APPROVE SETTLEMENT OF DEFICIENCY CLAIM OF BOARD OF TRUSTEES OF THE PUBLIC SCHOOL TEACHERS' PENSION AND RETIREMENT FUND OF CHICAGO

THE GENERAL COUNSEL REPORTS THE FOLLOWING SETTLEMENT:

DESCRIPTION:

The Board of Trustees of the Public School Teachers' Pension and Retirement Fund of Chicago ("Fund") asserts that the Board failed to accurately calculate and pay employee contributions to the Fund from FY 2002 through FY 2006. The Fund discovered the alleged deficiencies by auditing the Board's legacy payroll system when it had access to that system. In general, the claimed deficiencies occurred due to a requirement in the Pension Code that employees only contribute for pay periods in which they worked 5 or more days, which necessitated manual evaluation that was prone to error. (The Pension Code has since been amended to avoid this issue.) The Fund claims the Board owes approximately \$2,600,000.00 for these deficiencies, and has billed the Board for that amount. The Board's sample audit indicated that approximately 50% of the deficiency claims were inaccurately billed. The Board's Chief Financial Officer negotiated a settlement of the claims with the Fund's Chief Executive Officer, subject to each Board's approval, for the sum of \$1,300,000.00

DEBARMENT OF DERRICK HARRIS and NORTH LAWNSDALE LSC FEDERATION

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING RECOMMENDATION:

That the Board of Education of the City of Chicago ("Board") fully and permanently debar DERRICK HARRIS ("Derrick Harris") and NORTH LAWNSDALE LSC FEDERATION from doing any business with the Board.

On November 22, 2011, the Board's Chief Purchasing Officer filed and served on Harris and NLLF (collectively "Respondents") a Notice of Proposed Debarment ("Notice"), initiating constraints and a debarment proceeding against them, based upon Respondents' (1) failure to cooperate with an investigation of the Office of the Inspector General ("OIG"), in violation of 105 ILCS 5/34-13.1(d) and (2) failure to provide records supporting expenses allegedly incurred by Respondents and which would support payments made by the Board to Respondents. Respondents filed a response to the Notice admitting that Harris, NLLF's principal, told the OIG that the OIG's requests were a "waste of time" and that Harris "would not participate in an interview" with the OIG ("Response"). The Board filed and served its reply in support of the Notice on January 24, 2012 ("Reply"). The alleged conduct of Respondents was so egregious that the Notice sought to fully and permanently debar them.

On January 26, 2011, the Board resolved and ratified that, as of December 15, 2010, any reference to Chief Administrative Officer in any Board Rule, Policy or guideline constitutes a reference to Chief Executive Officer or designee. B.R.11-0126-RS1.

Based on admissions in court, debarment by the City, and admission of the facts set forth in the Notice, the Chief Administrative Officer, Tim Cawley, recommends that the Board fully and permanently debar Derrick Harris and North Lawnsdale LSC Federation from doing any business with the Board.

That the Board of Education of the City of Chicago ("Board") fully and permanently debar QUEEN SISTER AFRIKA a/k/a QUEEN SISTER GEORZETTA DELONEY a/k/a GEORZETTA DELONEY ("Queen Sister Afrika") and IT TAKES A VILLAGE ORGANIZATION a/k/a IT TAKES A VILLAGE NFP.ORG ("It Takes A Village") from doing any business with the Board.

On November 22, 2011, the Board's Chief Purchasing Officer filed and served on Queen Sister and ITVO (collectively "Respondents") a Notice of Proposed Debarment ("Notice"), initiating constraints and a debarment proceeding against them, based upon Respondents' (1) failure to cooperate with an investigation of the Office of the Inspector General ("OIG"), in violation of 105 ILCS 5/34-13 1(d), (2) failure to identify services ITVO performed, and (3) submission of invoices for payment of services which neither ITVO nor Queen Sister were authorized to perform. Respondents filed a response to the Notice but failed to deny any of the allegations in the Notice. Section 4.5(d) of the Debarment Policy requires a vendor to make an admission, denial or other response to every allegation in a notice of debarment, the failure of which constitutes an admission. The alleged conduct of Respondents was so egregious that the Notice sought to fully and permanently debar them.

On January 26, 2011, the Board resolved and ratified that, as of December 15, 2010, any reference to Chief Administrative Officer in any Board Rule, Policy or guideline constitutes a reference to Chief Executive Officer or designee. B.R.11-0126-RS1.

Based on the facts set forth in the Notice, the Chief Administrative Officer, Tim Cawley, recommends that the Board fully and permanently debar Queen Sister and ITVO from doing any business with the Board

AMEND BOARD REPORT 09-1216-PO1
AMEND BOARD REPORT 08-0123-PO4
COMPREHENSIVE NON-DISCRIMINATION,
TITLE IX AND SEXUAL HARASSMENT POLICY

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board amend Board Report 09-1216-PO1 Comprehensive Non-Discrimination, Title IX and Sexual Harassment Policy.

PURPOSE: The Board recognizes that the goal of eliminating all forms of unlawful discrimination, sexual harassment and retaliation in the workplace and attendance centers will create a better work and learning environment for Board employees and students. This policy establishes procedures for the reporting, investigation and resolution of complaints of sexual harassment, discrimination and retaliation occurring in the Chicago Public Schools (CPS) as well as any of its administrative offices. This policy also establishes procedures to investigate claims of discrimination based on gender pursuant to Title IX of the Education Amendments of 1972. Requests for accommodations for disabilities are not covered under this policy, rather are handled under the Board's Americans with Disabilities Act and 504 Policy on Compliance with the Americans with Disability Act.

POLICY TEXT:

I. REPORTING

Individuals may make an oral or written complaint of discrimination, sexual harassment, or retaliation if they:

- believe they are the subject of discrimination, sexual harassment, or retaliation;
- have knowledge of discriminatory or sexual harassment conduct, or retaliation; or
- believe that they have been retaliated against for making a good faith complaint or report of sexual harassment, discrimination, or for participating or aiding in an investigation of such complaints.

To report suspected acts of sexual harassment, discrimination or retaliation or to request general information regarding this policy, contact the Equal Opportunity Compliance Office Administrator Manager (EOCO Administrator Manager) at 125 South Clark, Suite 1100, Chicago, Illinois 60603, (773) ~~553-1013~~ ~~663-6499~~. Specific reporting procedures are found in Section IV herein. The EOCO Manager or designee shall investigate allegations of sexual harassment, allegations of discrimination and allegations of retaliation as later described in this policy.

II. GENERAL PROVISIONS

A. Work and Learning Environment: It is the policy of the Board of Education of the City of Chicago, ("Board") to maintain a work and learning environment in which all individuals are treated with dignity and respect. Each employee and student shall enjoy the right to work and learn in an environment that is free of discrimination, sexual harassment or retaliation. No person shall be required to endure discrimination, sexual harassment or retaliation as a condition of employment or in pursuit of academic endeavors. Unlawful discrimination, sexual harassment and retaliation will not be tolerated regardless of whether it takes place in the Board's administrative offices, its attendance centers, during work-related assignments outside of administrative offices or attendance centers, during school-related or work-related extracurricular functions or during work-related social functions.

B. Covered Individuals: No employee, student, contractor, consultant, vendor, or volunteer (collectively referred to as "covered individuals") shall engage in any conduct that unlawfully discriminates, sexually harasses or retaliates against another while employed, working for, attending school or participating in district endeavors.

C. Scope: This policy covers all phases of employment, and academic status, including, but not limited to recruitment, educational testing, hiring, upgrading, promotions, demotions, transfers, layoffs, termination, suspensions, expulsions, rates of pay, benefits, and the selection for training. This policy also covers allegations by persons seeking or receiving Board services as described herein.

D. Limitations: Nothing in this policy is intended nor shall be construed to create a private right of action against the Board or any of its employees. Furthermore, no part of this policy shall be construed to create contractual or other rights or expectations. Nothing herein is intended to affect the right of any person to make a charge of discrimination, retaliation or sexual harassment at any agency with jurisdiction over such claims.

E. Guidelines: The EOCO Administrator Manager shall establish guidelines which include procedures necessary to implement the requirements of this policy and shall make them available to interested persons. Guidelines shall include complaint forms which must be signed by the complainant, timelines for initiation and completion of an investigation, the creation and maintenance of a record-keeping system for all complaints, investigations, findings, and action(s) taken. The procedures shall ensure that the EOCO's records pertaining to its investigations will, to the extent possible, be kept confidential and that employees and students are afforded their rights provided for under Title IX of the Education Amendments of 1972.

III. CONDUCT PROHIBITED

A. Discrimination:

1. *Definition* - As used in this policy, discrimination means unlawful discrimination on the basis of any classifications protected by the Constitution of the United States, the Constitution of the State of Illinois and applicable federal, state or local laws or ordinances, including but not limited to discrimination on the basis of race, color, sex, gender identity/expression, age, religion, disability, national origin or sexual orientation or maintaining facially neutral policies, practices, or requirements that have a negative effect on employment or academic opportunities of protected groups without a legitimate nondiscriminatory reason. Acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex, but not involving conduct of a sexual nature, may constitute a form of sex discrimination.

2. *Conduct Prohibited* - Discrimination is prohibited when making employment-related decisions, including but not limited to decisions relating to recruitment, hiring, promotion, transfers, benefits and any other terms and conditions of employment. Education-related programs and activities, including but not limited to admissions, financial aid, academic programs and extracurricular activities, will be administered without regard to the student's or applicant's race, color, national origin, sex, gender identity/expression, sexual orientation, age, religion or disability.

3. *Reporting* - The procedures for reporting claims of discrimination are set out in Section IV of this policy.

B. Sexual Harassment:

1. *Definition* - As used in this policy, sexual harassment means any un-welcomed sexual advance or request for sexual favors or conduct of a sexual nature:

(i) when submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or participation in an education program or activity or receipt of Board services,

(ii) when submission to or rejection of such conduct by an individual is used as the basis of any employment, educational or service decision affecting the individual; or

(iii) when such conduct has the purpose or effect of substantially interfering with the work performance of an employee, a student's ability to participate in or benefit from an education program or activity or creating an intimidating, hostile or offensive work or learning environment.

2. *Conduct Prohibited* - Covered individuals shall not sexually harass another while employed, working for, attending or participating in district endeavors. There is a broad range of conduct which can, in certain circumstances, be considered a violation of this policy. This may include, but is not limited to sexually suggestive or offensive remarks; sexually suggestive pictures; sexually suggestive gesturing, verbal harassment or abuse of a sexual nature; harassing, abusive or sexually suggestive or offensive messages sent by e-mail or other electronic medium; subtle or direct propositions for sexual favors, and touching, patting, or pinching. Sexual harassment may be directed against a particular person or persons, or a group, whether of the opposite sex or the same sex.

3. *Reporting* - The procedures for reporting claims of sexual harassment are set out in Section IV of this policy.

C. **Non-Fraternization:** No employee shall engage in or maintain a romantic relationship with another employee that they manage, supervise or may control or influence the supervision, evaluation or compensation of the other. Employees who become involved in such a relationship must communicate this fact to their principal or department head. The principal or department head will confer with the EOCO Administrator Manager to evaluate and determine an appropriate resolution in compliance with this policy. One or both employees may have to seek other employment, as the Board is under no obligation to reassign one or both employees. Romantic relationships between Board employees where there is no supervisory affiliation are not prohibited by this policy. Conflicts of interest involving a Board employee and their spouse, domestic partner or relative(s) are addressed in the Board's Ethics Policy.

D. **Conduct with Students:** Romantic or sexual conduct between school employees, contractors, consultants, vendors or volunteers and Chicago Public School students is strictly prohibited. For purposes of this policy, such conduct includes but is not limited to, physical contact of a sexual nature or use of sexually suggestive, offensive or inappropriate remarks. Any person with knowledge of an improper relationship between a student and a school employee, contractor, consultant, vendor or volunteer must immediately report the conduct to the Law Department. In such instances, employees shall also complete the mandatory reporting requirements identified for suspected child abuse/neglect by school personnel set out in the Board's Policy on Reporting Child Abuse and Neglect.

E. **Retaliation:** Retaliation against any person for having made a complaint or report of discrimination or sexual harassment, or participating or aiding in an investigation of discrimination or sexual harassment, is strictly prohibited. Any person who believes that he or she has been subjected to retaliation should report the retaliatory conduct to the EOCO Administrator Manager. Acts of retaliation shall subject an employee to discipline up to and including dismissal.

IV. REPORTING PROCEDURES

A. **Timely Reporting:** Complaints of discrimination, sexual harassment, retaliation or other violations of this policy shall be made within 90 calendar days of the discrimination, sexual harassment or retaliation complained of. The 90 calendar day reporting requirement shall be strictly applied, except when the EOCO Administrator Manager determines, in his/her discretion that extraordinary circumstances exist and authorizes a waiver of the 90 day reporting requirement.

Nothing in this policy prevents anyone from submitting a report of discrimination, sexual harassment, retaliation or non-compliance with this policy of which they have witnessed or have knowledge of.

B. Complaints by Students:

1. **General** - A student, or a parent/guardian on the student's behalf, may make a complaint of discrimination, sexual harassment or retaliation to the school principal, assistant principal or EOCO Administrator Manager. If the student alleges that an employee, contractor or vendor has discriminated against, retaliated against or sexually harassed him or her, the EOCO Administrator Manager, school principal or assistant principal shall refer the matter to Law Department for investigation. If a student, or a parent/guardian on behalf of a student complains to the school principal or assistant principal, that another student has discriminated against, retaliated against or sexually harassed him or her, the school principal or assistant principal shall investigate the matter and, if the complaint is substantiated, commence appropriate disciplinary action against the offending student in accordance with the Student Code of Conduct.

If a student, or their parent/guardian on the student's behalf, complains to the EOCO that another student has discriminated against, retaliated against or sexually harassed him or her, the EOCO shall investigate the matter. If the EOCO substantiates the complaint, the EOCO Administrator Manager will submit an investigation report to the Law Department for referral to the offending student's principal who will consult with the Law Department about appropriate disciplinary action.

If a student, parent or guardian making the complaint to the school principal or assistant principal feels the intervention or consequence rendered by the school principal or assistant principal is insufficient to address the discrimination, sexual harassment or retaliation, he or she may appeal the matter within 15 calendar days to the EOCO Administrator Manager. The EOCO Administrator Manager shall render a final determination in accordance with the timeline and procedures set out in the Guidelines to this policy. If the EOCO determines the intervention or consequence rendered at the school level is insufficient, the EOCO Administrator Manager will submit an investigation report to the Law Department.

The EOCO Administrator Manager shall also ensure that the affected students are afforded their rights provided for under Title IX of the Education Amendments of 1972.

2. Disability Discrimination Complaints By Students - Notwithstanding the procedures cited above, a student, or a parent/guardian on the student's behalf, making a complaint of disability discrimination by another student or by an employee, contractor or vendor, shall report their complaint in accordance with the Board's Combined Americans With Disabilities Act and 504 Policy (the "504 Policy") (See Section IV.C.1.). Under the 504 Policy, student complaints of disability discrimination should be submitted to: a) the principal or 504/ADA Coordinator of the student's assigned school or the school conducting the program or activity being complained about; or b) the central office department head of the applicable office conducting the program or activity being complained about; or c) the Office of Special Education and Supports Office of Dispute Resolution. Principals, 504/ADA Coordinators and department heads must send all written complaints of this nature to the Office of Dispute Resolution within 3 days of receiving the complaint.

No complaint based on disability status may be denied on the basis of being submitted to the incorrect District office. In such a case, the recipient must promptly refer the action to the Office of Dispute Resolution, and any submission deadlines will be extended to compensate for time lost due to the error in submission.

C. Complaints by Employees, Contractors, Consultants, Vendors and Volunteers: For employees, contractors, consultants, vendors and volunteers complaints of discrimination, sexual harassment or retaliation shall be made to any of the following persons:

1. The Principal of the school that the Complainant works in;
2. The department head of the Complainant's office, or if the Complainant is a consultant/vendor/contractor, the department head of the hiring department; or
3. The EOCO Administrator Manager or designee.

Any school principal or department head receiving an oral or written complaint alleging discrimination, sexual harassment or retaliation by an employee, contractor, consultant, vendor, volunteer shall handle the complaint in accordance with Sections IV. E. and F. below.

D. Complaints by Members of the Public: Any member of the public who is aware of a violation of this policy or believes that he or she has been subjected to discrimination, sexual harassment or retaliation by a Board employee, contractor, consultant, vendor or volunteer may submit a complaint to any of the following persons:

1. The Principal of the applicable school;
2. The department head of the applicable office; or
3. The EOCO Administrator Manager or designee.

Any school principal or department head receiving an oral or written complaint alleging discrimination, sexual harassment or retaliation by an employee, contractor, consultant, vendor, volunteer shall handle the complaint in accordance with Sections IV. E. and F. below.

E. Supervisor Handling, Confirmation and Reporting: Any school principal or department head receiving an oral or written complaint alleging discrimination, sexual harassment or retaliation by an employee, contractor, consultant, vendor, volunteer must refer it to the EOCO's Administrator Manager or designee for handling within three (3) business days following receipt or knowledge of the allegations. If the allegation from the Complainant is in writing, that document must be submitted to the EOCO. If the complaint is oral, the party receiving the complaint must summarize the allegation in writing and submit it to the EOCO. The principal or department head must submit the written allegation to the EOCO Administrator Manager in a manner that ensures the integrity and confidentiality of the contents. For example, if the principal or department head elects to send the allegations/summary findings via facsimile, email or U.S. Mail, they should mark the findings, "Confidential," and send the allegations/summary findings to the EOCO Administrator Manager and not to the parties involved, or any other third parties. Upon receipt of the written allegations from the principal or department head, the EOCO Administrator Manager or its designee will contact the Complainant to open a formal complaint.

F. School/Department's Involvement: No school-based or department-based investigation or discipline may be initiated or imposed regarding allegations of discrimination, sexual harassment or retaliation by an employee, contractor, consultant, vendor, volunteer until the EOCO Administrator Manager or the Law Department has investigated the matter and made a determination. If the EOCO Administrator Manager unsubstantiates a claim, nothing in this policy prevents:

1. the supervisor from disciplining an employee for an Act of Misconduct under the Employee Discipline and Due Process Policy other than for those Acts covering discrimination, harassment or retaliation; or

2. the principal from relinquishing a volunteer's authorization to serve; or
3. the Board from subjecting a contractor, consultant or vendor to remedies of law or remedies pursuant to their contract.

V. EOCO RESPONSES TO COMPLAINTS

A. **Information and Advice:** Covered individuals and members of the public may contact the EOCO to seek advice, information or counseling on matters related to discrimination, sexual harassment and retaliation, and options available under this policy.

B. Formal Complaint:

1. *Signed Complaint* - When an individual seeks resolution of a discrimination, sexual harassment or retaliation complaint, the EOCO will request a signed complaint from the Complainant. The EOCO will attempt to contact the Complainant within fifteen calendar days after receiving notice of the complaint to obtain the identity of witnesses and any other evidence the Complainant chooses to submit. The EOCO ~~Administrator~~ ~~Manager~~ will inform the Complainant that if the complaint is sustained and the Board seeks to discipline the Respondent, that the Complainant may be called to testify at subsequent disciplinary or other court proceedings.

2. *Exception* - The EOCO ~~Administrator~~ ~~Manager~~ may act on allegations of discrimination, sexual harassment, retaliation or other violations of this policy even if there is no signed complaint or a Complainant chooses not to pursue the matter.

3. *Investigation* - After receipt of a signed complaint, the EOCO ~~Administrator~~ ~~Manager~~ or designee will commence an investigation within fifteen calendar days after contacting the Complainant. At the conclusion of the investigation, the EOCO Manager will prepare and issue a summary report containing a synopsis of the evidence and findings. Both the Complainant and the Respondent will receive notification of the investigation outcome and determination.

4. *Disciplinary Determination* - In cases where the EOCO substantiates the allegations, the EOCO ~~Administrator~~ ~~Manager~~ will submit an investigation report to the Law Department for referral to the offending employee's supervisor who will consult with the Law Department about appropriate disciplinary action.

5. *Amended and Additional Complaints* - Nothing herein prevents a Complainant from amending a complaint to include new allegations, or from submitting multiple complaints on unrelated incidents.

5. Any Board employee to intentionally ignore sexually harassing conduct or unlawful discriminatory conduct by a Board employee, contractor, consultant, vendor or volunteer towards a student that occurs in their presence, by failing to report that conduct. AMEND BOARD REPORT 09-0325-EX5
AMEND BOARD REPORT 08-1022-EX13
AMEND BOARD REPORT 08-0602-EX5
APPROVE THE RENEWAL OF THE CHARTER SCHOOL AGREEMENT WITH
KIPP ASCEND CHARTER SCHOOL

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

Approve the renewal of the Charter School Agreement with KIPP Ascend Charter School for an additional five-year period. A new Charter School Agreement applicable to this renewal term will be negotiated. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education. Information pertinent to this renewal is stated below.

This October 2008 amendment is necessary to authorize KIPP Ascend Charter School to (a) increase the grade levels served, (b) increase the at capacity enrollment of the school and (c) clarify the relationship of any pre-kindergarten program to the charter school. The authority granted herein shall automatically rescind in the event a written amendment to the Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date the CEO files a report with the Secretary of the Board approving the charter school's proposal to increase the grade levels served at the charter school. The amended agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This March 2009 amendment is necessary to authorize KIPP Ascend Charter School to change the location of the school to 1616 S. Avers beginning with the start of the 2009-2010 school year. The CEO asks that the Board grant a waiver from the Charter School Capital and Facility Budget Policy, 08-0326-PO1 as the notice to use this location was only five days late due to the need to finalize details related to renovations costs and present accurate data. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed within 120 days of the date of this Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This April 2012 amendment is necessary to authorize KIPP Ascend Charter School to temporarily locate grades K through 2 to 1440 S. Christiana Avenue beginning in the fall of 2012. The CEO asks that the Board grant a waiver from the Charter School Capital and Facility Budget Policy, 08-0326-PO1. The authority granted herein shall automatically rescind in the event a written amendment to the Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this amended Board Report. The amended agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This April 2012 amendment is also necessary to authorize KIPP Ascend Charter School to (a) add grade 3 at 1440 S. Christiana Avenue and phase out kindergarten in the fall of 2013, (b) add grade 4 at 1440 S. Christiana Avenue in the fall of 2014, and (c) continue to phase out operations at 1440 S. Christiana Avenue, offering grades 1 through 3 beginning in the fall of 2013, grades 2 through 4 in the fall of 2014, grades 3 and 4 in the fall of 2015, and grade 4 in the fall of 2016. KIPP Ascend Charter School will have no grades at 1440 S. Christiana Avenue by the fall of 2017. These material modifications are also described in the chart below. The addition of the 3rd and 4th grades at 1440 S. Christiana Avenue and the phase out of operations at 1440 S. Christiana Avenue are contingent upon the renewal of the Charter School Agreement with KIPP Ascend Charter School upon the expiration of this renewal term ending June 30, 2013.

ORIGINAL AGREEMENT: The original Charter School Agreement (authorized by Board Report 03-0527-EX5) was for a term commencing July 1, 2003 and ending June 30, 2008 and authorized the operation of a charter school serving no more than 320 students in grades 5 – 8. The charter and Charter School Agreement were subsequently amended as follows:

- Board Report 05-0727-EX9: Approved the relocation of the school to 4320 W. Fifth Avenue
- Board Report 06-1025-EX2: Approved the correction of the address from 4320 W. Fifth Avenue to 715 South Kildare Avenue.

The agreement incorporates an accountability plan where the school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

CHARTER RENEWAL PROPOSAL: The KIPP Ascend Charter School (KIPP) submitted a renewal proposal on October 5, 2007, to continue the operation of the KIPPA Ascend Charter School under a unified mission. The Charter School shall serve grades 5 – 8 with a maximum student enrollment of 330 students.

On June 28, 2008, KIPP Ascend Charter School submitted a proposal to increase the grades served and the at capacity enrollment of the charter school. KIPP proposes to increase the grades served at the school by adding grades K through 4. The school will add one grade each year starting with grade K at the start of the 2010 – 2011 school year with KIPP Ascend Charter School eventually growing to serve grades K through 8 by 2015-1016 school year. The at capacity enrollment for KIPP Ascend Charter School will increase by 619 to a new at capacity enrollment of 949. Public hearings were held on September 3, 2008, October 6, 2008 and October 15, 2008. The October 15th hearing was recorded and a summary report of each hearing is available for review.

KIPP Ascend Charter School is authorized to operate a pre-kindergarten program in the same building as the charter school. The children enrolled in the pre-kindergarten will not be included in the enrollment of the charter school and the pre-kindergarten program will not be governed by the Charter School Agreement. To the extent the Board provides funding for the pre-kindergarten program, that program will be subject to a separate agreement with and separate funding authorized by the Office of Early Childhood Education. A material breach of any contract between the Board and KIPP Ascend Charter School for operation of a pre-kindergarten program or the charter school may be treated as a breach of the other contract.

In March 2009, the Board proposed the new location for KIPP Ascend Charter School. KIPP Ascend Charter School shall be located at 1616 S. Avers beginning with the 2009-2010 school year. A public hearing for the proposed location was held on March 17, 2009. The hearing was recorded and a summary report is available for review.

This site will require that KIPP Ascend Charter School share its facility with Penn Elementary School. The two schools will share their facility in accordance with the Board's Shared Facility Policy, 05-0126-PO1.

In March 2012, the Chicago Public Schools' Office of New Schools and Demographics and Planning worked to identify the facility at 1440 S. Christiana Avenue as an additional temporary location for KIPP Ascend Charter School students in grades K through 2 beginning in the fall of 2012. In the fall of 2013, the KIPP Ascend Charter School will add grade 3 at 1440 S. Christiana Avenue and phase out kindergarten. The KIPP Ascend Charter School will add grade 4 at 1440 C. Christiana Avenue in the fall of 2014. KIPP Ascend Charter School will continue to phase out operations at 1440 S. Christiana Avenue, offering grades 1 through 3 beginning in the fall of 2013, grades 2 through 4 in the fall of 2014, grades 3 and 4 in the fall of 2015, and grade 4 in the fall of 2016. By the fall of 2017, KIPP Ascend Charter School will have no grades at 1440 S. Christiana Avenue. The addition of the 3rd and 4th grades at 1440 S. Christiana Avenue and the phase out of operations at 1440 S. Christiana Avenue are contingent upon the renewal of the Charter School Agreement with KIPP Ascend Charter School upon the expiration of this renewal term ending June 30, 2013. A public hearing on these proposed changes was held on Monday, April 16, 2012. The hearing was recorded and a summary report is available for review.

CONTINGENT APPROVAL: Approval to authorize KIPP Ascend Charter School to (a) increase the grade levels served at the school and (b) increase the at capacity enrollment of the school is contingent upon the KIPP Ascend Charter School meeting benchmarks detailed by the Office of New Schools related to the development of an elementary school curriculum and the identification of a school principal. These benchmarks will be communicated to KIPP Ascend Charter School in a formal Letter of Conditions, and all benchmarks must be met by March 15, 2010. The Office of New Schools will oversee the enforcement of these deadlines. Failure of KIPP Ascend Charter School to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the proposal to add additional grade levels and increase at capacity enrollment. A final review of the proposal to increase the grade levels served at the school will be conducted by the Chief Executive Officer. The

Chief Executive Officer or his designee will file a report, approved by the General Counsel as to form and legality, indicating the CEO's final approval or denial of the proposal to increase the grade levels served at the charter school. The report will be filed with the Secretary of the Board on or before April 15, 2010. This final review will be conducted to determine compliance with the terms indicated above.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of KIPP's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visit of the school in which teaching and learning, leadership and governance, and the learning communities were assessed. A public hearing was conducted on May 12, 2008 to receive public comment on the application to renew the Charter School Agreement with KIPP Ascend Charter School for an additional five years. In addition, the Office of New Schools evaluated the school's student performance. From 2003-2004 to 2006-2007, KIPP Ascend received 11 out of 18 high ratings and 5 out of 18 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. Since 2003-2004, the charter schools attendance rate has exceeded 95%. From 2003-2004 to 2006-2007, the percentage of students meeting/exceeding state standards on the ISAT Composite increased by 32.7 percentage points (from 45.0% to 77.7%). The charter school also met Adequate Yearly Progress targets in 2005-2006 and 2006-2007. The committee recommends that, based on the school's performance on these and other accountability criteria, KIPP be authorized to continue operating as a charter school.

RENEWAL TERM: The term of KIPP Ascend Charter School's charter status is being extended for a five (5) year term commencing July 1, 2008 and ending June 30, 2013. The KIPP Ascend Charter School will be permitted to operate at its current location of 715 South Kildare Avenue for the 2008 – 2009 school year only. The Board will identify and approve a new location for the school for the 2009 – 2010 school year and beyond.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement and amendment. Authorize the Executive Officer/Director of the Office of New Schools and Programs to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2008-12-2009-13 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY09-12 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. ~~The cost of this enrollment will be approximately \$1,082,070.00 in 2008-2009.~~

GENERAL CONDITIONS:

Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

DESCRIPTION: The Charter Schools Law (105 ILCS 5/27A-1 et seq., as amended) provides that up to ~~30~~ 70 charter schools may be operated in the city of Chicago. Proposals to operate charter schools are submitted to the Board for evaluation pursuant to the standards set forth in 105 ILCS 5/27A-8, and the Board convenes a public meeting to obtain information to assist in its decision to grant or deny each proposal and report its action to the Illinois State Board of Education. The State Board determines whether the approved charter school proposal and the proposed contract satisfy the provisions of the Charter Schools Law and, if so, certifies the charter school.

CHARTER APPLICATION PROPOSAL: The Henry Ford Power House Charter High School (Power House High) proposal was submitted by Henry Ford Academies of Illinois, NFP and received by the Board on September 5, 2006. Power House High will be an exemplary school that prepares all students for college and career success. The school's mission is to be a small school that sets high expectations for students not only academically but also professionally through hands-on learning programs that leverage a wide range of local resources to create thriving communities where education is everyone's responsibility. Through partnerships with local businesses and organizations, students will be interacting daily with adults and developing personal management capacity and maturity. The school is slated to open in the fall of 2008 serving 120 students in grade 9. In successive years, the school will add grades 10 - 12 and will serve up to 460 students in grades 9 - 12. The school will be located at 931 South Homan. Public hearings on Renaissance 2010 charter school submissions submitted in 2006, as required by statute, were held on July 21, 2006 and October 18, 2006. An additional public hearing was held on November 6, 2006. The cost of 120 students in 2008-09 will be approximately \$1,080,000. These budget figures are based on the revised per pupil funding amounts released on October 12, 2006.

In January 2008, the Henry Ford Academies of Illinois submitted a material modification to change the name of the Henry Ford Power House Charter High School to Henry Ford Academy: Power House Charter High School and b) to change the address of the school from 931 South Homan to 3415 W Arthington.

In June 2009, the Henry Ford Academies of Illinois submitted a material modification to identify a new facility for the school at 931 S. Homan. A public hearing was held on July 8, 2009. The hearing was recorded and a summary report is available for review.

In March 2012, the Henry Ford Academies of Illinois submitted a material modification to phase out operations of the Henry Ford Academy: Power House Charter High School. Beginning in the fall of 2012, the school will not accept any new students. Students attending the school during the 2011-2012 school year will be allowed to continue attending through the 12th grade, with school operations being discontinued completely by June 30, 2015. To further facilitate this phase out, the current term of the charter school agreement is being extended from its current end date of June 30, 2013 to June 30, 2015, thus, a renewal of the charter and charter school agreement will not be considered. A public hearing on the phase out of Henry Ford Academy: Power House Charter High School was held on Monday, April 16, 2012. This hearing was recorded and a summary report is available for review.

CONTINGENT APPROVAL: The granting of a charter by the Board and the entering into a charter school agreement is contingent upon the ability of the team of the Henry Ford Power House Charter High School to meet benchmarks detailed by the Office of New Schools. These benchmarks were communicated to the school team on October 31, 2006, with deadlines to meet on February 15, 2007, March 30, 2007, and finally May 15, 2007. The Office of New Schools will oversee the enforcement of these deadlines. Failure to meet these deadlines may result in the rescission of the authority granted herein and denial of the charter application. A final review of this charter application is to be conducted by the Chief Executive Officer on or before May 15, 2007. This final review will be conducted to determine compliance with the terms indicated above.

TERM: Upon final review of this Charter proposal and approval from the Chief Executive Officer, the term of the Henry Ford Power House Charter High School charter and agreement shall commence July 1 2008 and end June 30, 2013.

AUTHORIZATION: Authorize the Chief Executive Officer to conduct a final review of this charter proposal and make a final determination on the granting of this charter based on the terms referred to above. Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to, site location, enrollment, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the Charter School Agreement and amendment. Authorize the Executive Director of the Office of New Schools and Programs to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification. ~~Authorize the General Counsel to further negotiate and execute any amendments to the Agreement as required by the Illinois State Board of Education~~

LSC REVIEW: Approval of Local School Council is not applicable to this report.

AFFIRMATIVE ACTION: Not applicable.

FINANCIAL: The financial implications will be addressed during the development of the ~~200812-200913~~ fiscal year budget. The program shall be designed to prepare students for graduation from high school and provide a post-secondary path. Chicago Excel Academy will issue diplomas to students who successfully complete the program in accordance with state and CPS requirements.

Advisory Body: A school advisory body will be established in a timely manner pursuant to 105 ILCS 5/34-2.4b and the Board's Renaissance School Policy in the following manner: the CEO or his designee in consultation with Camelot Schools shall develop the composition and duties of the advisory body for approval by the Board. Such requirements shall be included in the agreement with Camelot Schools. The members of the advisory body will be appointed by the Board upon the recommendation of the CEO or his designee.

School Management Description: At a minimum, the School Management and Performance Agreement will address student academic outcomes and financial and management practices of the school and shall reflect resolution of any and all outstanding issues between the Board and the school operator including, but not limited to, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. In accordance with the Board's Renaissance Policy, contract schools may request exemptions from Board Rules and Policies or alternative policies subject to and upon Board approval.

CONTINGENT APPROVAL: The granting of an agreement by the Board and the entering into a School Management and Performance Agreement are contingent upon any required subsequent public hearings and the approval of a school site. A final review of the contract school application will be conducted by the Chief Executive Officer on or before May 21, 2012. This final review will be conducted to determine compliance with the terms indicated above. The CEO's recommendation to approve the contract school application will be subject to Board approval as indicated by a subsequent amendment to this Board Report.

The site for the Chicago Excel Academy must be located in a high need community.

TERM: The term of the School Management and Performance Agreement shall commence July 1, 2012 and end June 30, 2017. Camelot Schools and Chicago Excel Academy's designation as a Renaissance Contract School will expire on June 30, 2017 unless renewed or terminated earlier by the Board

Authorize the President and Secretary to execute the written School Management and Performance Agreement.

LSC REVIEW: Approval of Local School Council is not applicable to this report.

AFFIRMATIVE ACTION: Not applicable.

FINANCIAL: The financial implications will be addressed during the development of the 2012-2013 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY12 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

PERSONNEL IMPLICATIONS: As a contract school, Camelot Schools will employ its own principal, teachers and staff.

GENERAL CONDITIONS:

Inspector General – Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

APPROVE THE ESTABLISHMENT OF A NEW EARLY COLLEGE SCIENCE, TECHNOLOGY, ENGINEERING AND MATH (STEM) HIGH SCHOOL TO BE KNOWN AS SOUTHWEST AREA ECSS

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board approve the establishment of a new Early College Science, Technology, Engineering and Math (STEM) High School to be known as Southwest Area ECSS. Southwest Area ECSS will be located at 7651 S. Homan Avenue.

A formal school name shall be assigned by the Board in accordance with the procedures identified for the naming of new schools in the Board's Policy on Naming and Re-Naming Schools (Board Report 03-0326-PO4).

Information sessions on this proposed high school were held on the following dates and places: March 14, 2012 at Lindblom High School, 6130 S. Wolcott Avenue, March 21, 2012 at Dawes Elementary School, 3810 W. 81st Place, March 21, 2012 at Hampton Elementary School, 3434 W. 77th Street, March 22, 2012 at Daley College, 7500 S. Pulaski Road, March 27, 2012 at Daley College, 7500 S. Pulaski Road, March 28, 2012 at Daley College, 7500 S. Pulaski Road, March 29, 2012 at Tarkington School, 3330 W. 71st Street, April 10, 2012 at Wrightwood Charter, 8130 S. California Avenue, and April 11, 2012 at Carroll/Rosenwald Specialty Elementary School, 2929 W. 83rd Street.

Description: Effective September 1, 2012, Southwest Area ECSS will open as an Early College STEM High School with an emphasis on Information Technology (IT) career development. The school will serve approximately 960 students with grades 9-12. The school will serve approximately 200 students in grade 9 in September 2012 and a grade will be added each year thereafter until the school serves grades 9-12

Enrollment: The Chief Executive Officer or his designee is directed to hold a special application process in spring 2012 for ninth grade seats at the school and to create two school overlay attendance areas for Southwest Area ECSS. The first of these overlays will be a neighborhood overlay, as defined by the Chief Executive Officer or his designee. The second will be a network overlay, defined as the Southwest Side High School Network.

For the spring 2012 application process, the Chief Executive Officer or his designee will hold an initial lottery for applicants who attended an information session and live within the neighborhood preference overlay. If all seats are not filled through this lottery, a second lottery will be held for applicants who attended an information session and live within the Southwest Side High School Network. If all seats are not filled through this second lottery, a third lottery will be held for applicants who attended an information session and live within the rest of the city. Finally, if all seats are not filled through these three lotteries, preferences for enrollment will be given to applicants who did not attend an information session and live within the neighborhood overlay, then to those that did not attend an information session and live within the Southwest Side High School Network, and then to those that did not attend an information session and live within the rest of the city.

Beginning with the 2013-2014 application year, the Southwest Area ECSS shall enroll students based on the guidelines set forth in the Office of Access and Enrollment's Options for Knowledge Guide.

Attendance Boundaries: Overlay attendance preference areas will be established for this school.

Curriculum: All students enrolled at Southwest Area ECSS will enroll in core academic coursework preparing them for postsecondary success. In addition, Career Technical Education (CTE) will work with postsecondary and corporate partners to integrate STEM and IT programming throughout coursework, with dual enrollment and college courses offered to all students.

Governance: Initially, Southwest Area ECSS will establish a transitional advisory body. A Local School Council with voting boundaries will be established in a timely manner pursuant to 105 ILCS 5/34-2.1c.

Personnel Implications: Southwest Area ECSS will be staffed in accordance with Board staffing formulas for all positions. Unique teacher training, professional development, skills, abilities, proficiencies, experience and qualifications may apply to some teacher positions and may be required for educational support personnel.

Financial: The financial implications will be addressed during the development of the 2012-2013 fiscal year budget.

President Vitale indicated that if there were no objections, Board Reports 12-0425-EX6 through 12-0425-EX8 would be adopted by the last favorable roll call vote, all members present voting therefore.

President Vitale thereupon declared Board Reports 12-0425-EX6 through 12-0425-EX8 adopted.

The Board will produce two college and career readiness toolkits for ROI Labs, LLC (an Employability Assessment Toolkit and the Youth Human Capital Toolkit) for a fee of \$439,215. The W.K. Kellogg Foundation will own the intellectual property rights to all materials developed and will grant the Board a limited license to use the materials at no cost

TERM: The term of the independent contractor agreement with ROI Labs, LLC shall commence on the date of execution of the agreement ("Effective Date") and shall end twelve (12) months after the Effective Date.

The term of the license agreement with the W.K. Kellogg Foundation shall be executed simultaneously with the ROI Agreement and shall grant the Board a no-fee limited license to use the toolkits for a term commencing on the date of execution of the license agreement ("Effective Date") and ending on December 31, 2016.

This assessment was originally built pro-bono for Chicago Public Schools by the Chicago Workforce Investment Council in 2010. Board has authorization from the Chicago Workforce Investment Council to develop a toolkit incorporating the Assessment
- Develop Youth Human Capital Toolkit: The Youth Human Capital Toolkit will translate college and career readiness skills into an employer engagement and marketing tool to increase skill-based hiring of youth.

DELIVERABLES TO BE PROVIDED BY BOARD: The Board will develop and produce toolkits that will include the following:

 - Literature review on social-cognitive skills development
 - Assessment adoption tools and processes aligned to 5 youth development areas
 - Comprehensive directions on scoring the assessment and using assessment data
 - Skills building curricular resources for classroom/program use

Approve entering into an Intergovernmental Agreement (IGA) with the City of Chicago (City) and the Public Building Commission of Chicago (PBC) regarding the conveyance of land adjoining the Inter-American School located at 851 W. Waveland Avenue and the use for a new garage space for the Inter-American School. A written IGA regarding this matter is currently being negotiated. The authority granted herein shall automatically rescind in the event an IGA is not executed within 120 days of the date of this Board Report. Information pertinent to this IGA is stated below.

This April 2012 amendment is necessary because the PBC will be conveying title to the Board Garage to the City of Chicago in Trust for Use of Schools. The Board (City in Trust for Use of Schools) will receive title to the Board Garage instead of a permanent easement. The City will maintain and repair the Board Garage pursuant to a maintenance agreement with the Board. A written amendment to the IGA is required.

CITY'S REIMBURSEMENT OF THE BOARD'S COST TO CONSTRUCT NEW JONES HIGH SCHOOL.

On July 27, 2011, the Board adopted Resolution 10-0727-RS2 requesting the Public Building Commission of Chicago ("PBC") to design and construct a new Jones High School. The current projected construction cost for the New Jones High School is \$119,941,656. The City of Chicago ("City") has agreed to reimburse the Board for the construction of the new Jones High School from the Near South TIF for an amount not to exceed \$114,641,656 before December 31, 2014 ("Funding for Jones").

PROPERTY TRANSFERS PURSUANT TO LOCAL GOVERNMENT PROPERTY TRANSFER ACT.

BYRD SCHOOL 99 YEAR LEASE: On March 24, 2010 the Board approved Board Report 10-0324-OP6 authorizing a 99 year lease of the Byrd School Property located at 363 W. Hill Street to the City in consideration of the City's agreement to provide TIF Funding for the construction of the new Jones High School. The Board Report further provided that in the event the City did not provide TIF funding for the construction of the new Jones High School by December 31, 2014, the Board would have the option of receiving the appraised value of Byrd School or \$5,300,000 plus interest from the date of the Lease. The 99 year Lease has been executed and possession of the Byrd School was transferred to the City on October 20, 2010.

As additional consideration for Funding for Jones, the City proposes the following property transfers and lease under the Local Government Property Transfer Act. The transfers are subject to prior passage of ordinances declaring that it is necessary and/or convenient to acquire the property(ies) for a public use. The conveyances shall close simultaneously, unless the City and the Board agree to non-simultaneous closings and Jones High School shall have the right to use Near North for athletic programs, events and competition until the new Jones High School is completed or September 30, 2013 whichever is earlier. If required, the Board may continue to use Near North thereafter, unless the City is required to vacate or demolish Near North pursuant to the Cabrini-Green Consent Decree. After title to Near North is conveyed to the City, the Board shall only be obligated to maintain those portions of Near North that it uses.

READ DUNNING - 99 YEAR LEASE PLUS OPTION TO PURCHASE FOR \$1: The City proposes to lease to the Board approximately 19 acres of land at the northeast corner of Oak Park Avenue and Irving Park Avenue in the Read Dunning Redevelopment Area for 99 years with an option to purchase the property for \$1. The Read Dunning Property is legally described on Exhibit A attached hereto. The Read

Dunning Lease requires the Board to use the property for public purposes on before September 11, 2017 as required under Public Act 095-0604 or title to the Read Dunning property may revert to the State of Illinois. The Board will use the Read Dunning property for public educational and related uses and declares that it is necessary and convenient to lease the Read Dunning Property from the City for 99 years, including an option to purchase the property for \$1. The lease for the Read Dunning Property cannot be executed without the approval of the Chief Administrative Officer.

NEAR NORTH HIGH SCHOOL PROPERTY TO BE CONVEYED BY THE PBC TO THE CITY ON BEHALF OF THE BOARD: The City has asked the Board to direct the PBC to convey former Near North Career Metropolitan High School at 1450 N. Larrabee ("Near North") to the City. The PBC holds title to the Near North property in trust for the Board and the Board uses the property pursuant to a lease with the PBC. The City represents that it will use the Near North property for the construction of replacement public housing and other public amenities as required in the Cabrini-Green Consent Decree entered in Case No. 96 C 06949, United States District Court, Northern District of Illinois, Eastern Division.

Near North is approximately 9.77 acres and improved with a two story high school including athletic facilities. Near North is legally described on Exhibit B. Jones High School ("Jones") currently uses Near North for athletic programs, events and competitions because the existing Jones High School does not have athletic facilities. Jones will have the right to continue using Near North for athletic programs, events and competitions until the new Jones High School is completed or September 30, 2013 whichever is earlier. Thereafter, the City will allow the Board to use Near North unless the City is required to vacate or demolish Near North pursuant to the Cabrini-Green Consent Decree. After the new Jones High School is completed, the Board will not need Near North for school purposes. The appraised value for the Near North property is \$16,400,000 to \$20,640,000 "as is."

WASHBURNE PROPERTY TO BE CONVEYED BY THE BOARD TO THE CITY: The City has asked the Board to convey the former Washburne Trade School Property at the southwest corner of 31st Street and Kedzie ("Washburne") for public use. Washburne is a vacant 10.8 acre site, legally described on Exhibit C. The Board has no present or anticipated use for Washburne. The appraised value for the Washburne property is \$4,700,000.

SCHOOL USE: The Board declares that it is necessary and/or convenient for it to lease for 99 years with an option to purchase for \$1 the Read Dunning property described on Exhibit A for public educational and related uses. The Board declares it has no present or anticipated school use for the former Washburne property described on Exhibit C and no future school use for the Near North property described on Exhibit B after the new Jones High School is completed.

AUTHORIZATION: Authorize the Law Department and the Chief Administrative Officer ("CAO") to negotiate with the City on behalf of the Board, the terms of the Intergovernmental Agreement ("IGA"), including indemnification, to secure a maximum of \$114,641,656 in TIF Funds before December 31, 2014 as reimbursement for the costs to construct the new Jones High School. The Board hereby authorizes the CAO to execute such agreements and all documents in furtherance of the IGA, including a lease or other agreement with the City to enable Jones to use for Near North after the property is conveyed to the City. Authorize the General Counsel and the Chief Financial Officer to perform all actions necessary to secure and obtain maximum funding and reimbursement from the City for the construction of the new Jones High School. Authorize the Board's President and Secretary and the Mayor of the City of Chicago to execute all conveyance documents required to convey the Washburne property described on Exhibit C to the City and to accept a lease plus option to purchase for \$1 the Read Dunning Property described on Exhibit A from the City. Authorize the PBC to convey the Board's interest in the Near North property described in Exhibit B to the City and to remove the Near North property from the lease between the Board and the PBC, subject to the Board's use of Near North's athletic facilities until the completion of the new Jones High School or September 30, 2013 whichever occurs first. Authorize the CAO to execute all ancillary documents required to administer or effectuate the property exchanges, use agreements and leases, the IGA, and to receive maximum reimbursement from the City for the Board's costs to construct the new Jones High School.

AFFIRMATIVE ACTION: Exempt.

TERM:

The term of this agreement shall commence on the date the agreement is signed and shall end June 30, 2013. This agreement shall have one option to renew for a period of one year.

EARLY TERMINATION RIGHT:

The Board shall have the right to terminate this agreement with 30 days written notice.

SCOPE OF SERVICES:

BACKGROUND: This project stems from a meeting in 2009 between Jonathan Guryan, Jens Ludwig, and Roseanna Ander a research team affiliated with the National Opinion Research Center (NORC) at the University of Chicago and then-CPS CEO Ron Huberman, who identified truancy as a top priority for his administration. The research team volunteered to assist CPS in identifying what existing research

suggests would be "best practices" for improving student school engagement, then raising federal and private research funds to carry out a large-scale test of those best practices in the CPS context, to provide the most rigorous possible scientific evaluation of these best practices. The "best practice" identified was the Check & Connect ("C&C") structured mentoring program. The research team was successful in raising \$6.2 million between two federal grants to implement and test this best practices truancy intervention and learn about how to reduce chronic absence and truancy among at-risk CPS students.

The institutional home of the two grants is NORC up to May 1, 2012 and effective as of that date will be transferred to Northwestern University. The two grants, awarded to support the first large-scale randomized controlled trial of C&C (in other words, both the implementation and evaluation of the program), are:

- an award of \$3.18 million over four years (from June 2010 through June 2014) from the U.S. Department of Education's Institute of Education Sciences ("IES") (Grant R305A100706, PI Jonathan Guryan);

- and an award of \$3.02 million over five years (from December 2010 through November 2015) from the U.S. Department of Health and Human Service's Eunice Kennedy Shriver National Institute of Child Health & Human Development ("NICHD") (Grant 1R01HD067500-01, PI: Jonathan Guryan).

It is the understanding of the two granting agencies that during school years 2011-12 and 2012-13, NORC in partnership with CPS will carry out a large-scale randomized controlled trial study of the effects of Check & Connect on elementary school students and on older youth (9th graders). NORC is entering sub award agreements with CPS under the two grants to pay CPS for vendor oversight, project support, and vendor costs.

SERVICES: SGA Youth and Family Services will deliver the Check & Connect program to the identified CPS elementary and high school students, after the appropriate consent forms are signed and submitted. Check & Connect Monitors to be supplied by SGA Youth and Family Services, will implement the Check & Connect model in accordance with the C&C manual and any additional modifications made by CPS in partnership with NORC. Services by monitors will include but not be limited to: the periodic monitoring of student engagement and progress in school, developing relationships with students and their families, offering problem-solving assistance, and making referrals to help improve students' schooling outcomes.

SGA Youth and Family Services also will be responsible for recruiting, hiring, and supervising Check & Connect Monitors to provide the Check & Connect intervention to students selected by the NORC research team, in collaboration with the CPS Attendance and Truancy Department. Students selected will be offered the chance to participate in the program over the course of two (2) academic years (AY 2011-2012 through AY2012-2013). SGA Youth and Family Services will provide regular updates and progress reports to the Attendance and Truancy Department and research team about Check & Connect implementation and delivery and will also ensure that members of the research team and/or the CPS Attendance and Truancy Department are able to meet with Check & Connect monitors as requested, and, on occasion, observe the work of the Check & Connect Monitors.

A cross functional team of key CPS, NORC, and SGA Youth and Family Services staff, and any other external stakeholders as determined needed, will be established to give program guidance to ensure successful implementation of this first large-scale randomized controlled trial of Check & Connect.

DELIVERABLES:

Vendor shall be responsible for providing the deliverables identified in the agreement to include, but not be limited to, the following:

The vendor will ensure that its Check & Connect monitors attend training(s) on Check & Connect and other topics, as directed by the Department of Attendance and Truancy and the research team.

The vendor will ensure that its Check & Connect monitors obtain the necessary parent consents and child assents for participating students in the form approved by the Board's Research Review Board.

The vendor will ensure that its Check & Connect monitors provide Check & Connect services to selected students in accordance with the model outlined in the Check & Connect Manual and any modifications requested by the Department of Attendance and Truancy and the research team.

The vendor will ensure that the Check & Connect student monitoring forms and/or the data contained within the forms are thoroughly completed and manually submitted or electronically uploaded, as required, for review by the Department of Attendance and Truancy and the research team within the established time frame and frequency.

The vendor will provide weekly project summary status reports detailing, at a minimum, the number of assigned students that have been located, the number of assigned students with properly signed consent forms, the number of students receiving services from each Check & Connect monitor, and the level of services (basic or intensive) each student is receiving. More extensive updates on Check & Connect implementation and delivery will be required at least every other week and possibly more frequently, if so directed by the Department of Attendance and Truancy and the research team.

The vendor will participate in Check & Connect project meetings, including Check & Connect project planning, implementation, and status meetings (to occur at least monthly) and meetings with the research team, the Department of Attendance and Truancy, administration of the selected schools and their Area offices, as directed.

OUTCOMES:

Check & Connect is one of the few interventions judged by the U.S Department of Education's What Works Clearinghouse to be "promising" for improving students' school engagement. The goals of the Check & Connect intervention are to decrease truancy, decrease dropout rates, increase accrual of credits, increase school completion, and impact literacy and social skills. Therefore, as a result of receiving SGA Youth and Family Services Check & Connect monitoring services, the expectation is that participating students will show improvement in these areas.

COMPENSATION:

SGA Youth and Family Services shall be paid upon invoicing after services have been satisfactorily performed in accordance with the agreement. The total compensation to the vendor shall not exceed the sum of \$1,592,177.00 during the initial term.
