations; Integration testing for embedded components; Software Testing; and Compatibility Testing (New OS, SOL Server, etc.). Additional Support: Schoolnet shall provide time and material support for custom CPS deliverables including portal text messaging, phase one response to intervention (Rtl) functions and all other new functions provided supporting business requirements and technical specifications are provided.

**OUTCOMES:**

The maintenance, support and software upgrades to the GradeSpeed.Net Software will result in providing both CPS educators and the parent community at large with a real-time means of tracking student performance and proactively monitoring academic progress towards defined educational goals. The product will also provide educators with a means of performing grading related tasks irrespective of physical location. Teachers will have: remote access for grading activities; support for Illinois standards based grading; a Gradebook that contains class period, assessment information and homework assignments; and proactive monitoring of student progress toward defined educational goals. Administrators will have: real-time monitoring of grades and attendance; analytic capacity to support performance management framework; increased integration with assessment and standardized test data; administrative access to teacher grade books at their location by extension; and tiered access for network and district personnel. Parents will have: online access to student progress reports and report cards; online access to student attendance and grades; automated notification of student performance based on parent defined thresholds; and increased collaboration and communication between parents and school staff. Students will have: an online, real-time means of tracking grades to date and means of downloading homework assignments.

**COMPENSATION:**

Schoolnet shall be paid a fee which includes maintenance, support and upgrades, and shall be paid for CPS text messaging customizations; total compensation for this option period shall not exceed \$128,500.00.

**AUTHORIZATION:**

Authorize the General Counsel to include other relevant terms and conditions in the written option document. Authorize the President and Secretary to execute the option document. Authorize Chief Information Officer to execute all ancillary documents required to administer or effectuate this option agreement.

**AFFIRMATIVE ACTION:**

The M/WBE participation goals for this contract include: 35% total MBE and 5% total WBE participation. However, the Waiver Review Committee recommends a full waiver of the goals required by the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, be granted because the Chief Procurement Officer and the Non-Competitive Procurement Review Committee has deemed this contract as not further divisible, due to the unique nature of the services provided.

**LSC REVIEW:**
