1. Why is this policy/Board rule being amended, created, or rescinded now? (e.g., state legislation, compliance change, policy was out of date, annual policy review, CEO/CEdO recommendation, etc.)

This policy is being amended to expand the parental leave policy to closely resemble the paid parental leave policy in place with the City of Chicago that took effect January 1, 2023. This amendment is a requested as part of collective bargaining with the CTU to begin the start of the 2023-24 school year.

2. Please provide a high level summary of what policy/Board rule changes are being made, or created, and why.

This amendment will apply to all eligible district employees to expand the current benefit, allowing both birth and non-birth parents to take time off to bond with their newborn or newly adopted/fostered child within the first 12 months of birth or placement. Gestational surrogates will be eligible for up to eight weeks of paid leave for recovery purposes under this benefit. Additionally, we are requesting approval to extend the supplemental leave duration for Paraprofessional and School-Related Personnel (PSRP) to align with Teachers. This change is being requested to abolish gender disparity and inequity when it comes to parental leave benefits.

3. Please provide any notable feedback from internal or external stakeholders, and how you addressed it or planned to address it in your policy/Board rule draft.

CPS and CTU have formed a working group to address and plan for coverage concerns expected by expanded leave time. Other stakeholder activities are being developed and will be implemented soon.

4. Please provide any additional notes/considerations in the box below.

Under the current CPS policy, birthing parents are entitled to six to eight weeks of short-term disability leave, while eligible FMLA non-birth parents receive two weeks of paid leave. Birth parents who do not meet the hours requirement for FMLA can still utilize the current short-term disability plan. The non-birth parents would have the greatest benefit as a result of this policy change. Extending leave benefits to all parents, regardless of their gender or biological relationship to the child creates a more inclusive and supportive work environment, reducing potential for discrimination or bias. Equitable paid family leave policies acknowledge the financial needs and challenges faced by all parents and this helps to provide a safety net for families, reducing the risk of financial hardship and inequality.
