Program Description: Effective July 1, 2005, the Illinois State Board of Education amended the School Code requiring all children in kindergarten and the second and sixth grades of any public, private or parochial school to have a dental examination (105 ILCS 5/27-8.1). An Oral Health Program ("Program") was established in the Chicago Public Schools in 2006 because of the shortage of dental providers in the City of Chicago that accept Medicaid. CDPH and the Board will continue to collaborate to offer Oral Health Services to all CPS students in pre-kindergarten through 12th grade. These Services will be provided in schools where the principals wish to participate, and will be provided to students only with their parent or guardian's signed consent. The Services will consist of CDPH providing exams, prophylaxis (cleaning) and fluoride treatments ("Dental Exam/Screenings"); dental sealants as needed; dental education services; and toothbrushes to all participating students; and referrals to community dentists for follow-up dental services as needed.

Services will be provided at no charge to the Board or to CPS students or their families. However, CDPH may bill the Illinois Department of Healthcare and Family Services for Services provided to CPS Students enrolled in the Medicaid/KidCare/All Kids program or they may utilize grant funds, if available, to procure payment for Services. Services provided by the Provider Dentists (as defined below) to CPS students who are not Medicaid/KidCare/All Kids enrollees will be the responsibility of the Provider Dentists, with no cost to the Board, the City, or CDPH. CDPH and Provider Dentists may bill private insurance if a child has insurance.

The Agreement was renewed (authorized by Board Report 09-0527-ED7) for a term commencing October 4, 2009 and ending October 3, 2012. The Agreement was amended (authorized by Board Report 12-0125-ED8) to extend the term of the option period by an additional 3 years for a term commencing October 4, 2012 and ending October 3, 2015.
