Programs for Targeted Populations: This is a single strategy or a menu of supports designed to reach stabilization outcomes for the targeted population, such as school re-enrollment, increased school attendance, decreased discipline infractions, decreased involvement with the justice system, etc. This category is intended to highlight strategies that could be effective regardless of the frequency of student attendance in school. Strategies will be implemented by vendor staff or trained school staff.

Category B - Curriculum and Materials: All curriculum and materials must demonstrate strategies that have previously worked in other large school districts and meet local, state and federal requirements.
