**ADJUST THE ATTENDANCE AREAS OF HELGE A HAUGAN ELEMENTARY SCHOOL,
PATRICK HENRY ELEMENTARY SCHOOL AND THEODORE ROOSEVELT HIGH SCHOOL**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That effective June 30, 2018, the Chicago Board of Education adjust the attendance areas of Helge A. Haugan Elementary School (School ID 609972) ("Haugan"), located at 4540 North Hamlin Avenue, Chicago, Illinois, Patrick Henry Elementary School (School ID 609988) ("Henry"), located at 4250 North Saint Louis Avenue, Chicago, Illinois, and Theodore Roosevelt High School (School ID 609728) ("Roosevelt HS"), located at 3436 West Wilson Avenue, Chicago, Illinois.

DESCRIPTION:

Pursuant to the Illinois School Code Sections 34-200 through 34-230, the Chief Executive Officer's Guidelines for School Actions, and the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the adjustment of school attendance boundaries resulting in the reassignment of currently enrolled students.

Pursuant to the legal requirements, two community meetings were convened on January 10, 2018 at Haugan, located at 4540 North Hamlin Avenue, Chicago, Illinois, and January 17, 2018 at Henry, 4250 North Saint Louis Avenue, Chicago, Illinois, and public hearings were convened on January 26, 2018 at 42 West Madison Street, Chicago, Illinois, following the issuance of proper notice. An independent hearing officer received oral and written comments and supporting documents at the hearings and kept the record open after the meetings to receive additional written comments or documentation. A transcript of the hearings and summaries of the meetings have been provided to the Board. The hearing officer reported that the CEO's proposal met the requirements of the law and summarized comments and written documentation received. After receiving the hearing officer's report, the CEO has decided to recommend that the Board approve the reassignment boundary changes of Haugan, Henry and Roosevelt HS by adjusting the attendance area boundaries to reflect the change in grade level offerings.
