

**APPROVE EXECUTING STUDENT TEACHING AGREEMENTS
WITH VARIOUS COLLEGES AND UNIVERSITIES**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Approve executing student teaching agreements with the colleges and universities ("Universities") listed on Exhibit A and other Universities in the future that express an interest in placing student teachers in the Chicago Public Schools. No costs are associated with these agreements. These agreements are currently being negotiated. The Board will not provide student teaching assignments to a University's students unless such University and the Board have signed the student teaching agreement. Information pertinent to these agreements is stated below.

UNIVERSITIES: See Exhibit A

USER: Chicago Public Schools
Talent Office 42 W Madison St, Garden Level
Chicago, IL 60602
Contact Person: Christine Murphy Judson
Phone: 773-553-1067

TERM: The term of the agreement for each University shall commence July 1, 2018 and shall end June 30, 2019.

OPTIONS TO RENEW: Each agreement shall have one option to renew for a period of one (1) year.

SCOPE OF SERVICES: CPS has made a commitment to investing in the district's need for teachers in high-needs subject areas and a more diversified teaching force. CPS will prioritize relationships with university partners based on their continued efforts to help CPS meet its diversity and subject area/grade level teacher needs. Universities will recruit and screen student teacher candidates according to their own internal policies and practices. The most qualified candidates will be referred to the designated CPS Program contact for selection, background checks and registration in accordance with the Board's Student Teacher and Pre-Service Teacher Enrollment Policy as such policy may be revised by the Board from time to time. The actual number of school-based classroom hours required of each student teacher will be established by that student teacher's University. Local Universities will conduct site observations and assessments for each student teacher at various times throughout the term of their assignment, and will provide technical assistance to the student teachers and their assigned cooperating teachers to help them achieve the learning goals and licensing requirements set by that student teacher, their University, the Board, and the Illinois State Board of Education.

The Talent Office will continue to invest in the district's need for teachers in high need subject areas. As part of its initiative to expand the pool of superior student teacher candidates and increase the number of diverse student teacher candidates, the Talent Office will actively recruit Universities annually ranked among the top schools of education nationally, and will actively recruit Universities categorized annually as "Historically Black Colleges and Universities" or "Hispanic Serving Institutions" to encourage their students to seek student teaching placements and full time employment in the Chicago Public Schools.

DELIVERABLES:

- Each University will pre-screen and provide qualified student teacher candidates as described in their agreement.
- Each local University will complete at least one site visit for each student teacher during the student teacher's assignment.

- Each University will prepare written performance evaluations for each student teacher and will provide copies of all such written evaluations to the CPS Program Manager as requested.
- Each University will collaborate with the CPS Program Manager to create status reports to track to application, acceptance, and placement of student teachers with CPS mentors in CPS schools.
- Each University will prepare reports and meet with the CPS Program Manager if a student teacher does not meet CPS performance standards.

OUTCOMES: University services will result in providing qualified student teacher candidates who will complete their licensing requirements for securing an Educator License with Stipulations or Professional Educator License through the Illinois State Board of Education.

COMPENSATION: Universities and student teachers will receive no monetary compensation from the Board for the provided services.

AUTHORIZATION: Authorize the General Counsel to include other relevant terms and conditions in the written agreements and any amendments. The General Counsel also is authorized to include provisions in the agreements regarding indemnification by the Board when such language is required by a University. Authorize the President and Secretary to execute the agreements and any amendments, including agreements with Universities not listed on Exhibit A without additional Board approval. Authorize the Chief Talent Officer to execute all ancillary documents required to administer or effectuate these student teaching placements and the agreements.

AFFIRMATIVE ACTION: Pursuant to section 5.2 of the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, MBE/WBE provisions of the Program do not apply to colleges and universities.

LSC REVIEW: Local School Council approval is not applicable to this report.

FINANCIAL: None.
