DESCRIPTION: CPD will provide sworn, full-duty police officers at each of the designated schools for full shifts to perform the duties of a school resource officer (SRO) set forth in the job description attached hereto as Attachment 1 to ensure the safety of CPS students, school personnel and others on school property. While including traditional safety and police assistance for the school community, the SRO job description includes and emphasizes the duties that provide for a safe school environment and promote productive and positive community/police relationships and interactions. SROs shall be uniformed and carry standard equipment.

Eligibility and Selection Process. SRO candidates will be placed at a school through an eligibility and selection process. CPD will recommend a candidate(s) for placement at a school. The principal may interview the candidates. The principal has the right to reject the candidate and ask for other candidates. CPD will create an eligibility list of SRO candidates for possible placement at a school based on predefined eligibility criteria, including an excellent disciplinary history and interview by CPD Chief of Bureau Operations.

Training. SROs are required to undergo training through the National Association of School Resource Officers (NASRO) courses or replacement training approved by the federal monitor. SRO's will also undergo CPS training on: restorative practices; CPS Student Code of Conduct; youth development; disability and special education issues; youth crisis intervention; implicit racial bias; interaction with specific student groups such as limited English proficiency, LGBTQIA, homeless students and sensitivity around immigrant student situations, as well as annual refresher training.

Program Monitoring. CPS Office of School Safety and Security will perform compliance monitoring of the SRO program throughout the school year by meeting with CPD every two weeks and meeting with the federal monitor every month to review key performance indicators.

Scope of SRO Services. SROs will maintain a visible presence in and around the designated schools and have positive student interactions.

SROs shall respond immediately to calls involving emergency situations. SROs will call in to dispatch all emergency situations to protect all CPS students, school personnel or others who are present on school property and, in non-criminal acts, reference the CPS Student Code of Conduct to determine, in consultation with school administrators, including for matters within its purview, the CPS Office of Student Protections and Title IX, if the situation can be handled through Board student disciplinary processes.

SROs shall have no involvement in school disciplinary actions or processes and shall ensure that no other CPD officers are requested to intervene in school disciplinary actions.

SROs will coordinate with school administration and the CPS Office of School Safety and Security personnel in problem solving exercises and emergency drills. SROs will participate in any training of CPS emergency drills, including active shooter response. SROs' actions shall always minimize any disruption to the school's normal operations.

SROs shall work with school administrators to make reasonable attempts to reach students' parents or guardians prior to any action by a CPD officer involving a student on school grounds. Nothing herein limits the authority of any SRO to perform his/her duties, as provided by ordinance and statute.

SROs shall notify their immediate supervisor and/or Commander of inappropriate situations where they are asked by school administrators, teachers and other staff to intervene in student situations that involve mere school disciplinary actions.

SROs and school administrators shall develop plans and strategies to prevent and/or minimize dangerous situations. SROs shall share information with the school administrators about persons and conditions that pertain to campus safety concerns.

SROs shall be a resource for students which will enable them to be associated with a law enforcement figure and role model in the students' environment.

SROs can participate in meetings with school administration upon notification and approval of the SRO's immediate supervisor or Commander.

SROs must have knowledge of the CPS Student Code of Conduct and CPS disciplinary procedures.

SROs will follow the Reciprocal Reporting Systems Agreement between Chicago Public Schools and the Chicago Police Department, as said agreement may be amended from time to time, regarding any arrests made pursuant to this Agreement.

SROs shall maintain daily reports on all crimes and arrests committed by any persons at CPS schools, whether a student, staff or otherwise.

SROs shall not transport students in CPD vehicles except when the students are under lawful arrest or when some other emergency circumstances exist. SROs shall not transport students in their personal vehicles.

SROs must at all times operate in compliance with laws ordinances and CPS policies, including the Family Educational Rights and Privacy Act (FERPA), the Illinois School Student Records Act (ISSRA) and those relating to non-discrimination. CPD computer terminals will not be installed at schools and SROs will be prohibited from entering information into the Criminal Enterprise Information System (CEIS).
