ORIGINAL AGREEMENT: The original Charter School Agreement (authorized by Board Report 02-0925-EX02) was for a term commencing July 1, 2003 and ending June 30, 2008 and authorized the operation of a charter school serving no more than 450 students in grades 9 through 12. The charter and Charter School Agreement were subsequently renewed for an additional five-year period commencing July 1, 2008 and ending June 30, 2013 (authorized by Board Report 08-0227-EX26) and authorized an increase in the maximum enrollment to 1,500 students in grades 6 -12. The charter and Charter School Agreement were subsequently amended as follows:

- Board Report 09-0422-EX2: Approved the correction in the at capacity enrollment of the Early College High School Campus from 400 to 600 students and the correction in the overall at capacity enrollment of the charter school from 1,500 to 1,700 students.

CHARTER RENEWAL PROPOSAL: ASPIRA Inc. of Illinois submitted a renewal proposal on September 4, 2012 to continue the operation of the ASPIRA Charter School under a unified mission. ASPIRA Inc. of Illinois agreed to phase-out its Mirta Ramirez High School Campus. Beginning in the fall of 2013, that campus will not accept any freshmen students. Students attending the campus during the 2012-2013 school year will be allowed to continue attending through the 12th grade, with the campus closing completely by June 30, 2016.

As a result, during the renewal term the charter school shall serve grades 6 through 12 with a maximum enrollment of 1,700 students but maximum enrollment will decrease to 1,250 students by the end of the 2015-2016 school year. The maximum enrollment for each ASPIRA Charter School Campus is indicated on the chart below.

This agreement will incorporate an accountability plan where the school is evaluated by the board each year based on numerous factors related to its academic, financial and operational performance.

In September 2012, ASPIRA Inc. of Illinois proposed to establish a new high school campus named ASPIRA Business and Finance Campus at 2989 North Milwaukee Avenue in the fall of 2014, serving 250 students in grade 9. In successive years, that campus will add one grade at a time, until reaching an at capacity enrollment of 1,000 students in grades 9 through 12. The overall at capacity enrollment of the whole charter school will increase by 1,000 to 2,250 students. A public hearing on the proposed campus was held on April 15, 2013. The hearing was recorded and a summary report is available for review.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of ASPIRA Charter School's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visit of the school in which student performance, teaching and learning, leadership and governance, and the learning communities were assessed. A public hearing was held on February 21, 2013 for all charter schools going through renewals to receive public comments, including ASPIRA Charter School. In addition to the foregoing, the Office of New Schools evaluated the school's student performance. From 2007-2008 to 2011-2012, the Ramirez Campus received 8 out of 62 high ratings and 19 out of 62 middle ratings, the Hagan Campus received 24 out of 52 high ratings and 21 out of 52 middle ratings, and the Early College Campus received 5 out of 37 high ratings and 14 out of 37 middle ratings on the school absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. From 2007-2008 to 2011-2012, ASPIRA Charter School's student attendance averaged approximately 89.8% at the Ramirez Campus, 95.3% at the Hagan Campus, and 90.8% at the Early College Campus. In 2011-2012, the percentage of students meeting/exceeding state standards on the PSAE Composite at the Ramirez Campus was 15.4%, a decrease of 10.0 percentage points from 2007-2008, and at the Early College Campus was 20.8%, an increase of 2.3% from 2009-2010. In 2011-2012, the percentage of students meeting/exceeding state standards on the ISAT Composite at the Hagan Campus was 72.0%, an increase of 11.2% from 2007-2008.

The Office of New Schools recommends that, based on the school's performance on these and other accountability criteria, ASPIRA Charter School be authorized to continue operating as a charter school but will phase-out its Mirta Ramirez High School Campus.

RENEWAL TERM: The term of ASPIRA Charter School's charter and agreement is being extended for a five (5) year term commencing July 1, 2013 and ending June 30, 2018.

ADDITIONAL TERMS AND CONDITIONS: Additional terms and conditions will be communicated to the charter school and included as an attachment to the Charter School Agreement with ASPIRA Inc. of Illinois.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the written Charter School Agreement. Authorize the Executive Director of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the fiscal year 2014 budget.
