HISTORY OF BOARD ACTION: PURPOSE: To This policy was originally enacted by the Board to provide a comprehensive framework for policy on the reporting of suspected cases of child abuse and child neglect by school personnel and others responsible for the child's welfare of children (Board Report 08-0723-PO2). The current amendments are recommended to (a) reflect changes in Illinois law and in the Board's electronic incident reporting system (b) communicate clear expectations that all employees must protect students by reporting any interactions or behaviors which suggest that an adult has or had an inappropriately intimate relationship with a child or may be grooming a child, even if the employee does not have reasonable suspicion that sex abuse is occurring or has occurred; and (c) require mandated reporters to immediately call the DCFS Hotline and then notify the reporter's principal/supervisor or Network Chief/Chief Officer when they have a reasonable suspicion of child abuse or neglect.
