ORIGINAL AGREEMENT: The original Charter School Agreement (authorized by Board Report 17-1206-EX4) was for a term commencing July 1, 2018, and ending June 30, 2023, and authorized the operation of a charter school serving no more than 900 students in grades 7 through 12. The charter and Charter School Agreement were subsequently amended as follows:

- Board Report 18-0627-EX5 was approved to authorize (a) the delayed opening of the school until the fall of 2019, contingent upon the identification of a viable permanent facility by January 2019, and (b) the revised term.
- Board Report 19-0424-EX9 was approved to authorize AIM (Art in Motion) to identify the independent facility at 7415 S East End Avenue as the location of the Art in Motion Charter School.
- Board Report 21-0526-EX5 was approved to authorize AIM to temporarily change the location of grades 9 and 10 from the facility at 7415 S East End Avenue to the independent facility at 7522

S. Greenwood Avenue beginning in the fall of 2021 until necessary construction is complete at the facility on East End Avenue.

CHARTER RENEWAL PROPOSAL: Art in Motion submitted a renewal proposal on July 18, 2023, to continue the operation of Art in Motion Charter School. The charter school shall continue to be located at 7415 S East End Ave and shall continue to serve grades 7 through 12 with a maximum enrollment of 900 students:

The agreement will incorporate an accountability plan in which the Board evaluates the charter school each year based on numerous factors related to its academic, financial, and operational performance.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of Innovation and Incubation conducted a comprehensive evaluation of Art in Motion Charter School's academic performance, financial viability, and legal and contract compliance. This evaluation included a review of the proposal, academic results, financial performance, governance documents, parental issues, facilities surveys, and special education documentation. A public hearing was held on January 9, 2024, for all contract and charter schools going through renewals to receive public comments, including Art in Motion Charter School. The Office of Innovation and Incubation recommends that Art in Motion Charter School be authorized to continue operating as a charter school based on the school's performance on these and other accountability criteria.

RENEWAL TERM: The term of Art in Motion's charter and agreement is being extended for a three (3) year term commencing July 1, 2024, and ending June 30, 2027.

ADDITIONAL TERMS AND CONDITIONS: The following conditions shall be incorporated into the Charter Agreement between the Board of Education of the City of Chicago and Art in Motion Charter School:

- The school must demonstrate progress toward implementing the Recommendations codified in the Special Education Renewal Site Visit Report by the Office of Diverse Learner Supports and Services (ODLSS).
- On an annual basis throughout the term, the school must provide a summary of discipline practices, including staff training and multi-tiered interventions and restorative strategies implemented, and an end-of-year update on the progress and results of its discipline practices, with a demonstrated reduction in in-school and out-of-school suspensions.
- On a bi-annual basis throughout the term, the school must submit a facility deficiency repair plan to communicate the status of the facility and ADA issues identified in the Facilities Assessment Report.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment. Authorize the President and Secretary to execute the written Charter School Agreement and amendment. Authorize the Executive Director of the Office of Innovation and Incubation to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification. Authorize the General Counsel to further negotiate and execute any amendments to the Charter School Agreement required by the Illinois State Board of Education.

LSC REVIEW: Approval of the Local School Council is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2024-25 fiscal year budget. Since the School Code of Illinois prohibits incurring any liability unless an appropriation has been made, expenditures beyond FY24 are deemed contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

GENERAL CONDITIONS:

Inspector General - Each party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

Indebtedness - The Board's Indebtedness Policy adopted June 26, 1996 (96-0626-PO3), as amended from time to time, shall be incorporated into and made a part of the agreement.
