WHEREAS, it is necessary for the Board to authorize the sale and issuance of the Bonds and to approve and to authorize and direct the sale of the Bonds pursuant to one or more of the methods described above, together with the execution of the Indenture, the Purchase and Sale Agreement and certain other agreements and the performance of acts necessary or convenient in connection with the implementation of this Resolution and the issuance of the Bonds:

NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

1. *Incorporation of Preambles.* The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.
2. *Issuance of Bonds.* (a) There shall be authorized the borrowing on the credit of and for and on behalf of the Board the aggregate principal amount of not to exceed \$600,000,000 for the purposes of (i) paying the costs of the Refunding, (ii) funding capitalized interest on the Bonds and (iii) paying the costs of issuance of the Bonds, including the cost of bond insurance or other credit enhancement and the Bonds may be issued from time to time, in one or more Series, in said aggregate principal amount, or such lesser aggregate principal amounts, as may be determined by either the

President of the Board or the Chief Financial Officer (each, a “**Designated Official**”). The Bonds of each Series shall be designated “*Unlimited Tax General Obligation Refunding Bonds (Dedicated Revenues), Series 2013,*” with such additions, modifications or revisions as shall be determined to be necessary by either of the Designated Officials at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds or Variable Rate Bonds (each as defined herein) and any other authorized features of such Bonds determined by either of the Designated Officials as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Designated Officials are each hereby authorized to appoint a Trustee for each Series of the Bonds so issued; provided, that such Trustee shall be a bank, trust company or national banking association doing business and having a corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly owned subsidiary of such an entity. The Bonds of each Series shall be issued and secured pursuant to the terms of an Indenture (i) authorizing Capital Appreciation Bonds, Current Interest Bonds, Convertible Bonds (a “**Fixed Rate Indenture**”) or (ii) authorizing Variable Rate Bonds (a “**Variable Rate Indenture**”). Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest, each Fixed Rate Indenture or Variable Rate Indenture on behalf of the Board, each such Indenture to be in substantially the respective form executed and delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the respective forms of Fixed Rate Indenture and Variable Rate Indenture authorized hereby.

The details of the sale of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to **Section 4(e)** hereof and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in each Indenture executed and delivered by a Designated Official as described herein.

Either of the Designated Officials is hereby authorized to select the particular Outstanding Bonds to be refunded, to select the particular Outstanding Bonds to be redeemed, and to determine the redemption date of each Outstanding Bond to be redeemed.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each Series of the Bonds, the Board hereby pledges the Pledged Revenues to the payment thereof, and the Board covenants and agrees to provide for, collect and apply such Pledged Revenues, together with investment earnings thereon and moneys held in the funds and accounts pursuant to each Indenture, to the payment of the Bonds and the provision of an additional .10 times annual debt service in the case of Bonds to be paid from a governmental revenue source or an additional .25 times annual debt service in the case of Bonds to be paid from

Pledged Revenues that do not constitute a governmental revenue source. The determination of the sufficiency of the Pledged Revenues and estimated investment earnings pursuant to this paragraph (b) is supported by the Audit or the Feasibility Report, as applicable, and acceptance of the Audit by the Board and of the Feasibility Report by the Chief Financial Officer, on behalf of the Board, constitutes conclusive evidence that the conditions of Section 15 of the Debt Reform Act have been met. Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Revenues to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of each Series of the Bonds and the Indenture pursuant to which such Series of Bonds is issued and the notification of sale of such Series of the Bonds delivered by the Designated Officials pursuant to **Section 4(e)** hereof shall identify the specific Pledged Revenues allocated to such Series. Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the Pledged Revenues and investment earnings as described herein, from the levy of the Pledged Taxes as provided in the Debt Reform Act and as set forth below.

(c) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the **"Capital Appreciation Bonds"**). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the **"Maturity Amount"**) of \$5,000 or any integral multiple thereof. As used herein, the **"Compound Accreted Value"** of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond.

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the **"Current Interest Bonds"**). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form, shall be in denominations of \$5,000 each and any integral multiple thereof, and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the **"Convertible Bonds"**) at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted

Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Fixed Rate Indenture executed and delivered by a Designated Official at the time of sale of such Convertible Bonds.

All or any portion of the Bonds may be issued as bonds bearing interest at variable rates adjustable and payable from time to time, including, but not limited to, bonds bearing interest at variable rates that are adjusted and reset from time to time as may be necessary to cause such Bonds to be remarketable from time to time (the "**Variable Rate Bonds**"). The Variable Rate Bonds shall be dated such date as shall be agreed upon by a Designated Official and shall be numbered as determined by the applicable Trustee. All references herein to the payment of principal of any Variable Rate Bonds shall also include the payment of tender or purchase price of such Bonds as shall be specified in the Variable Rate Indenture executed and delivered by a Designated Official pursuant to which such Variable Rate Bonds are issued.

The Bonds shall be dated as of a date not earlier than April 1, 2013, as determined by a Designated Official at the time of sale thereof. The principal of the Bonds shall become due and payable on any date not later than December 1, 2036, and, if issued as Current Interest Bonds, Capital Appreciation Bonds or Convertible Bonds, such Bonds shall bear interest at a rate or rates not to exceed 9 percent per annum (computed upon the basis of a 360-day year of twelve 30-day months) and payable on such dates as shall be determined by a Designated Official at the time of sale thereof, all as shall be determined by a Designated Official at the time of sale of such Bonds.

The Variable Rate Bonds shall bear interest from time to time at such rates determined (i) by such remarketing or other indexing agent as shall be selected by a Designated Official for that purpose or (ii) pursuant to such index or indices as shall be selected by a Designated Official for that purpose, which interest rate or rates shall not exceed the maximum permitted by law for obligations of the Board, but in no event more than 15 percent per annum, subject to the provisions of **Section 4(d)** hereof. The method of determining the interest rate to be borne from time to time by the Variable Rate Bonds of any Series shall be specified in the applicable Variable Rate Indenture. Each Variable Rate Bond shall bear interest at such rates payable on such dates as shall be determined by a Designated Official at the time of sale of such Bonds and specified in the applicable Variable Rate Indenture.

(d) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed, plus accrued interest to the date of redemption), as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; provided, that such Bonds shall mature not later than the date set forth in **Section 2(c)** hereof.

Any Variable Rate Bonds may be made subject to optional or mandatory tender for purchase by the owners thereof at such times and at such prices (to be expressed as a percentage of the principal amount of such Bonds being tendered for purchase) as shall be determined by a Designated Official at the time of sale of such Variable Rate Bonds and specified in the applicable Variable Rate Indenture. In connection with the remarketing of any Variable Rate Bonds so tendered for purchase under the terms

and conditions specified in the applicable Variable Rate Indenture, each of the Designated Officials is hereby authorized to execute on behalf of the Board one or more remarketing agreements with such national banking associations, banks, trust companies, investment bankers or other financial institutions as shall be selected by a Designated Official reflecting the terms and provisions of the Variable Rate Bonds and containing such provisions as the Designated Official executing the same shall determine are necessary or desirable in connection with the sale of some or all of the Bonds as Variable Rate Bonds.

(e) The Bonds of each Series may initially be issued in book-entry only form as provided in the applicable Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President of the Board and attested by the Secretary of the Board by the manual or duly authorized facsimile signature of the Secretary and prepared in the respective forms as provided in the applicable Indenture.

(f) For any Outstanding Bonds refunded pursuant to and in accordance with Section 15(e) of the Debt Reform Act, the determination that the term of such refunding bonds is not longer than the term of the Outstanding Bonds so refunded and that the debt service payable in any year on the refunding bonds does not exceed the debt service payable in such year on the Outstanding Bonds so refunded shall be made by either of the Designated Officials, who shall also execute a certification attesting to said determination. In the event that a refunding of any or all Outstanding Bonds is undertaken by this paragraph (f), either Designated Official is hereby authorized to pledge as payment for said refunding bonds any revenue sources identified in the 2012 Authorization, provided that any such pledge shall be consistent with existing bond covenants and restrictions and Board policies.

3. *Tax Levy; Pledged Taxes.* (a) For the purpose of providing funds in addition to the Pledged Revenues to pay the principal of and interest on the Bonds, there is hereby levied upon all of the taxable property within the School District, in the years for which any of the Bonds are outstanding, a direct annual tax for each of the years while the Bonds or any of them are outstanding, in amounts sufficient for that purpose, and there be and there hereby is levied upon all of the taxable property in the School District the following direct annual taxes:

(c) At the time and in the manner set forth in each Indenture, the Board shall direct the abatement of the Pledged Taxes in whole or in part.

(d) The notification of sale of any Series of the Bonds delivered by the Designated Officials pursuant to **Section 4(e)** hereof may provide for the allocation of all or a portion of the Pledged Taxes levied for any year pursuant to this Resolution to the payment of the principal and redemption price of and interest on such Series of the Bonds.

4. *Sale of the Bonds, Purchase and Sale Agreements.* (a) Each Series of the Bonds shall be sold and delivered to the Purchasers, subject to the terms and conditions of the applicable Purchase and Sale Agreement; provided, (i) that the aggregate purchase price of any Current Interest Bonds or Variable Rate Bonds shall be not less than 97 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof, (ii) that the aggregate purchase price of any Capital Appreciation Bonds or Convertible Bonds shall not be less than 97 percent of the aggregate original principal amount thereof and (iii) that the compensation paid to the Purchasers in connection with the sale of any Variable Rate Bonds shall not exceed 3 percent of the principal amount thereof. The Chief Financial Officer is hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement shall be in substantially the form used in previous financings of the Board and (ii) in the case of a Placement Agreement or a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the Chief Financial Officer, such approval to be evidenced by such

Chief Financial Officer's execution thereof, and the Chief Financial Officer is also authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Chief Financial Officer shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Indenture, any escrow or similar agreement executed and delivered pursuant to **Section 5** hereof, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-PO2, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "**Bond Insurer**") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the "**Debt Reserve Credit Facility Provider**") if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a "**Credit Facility**"), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "**Credit Provider**") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "**Credit Agreement**") providing for the issuance of the Credit Facility and the obligation

of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a **"Bank Bond"**) and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the **"Credit Provider Rate"**), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the **"Maximum Credit Provider Rate"**). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; provided, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

Any Credit Facility obtained as provided herein shall cause the Bonds secured thereby to bear an investment grade rating from at least two nationally recognized rating services.

(e) Subsequent to the sale of the Bonds of any Series, either or both of the Designated Officials shall file in the Office of the Secretary of the Board a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds sold, (ii) a description of the specific Pledged Revenues pledged to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of the Bonds of such Series, (iii) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds, Convertible Bonds and Variable Rate Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds and Convertible Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Convertible Bonds being sold, and (B) a table of Compound Accreted Value per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Convertible Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond and Convertible Bonds on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold or, in the case of Variable Rate Bonds, a description of the method of determining the interest rate applicable from time to time to such Variable Rate Bonds, (vi) debt service schedules for the Bonds, together with determinable investment earnings from the investment of moneys held in the funds and accounts pursuant to the Indenture, demonstrating that the Pledged Revenues and said investment earnings and moneys held in the funds and accounts pursuant to the Indenture, are expected to be in an amount sufficient to provide the debt service coverage described in **Section 2(b)** hereof, (vii) the terms and provisions for the conversion of the Compound Accrued Value of any

Convertible Bonds issued hereunder into Current Interest Bonds, (viii) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (ix) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (x) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xi) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider Issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, (xii) the identity of the Trustee designated pursuant to **Section 2** hereof with respect to the Bonds, (xiii) the identification of the Outstanding Bonds being refunded with proceeds of the Bonds and the applicable redemption date or dates of the Outstanding Bonds being refunded, (xiv) the identity of any bank or trust company selected by a Designated Official to serve as Refunding Escrow Agent pursuant to the authorization granted in paragraph (j) of this Section, (xv) if an escrow or other similar agreement is to be executed and delivered as authorized in **Section 5** hereof, a copy of such agreement shall be attached to said notification of sale and (xvi) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in **Section 3(a)** hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in **Section 3(a)** hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. In the case of Variable Rate Bonds, such amounts to be abated from taxes levied may be determined by reference to any projections of debt service on such Variable Rate Bonds provided to the Board at the time of sale of such Bonds. No such reduction in the amounts levied in **Section 3(a)** hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until either or both of the Designated Officials have determined that any amount so levied in **Section 3(a)** hereof will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to **Section 3(a)** hereof, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks. Each of the Designated Officials is also authorized to file in the respective offices of the County Clerks certificates of tax abatement reflecting the refunding of the Outstanding Bonds.

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum or Notice of Public Sale relating to each Series of the Bonds (the “**Disclosure Document**”) in substantially the respective forms delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the

method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "deemed final" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 ("Rule 15c2-12"), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document, as appropriate, on behalf of the Board.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Private Purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Private Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to (i) the payment of costs of the Refunding, (ii) the funding capitalized interest on such Bonds and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers, Credit Providers or remarketing or other agents retained in connection with the issuance of Variable Rate Bonds, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) The Chief Financial Officer of the Board is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

(i) Either of the Designated Officials is hereby authorized to execute and deliver from time to time one or more agreements with counterparties selected by either of the Designated Officials, the purpose of which is to provide to the Board an interest rate basis, cash flow basis or other basis from that provided in the Bonds for the payment of interest. The stated aggregate notional amount under all such agreements authorized hereunder shall not exceed the principal amount of the Bonds issued hereunder (net of offsetting transactions entered into by the Board). For purposes of the immediately preceding sentence, "offsetting transactions" shall include any transaction which is intended to hedge, modify or otherwise affect another outstanding transaction or its economic results. The offsetting transaction need

not be based on the same index or rate option as the related Bonds or the transaction being offset and need not be with the same counterparty as the transaction being offset. Examples of offsetting transactions include, without limitation, a floating-to-fixed rate interest rate swap being offset by a fixed-to-floating rate interest rate swap, and a fixed-to-floating rate interest rate swap being offset by a floating-to-fixed rate interest rate swap or an interest rate cap or floor or a floating-to-floating interest rate swap.

Any such agreement to the extent practicable shall be in substantially the form of either the Local Currency-Single Jurisdiction version or the Multicurrency-Cross Border version of the current ISDA Master Agreement accompanied by the U.S. Municipal Counterparty Schedule published by the International Swap Dealers Association (the “ISDA”) or any successor form to either published by the ISDA, and in the appropriate confirmations of transactions governed by that agreement, with such insertions, completions and modifications thereof as shall be approved by the appropriate Designated Official executing the same, such execution to constitute conclusive evidence of Board’s approval of such insertions, completions and modifications thereof. Amounts payable by the Board under any such agreement shall (i) be payable solely and only from the sources actually pledged to the payment of the Bonds as described in **Section 2(b)** of this Resolution, or (ii) constitute operating expenses of the Board payable from any moneys, revenues, receipts, income, assets or funds of the Board available for such purpose, as shall be determined by the Designated Official executing the same. Nothing contained in this **Section 4(i)** shall limit or restrict the authority of any officer of the Board to enter into such agreements pursuant to prior or subsequent authorization of the Board.

(j) For the purpose of providing for the Refunding, each of the Designated Officials is hereby authorized to execute and deliver one or more refunding escrow agreements (each, a “**Refunding Escrow Agreement**”) on behalf of the Board, attested by the Secretary of the Board, such Refunding Escrow Agreement to be in substantially the form executed and delivered in connection with previous refundings of obligations issued by or on behalf of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official’s approval and this Board’s approval of any changes or revisions therein from such form of Refunding Escrow Agreement. Each of the Designated Officials is hereby authorized to designate a bank or trust company to act as Refunding Escrow Agent under the Refunding Escrow Agreement. Each Refunding Escrow Agreement may include, to the extent permitted by law, agreements entered into between the Board and providers of securities under which agreements providers agree to purchase from or sell to the Board specified securities on specific dates at predetermined prices, all as established at the time of execution of any such agreement

5. *Escrow of Pledged Revenues.* If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreement with a bank, trust company or national banking association having the same qualifications as those set forth in **Section 2(a)** for a Trustee, reflecting the issuance of the Bonds and such segregation of Pledged Revenues and Pledged Taxes as the Designated Official executing such agreement shall deem appropriate.

6. *Pledged Taxes Escrow Direction.* Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code of the State of Illinois, as amended, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), (i) to deposit the collections of the Pledged Taxes as and when extended for collection directly with such escrow agent designated pursuant to **Section 5** in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Taxes. The Designated Officials are authorized to file a certified copy of this Resolution with each of the County Collectors.

7. *Tax-Exemption and Non-Arbitrage.* Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for Federal income tax purposes, to assure that the Bonds do not constitute "*arbitrage bonds*" or "*private activity bonds*" under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds, including but not limited to the execution and delivery of a Tax Agreement; *provided*, however, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board.

8. *Continuing Disclosure Undertaking.* Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a "**Continuing Disclosure Undertaking**") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution or any Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under the applicable Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

9. *Further Acts.* Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

10. *Severability.* The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

11. *Repealer and Effective Date.* All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.

02/06/13	02/07/13	The GC submitted a cost proposal for mobilizing a concrete saw cutter to the project in order to remove the discovered concrete curb beneath the existing terracotta gutter along the perimeter of the pool. The drawing detail provided in the bid documents and the masonry specification both explicitly call for the gutter tile to be removed via saw cutting. The GC elected to initially remove the terracotta gutter with a chipping hammer. When the concrete curb was uncovered, the saw cut rig was called out to remove the remainder of the material to establish the void needed to install the new work. This Bulletin was created to address the discovered concrete curb and the additional labor required to clear this material so that the new stainless steel gutter can be installed.						2302583	09-0722-PR8

Consultant will provide on-site consulting for evaluation and validation of the District's Edulog System data. This will involve a review, analysis, and assistance with correction of the District's Edulog routing and scheduling system data to ensure as much routing information parallels what the bus contractors are doing as possible. The consultant will also provide a school bell time optimization study which is based on the evaluation and validation task. Using information contained in the District's Edulog system databases, consultant will use Edulog's bell time optimization software to create new school bell times and new school bus route couplings for two different scenarios. The first scenario will use as much flexibility as possible in school bell times to determine what the effect on fleet requirements and District expenses would be if the most aggressive plan for adjusting bell times were to be implemented. The second scenario would be a study of what effect on transportation requirements and fleet size would result if only a few school bell times were modified so as to maximize the savings while minimizing the effect on school schedules. For the purposes of this project, all other policies and assignments will remain as currently established by the District and/or contained in the District's Edulog system.

DELIVERABLES:

Consultant will create two reports, one for each scenario described in the above Scope of Services, with supporting statistics estimating total fleet requirements for each bell time change scenario.

OUTCOMES:

Vendor's services will result in service improvement and cost control by gaining control of our routing and building an optimization capability for Chicago Public Schools. Vendor's work will also result in the reduction in routes/buses and immediate savings.

COMPENSATION:

Vendor shall be paid as specified in the agreement; total not to exceed the sum of ~~\$125,000~~ \$195,000.

REIMBURSABLE EXPENSES:

The total compensation amount reflected herein is inclusive of all reimbursable expenses.

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written agreement. Authorize the ~~President and Secretary~~ Executive Director of Transportation to execute the agreement ~~and the President and Secretary to execute the amendment~~. Authorize Executive Director of Transportation to execute all ancillary documents required to administer or effectuate this agreement.

AFFIRMATIVE ACTION:

The MBE/WBE participation goals for this agreement are: 30% total MBE and 7% total WBE participation. However, the Office of Business Diversity recommends a waiver of the goals required by the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, be granted, as this agreement was approved as a Sole Source award due to the proprietary software owned by the awarded vendor.
