Wednesday, May 27, 2015

Annette Gurley, Chief Officer – Teaching & Learning

Karen Garibay-Mulattieri, Chief Officer – Language & Culture Education

Markay Winston, Chief Officer – Diverse Learner Supports & Services

Aarti Dhupelia, Chief Officer - Office of College & Career Success

Summer Programming Overview

- **Teaching and Learning Offerings**
  - Extended opportunity for students to meet promotion criteria, recover or attain credit
  - Opportunity for students with diverse needs to get extended school year support
- **Office of College & Career Success Offerings**
  - Supplements the instructional year by providing additional academic, career and supplemental enrichment opportunities
- **Office of Diverse Learner Supports & Services**
  - Extended School Year (ESY) services are provided to our diverse learners that qualify due to the loss of skills during the summer months
- **Office of Language & Culture Education**
  - Enrichment courses for English Learners to support English language acquisition

Office of Teaching and Learning (T&L) – Summer Programs

- **Summer Bridge (including EL Summer Bridge)**
  - 3rd, 6th and 8th grade students reach promotion criteria by receiving intensive web-based instruction in Reading and Mathematics differentiated for their needs
  - Student Participation: 10,000 students

- **Summer Acceleration**
  - Age Cycle 15 elementary students not meeting 8th grade promotion criteria prepare for high school by receiving motivating instruction in executive functioning skills, reading and math.
  - Student Participation: 1,000 students

- **Credit Recovery**
  - High school students earn credits required to graduate by taking previously failed core academic courses
  - Student Participation: 8,000 students

Office of Teaching and Learning (T&L) – Summer Programs (cont.)

- **Summer Cool**
  - Students in grades 2-8 are provided project-based learning opportunities to prevent summer learning loss
  - Student Participation: ~4,500 students

- **Virtual Learning**
  - 7th-12th grade students participate in credit recovery, credit attainment, acceleration and enrichment via various online courses
  - Student Participation: ~1,000 students

- **Kick Off To Kindergarten**
  - Students prepare for kindergarten at the school they will attend in the fall regardless of whether they have attended pre-school
  - Student Participation: ~1,000 students

Office of Language & Culture Education – Summer Programs

- **English Learners (EL) Summer Support**
  - Develop English language proficiency by providing instruction that targets academic language

- **EL Refugee Summer Support**
  - Accelerate learning in Literacy and Math with targeted ESL coursework

- **HS EL Summer Credit Attainment**
  - Earn credits that were not awarded due to late enrollment in a US high school

Chicago Public Schools

Office of Diverse Learner Supports & Services– Summer Programs

- **Extended School Year (ESY)**
  - Preschool through 12th grade students who are found eligible for ESY services, per their IEP are allowed to participate in order to ameliorate academic or behavioral skill loss
  - Eligible students may participate in either a four or six week program, based on the decision of their IEP team
  - Student Participation: Approximately 9,000 students have been found eligible to receive ESY services

Office of College and Career Success (OCCS) – Summer Jobs

- **Career & Technical Education (CTE) Internships through Mayor Emanuel's One Summer Chicago**
  - Connects CTE classroom experience with real work experiences
  - Student Participation: 1500 students for 6 weeks

- **Academic Competitions Summer Workshops**
  - Provides Debate, Science Fair and Chess students with the opportunity to obtain and enhance valuable skills needed for professional growth
  - Student Participation: 100 students, June – August

- **Peer Health Ambassadors**
  - Increase students knowledge regarding adolescent health (nutrition, social/emotional, physical and sexual) and develop leadership skills
  - Student Participation: Approx. 400 students, June - August

Chicago Public Schools

Office of College and Career Success – STEM & IB Programming

- **Middle School Career & Technical Education (CTE) Camps**
  - Engage 5th – 7th graders in pre-engineering and information technology learning opportunities, CTE programs and high school options
  - Student Participation: Approx. 100 students, June – July

- **Early College STEM Schools(ECSS) STEM Workshops**
  - Engage incoming 9th and returning 10th graders of ECSS additional exposure to STEM focused-learning, receive opportunities to remediate or accelerate towards college readiness (math, writing, reading) and build increased interest in STEM fields
  - Student Participation: Approx. 75% of incoming 9th graders and 75% of returning 10th graders of ECSS, 4 – 6 week program

Chicago
Public
Schools

Office of College and Career Success – STEM & IB Programming

- **JROTC Summer Camp & Summer STEM Launch 2015**
  - Provide students with college, career and military exposure while building on student's foundational STEM knowledge with hands-on projects, activities and trips
  - Student participation: 100 students across both programs during August

- **IB Summer College Academy**
  - Intensive 3-day program that teaches students all the requisite skills for the college application process, including conducting a college search, participating in a campus tour, writing a college essay, interviewing, applying for financial aid, etc.
  - Student Participation: 280+ students during June

Chicago Public Schools
