To remove suspension of charter status, ACT Charter School was required to notify the Office of New Schools of its intent to reinstate educational services by submitting a proposal that outlined the educational, financial and operational practices of the charter school. The proposal had to be submitted in accordance with the timelines established by the Office of New Schools through the new schools selection process or within six months of the anticipated date of reinstatement of educational services by the charter school. This proposal required Board approval prior to the reinstatement of educational services at ACT Charter School.

CHARTER RENEWAL PROPOSAL: The ACT Charter School submitted a material modification and renewal proposal on November 2, 2011, to reinstate the operation of the ACT Charter School under a mission to provide a college-preparatory education to urban youth empowering them to take their place in society as competent, confident, creative and compassionate citizens of the world. This renewal proposal requests to enter into a new five-year charter agreement and to change the grades served from grades 7-12 to grades 5-8 and to allow KIPP Chicago to manage the operations of the school starting in the fall of 2012. The ACT Charter School will resume services in the fall of 2012, serving 90 students in grade 5. The school will add a grade each year until reaching full capacity in the 2015-2016 school year, serving a maximum of 360 students in grades 5-8.

ACT Charter School entered into a multi-year educational management agreement with KIPP Chicago to provide comprehensive school management services at the charter school beginning in the fall of 2012.

The agreement incorporates an accountability plan in which the school is evaluated by the Board each year based on numerous factors related to academic, financial and operational performance.

In February 2012, the Board proposed a new location for ACT Charter School. ACT Charter School shall be located at 4837 W. Erie Street beginning with the 2012-2013 school year. A public hearing for the proposed location was held on Thursday, March 15, 2012. The hearing was recorded and a summary report is available for review.

In February 2013, ACT submitted a proposal to (a) change the charter school name from Academy of Communications Charter School to KIPP Chicago Charter Schools, (b) correct the existing address for the charter school which is located at the Nash Annex from 4837 W. The governing boards of Academy of Communications and Technology Charter School and KIPP Chicago Schools will merge to become one charter school operator to be named KIPP Chicago Schools.

The elementary school campus named KIPP Bloom Campus is also expected to open in the fall of 2013 at a facility to be determined, serving 90 students in grade 5. In successive years, that campus will add one grade per year until reaching an at capacity enrollment of 360 students in grades 5 through 8. The overall at capacity enrollment of the whole charter school will increase by 360 to 720 students for the fall of 2013. An elementary campus is expected to open in the fall of 2014 at a facility to be determined, serving 150 students in grade K. In successive years, that campus will add one grade per year until reaching an at capacity enrollment of 540 students in grades K through 4. The overall at capacity enrollment of the whole charter school will increase by 540 to 1,260 students for the fall of 2014. A public hearing on the proposed changes was held on April 15, 2013.
