CONTINGENT APPROVAL: Approval to open one new elementary school campus in the fall of 2012 and two new elementary school campuses in the fall of 2013 and the execution of the amendments to the Charter School Agreement are contingent upon a final review and approval of the new elementary school proposals, an assessment of the District’s need for these charter school campuses based upon demographics and student demands, evidence of community support, any required subsequent public hearings, and Board approval of the proposed school sites. Approval of the 2012 and 2013 campuses is also contingent upon the school operator meeting benchmarks established by the Office of Innovation and Incubation Portfolio Office. These benchmarks will be communicated to the school operator in a formal Letter of Conditions with all deadlines to be met by March 15, 2012 for the 2012 campus, and

March 15, 2013 for 2013 campuses. The Office of Innovation and Incubation Portfolio Office will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the approval to open these new campuses. A final review of these new campus proposals will be conducted by the Chief Executive Officer on or before April 15, 2012 for the 2012 campus, and April 15, 2013 for 2013 campuses to determine final approval or denial of the new campus proposals. The CEO's recommendation to approve the new elementary school campuses will be subject to Board approval as indicated by subsequent amendments to this Board Report.

All sites for the 2012 and 2013 campuses must be located in high need or overcrowded communities.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of L.E.A.R.N. Charter School's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial and governance analyses, and site visit of the school in which teaching and learning, leadership and governance, learning community and services for ELL students and students with special needs were assessed. A public hearing was conducted on Thursday, March 10, 2011 to receive public comment on the application to renew the Charter School Agreement with L.E.A.R.N. Charter School for an additional five years. In addition, the Office of New Schools evaluated the school's student performance. From 2006-2007 to 2009-2010, L.E.A.R.N. Charter School received 16 out of 24 high ratings and 6 out of 24 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. From 2006-2007 to 2009-2010, (L.E.A.R.N.) Charter School's student attendance averaged 95.8%. In 2010, the percentage of students meeting/exceeding state standards on the ISAT Composite was 83.1%, an increase of 14.6 percentage points from 2006-2007. The committee recommends that, based on the school's performance on these and other accountability criteria, L.E.A.R.N. Charter School be authorized to continue operating as a charter school.

RENEWAL TERM: The term of L.E.A.R.N. Charter School's charter and agreement is being extended for a five (5) year term commencing July 1, 2011 and ending June 30, 2016.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement and amendment. Authorize the Interim Executive Director of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2012-2013 and 2013-2014 fiscal year budgets. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY12 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

GENERAL CONDITIONS:
