

2024 CPS DREAM FUND

Help undocumented students make their college dreams a **reality**

When it comes to paying for college, undocumented students do not have the same opportunities for federal and state financial aid as their peers. The CPS Dream Fund offers **crucial financial assistance** to CPS alumni who otherwise would have limited options to help pay for college.

Thanks to a vast coalition of individuals, businesses, CPS staff, teachers, and administration, the Dream Fund awards 50-70 scholarships annually with the opportunity for renewal.

Since 2014, the CPS Dream Fund has provided more than

\$240,000

in new and renewal awards to CPS students from **49 high schools** around the city.

Join us for the CPS Dream Fund Scholarship Benefit

Purchase tickets to enjoy food, drink and a mission-driven celebration.
